We understand there was submitted to the Weekly Committee of the Fredericton Floral and Horticultural Society on the evening of Saturday the 4th of July, among other things, a sample of Garden Strawberries and Green Peas; neither of which however were intended by their exhibitor to compete for the Society's premiums, offered for these articles; but we are warranted in stating that on this evening, (Wednesday), the members will assemble at their usual place (Mr. Wat's Garden,) to examine and report upon such samples of Peas and other Garden productions as may be by them brought forward; neither do we imagine we are too sanguine when we anticipate such a collection being produced as will highly amuse all who may choose to attend, and prove in some degree the progressive interest this infant Institution is exciting as the season advances.—Communicated.  
A MISSIONARY MEETING will be held at the Baptist Chapel this Evening, (Wednesday,) commencing at eight o'clock, when the Public are respectfully requested to attend. A Collection will be taken at the close of the meeting. July 8, 1835.
