BOARD OF HEALTH.

At a Meeting of the BOARD OF HEALTH for the County of York, held at the County Court House, in Fredericton, on Monday the fifth day of May, in the year of our Lord one thousand eight hundred and thirty-four:

ORDERED, That no Building or place within the Town of Fredericton, between the River Saint John and the reserved Street called Charlotte Street, shall be used as a Slaughter house for the killing or butchering of any Oxen or other animals whatsoever; and every person offending against this order, shall for each and every offence forfeit and pay the sum of Five Pounds, to be recovered and applied as the Law directs.

The District Committees are enjoined to pay particular attention to the proper cleansing of the Tanneries in the Town.

Whereas the depositing rubbish, filth, scrapings of yards, and other offensive materials, below, on or near the Bank of the River, tends to affect the purity of the air, and therefore, in case of the Town of Fredericton being visited by any malignant pestilence, may tend to its increase and spreading among the Inhabitants; for prevention thereof, It is Ordered, that no dirt, rubbish, filth, scrapings of yards, or other offensive material of any description, shall be deposited or laid on any part of the shore or bank of the River in front of the Town of Fredericton, between the upper side of the landing next adjacent to Government House grounds and the first inlet below the Town; and that any person or persons who shall cast, deposit or lay, or aid, assist or be concerned in casting, depositing or laying any dirt, filth, rubbish, scrapings of yards or other offensive material, on any part of the said Shore or Bank, shall for each and every offence forfeit and pay the sum of Forty Shillings.

Resolved, That the quantity of rubbish placed and suffered to remain and increase on the Commons and uninclosed grounds, and in the public streets of the Town of Fredericton, and the stagnant water which is frequently allowed to remain in the gutters and water courses of the said Streets, cause unwholesome exhalations and are dangerous to the public health, It is therefore Ordered, that from and after the publication of this Order, no rubbish, straw, packing cases, barrels, boxes, lumber, dirt, filth or water, be suffered or permitted to be placed, thrown, cast or remain in or upon any part of the said Streets or Commons; and any person or persons offending against this Order, shall for each and every offence forfeit and pay the sum of Ten Shillings, to be recovered and applied as the Law directs. And for the more effectual prevention of the accumulation of dirt, rubbish and stagnant water, as aforesaid, It is further Ordered, that every household within the Town of Fredericton shall, on Saturday (or cause to be cleansed and swept) the Street in front of the house and premises by him or her occupied, from the margin to the outside of the gutter or water course of the said Street, and to clean out the gutters or water courses so as at all times to afford a free passage to the water which may be therein, and when there shall be a space of ground (without any Inhabitants residing thereon) between any two Buildings, the persons residing on either side thereof shall cleanse and sweep the same, each person to cleanse and sweep the half adjoining his or her house, or premises: Provided always, that no person shall be required to sweep or cleanse a greater distance than four rods to the right or left of his or her house or premises; and when any house is occupied by more than one tenant or family, it shall be equally the duty of every such tenant to perform and obey this Order; and every person or persons who shall neglect or refuse to perform the duty required by this Order shall, for each and every offence, forfeit and pay the sum of Five Shillings, to be recovered and applied as aforesaid.

Ordered, That no dead beast or animal whatsoever, shall be cast or thrown into the River Saint John, or any other River, or in or upon any part of the Lands within the County of York, under the penalty of Twenty Shillings for every breach of this Order: And further, that the Owner of any such dead beast or other animal shall, within twenty four hours after the death of such beast or other animal, bury the same or cause it to be buried at least three feet below the surface of the earth, under a penalty of Twenty Shillings, for every offence or neglect of this Order.

Ordered, That every House occupied by any tenant within the Town of Fredericton, shall forthwith be provided by the owner or occupier thereof with a decent and sufficient Privy, with a sufficient Vault beneath the same, and if any house be unprovided therewith after the first day of June next, the owner or occupier thereof (at the election of the Committee for the District in which such house may be situate,) shall forfeit and pay a penalty of Forty Shillings, for each and every week he, she or they shall neglect to provide the same, to be recovered and applied as the Law directs.

Fredericton, 8th June, 1835.

THE Board of Health met pursuant to notice, at the County Court House, in Fredericton.

Ordered, That in order to cleanse and examine the Town of Fredericton and adjacent Lands, the same be divided into six Districts as follow:
