Fredericton, July 13, 1835.

At a Public Meeting convened this day by the High Sheriff of the County of York, for the purpose of taking into consideration certain measures relative to the Trade and Resources of the Counties of York and Carleton, and for such other purposes as to the said meeting might seem proper and expedient:—
PETER FRASER, Esq. was called to the Chair.
On motion of **G. F. S. BERTON, Esq.** Mr. **GEORGE LEE, Jun.** was appointed Secretary to the Meeting.
The following Resolutions were moved by **JAMES TAYLOR, Esq.** and seconded by **W. J. BEDELL, Esq.**:—
Resolved, That the present prosperous condition of the Counties of York and Carleton, both in a Commercial and Agricultural point of view, is principally attributable to the trade of the said Counties in the article of squared and sawed Lumber.
That the said trade has produced a large annual income to the Casual Revenue of this Province, and is likely, under the present established system, to be equally productive for many years.
That the large annual surplus of the Casual Revenue for three years past, as shown by the accounts submitted to the House of Assembly, render it inexpedient for the purposes of Revenue to adopt any new system of disposing of Crown Lands, when such new system may in any degree injure the trade of the country.
That the extensive sales of Timber Lands which have of late been the subject of negotiation in the Crown Land Office, if carried into effect, will be fraught with the most injurious consequences, not only to the trade of the said Counties, but also to the Revenues of the Crown.
That in all sales of Crown Lands in these Counties, the settlement and trade of the said Counties should be kept in view and fostered by the Provincial Government.
That this Meeting has the fullest confidence in His Excellency the Lieutenant Governor, and feels assured that His Excellency has no other object in view than the welfare of the country and the protection and encouragement of its staple trade.
And further **Resolved**, That an humble and respectful Petition be presented to His Excellency embodying the substance of the foregoing Resolutions, and praying His Excellency to take the subject into the most serious consideration, and to give such orders as will prevent the apprehended evil; and that Mr. L. A. Wilnot, Mr. Bedell and Mr. Dibblee be a Committee to prepare said Petition, and forward it through the said Counties for signature.

The following Resolution was then moved as an amendment to the foregoing by **G. F. S. BERTON, Esq.** and seconded by **Mr. F. E. BECKWITH**:—
Resolved, That the manner in which the Timber Trade has been heretofore carried on in this Province has generally tended to the injury and loss of the operative Lumbermen, while the profits have been received wholly by the merchants; effects which are mainly attributable to the following causes, the want of capital on the part of the Lumberer to enable him to purchase supplies and necessities at Cash prices, and the high prices charged for supplies by the merchants in consequence of the risk they incur in furnishing them to persons possessed of but little or perhaps no capital, and depending on the uncertain returns of Timber for payment.
That the country will not receive the benefit which might be derived from the manufacture of Timber until men of capital engage in the pursuit, and then the operative persons will receive the reward of their labour and the capitalists will incur the risk of the speculation.
That in order to produce this effect, it is desirable that the introduction of capital into the Province should be encouraged by all reasonable means in the power of Government or the Legislature.
That the policy which has induced the Provincial Government to receive applications for sales of Timbered Lands, is a wise and sound policy, and, if pursued within reasonable bounds, will bring large amounts of capital into the Country, and tend to the rapid advancement of the prosperity of the Province.
That an humble address be presented to His Excellency the Lieutenant Governor, praying that he will be pleased to urge upon the Home Government the importance to the Country of selling Timbered Lands in the same manner as Lands for Agricultural purposes are now alienated by the Crown.
Upon the question for adopting the amendment, it was decided in the negative by a large majority.
The question was then taken upon the original Resolutions, and they were carried in the affirmative.
On motion of **L. A. WILNOT, Esq.** **JAMES TAYLOR, Esq.** took the Chair.
On like motion, **Resolved**, that the thanks of this Meeting be presented to **PETER FRASER, Esq.** for his able and impartial conduct in the Chair.
