#### BIRDS.

Compliments addressed to A. M. Arnall departing for Exile.

"Now winter with redoubled frost  
Leaves desolate our roofs and groves,  
The birds on other shores are tost,  
And thither bear their songs and loves;  
But in a home more calm and bright  
Not long will they incessant sing;  
The birds that winter puts to flight  
Will all return in spring."

"Condemn'd to bear an exile's lot,  
And more than them such lot we  
mourn!  
Round from the palace and the cot,  
Would echo once their songs return;  
Now happy listeners to delight,  
To tranquil valleys let them wing;  
The birds that winter puts to flight  
Will all return in spring."

"Birds destined to this region crowd,  
We envy them their wanderings forth;  
Already more than one dark cloud  
Rises and frowns in the far north;  
Happy, who—but for moments!—might  
Now wend away on agile wing;  
The birds that winter puts to flight  
Will all return in spring."

"Dispersed the mighty storm that broke,  
Remembering then our evil luck,  
They will return to that old oak  
Which oftentimes the storm hath struck,  
To fertile vales of days more bright  
And constant they'll forboding sing;  
The birds that winter puts to flight  
Will all return in spring."

#### STANZAS.

When the voices are gone  
That breathed music around,  
And the faces we look for  
Are not to be found;  
Then love is a hermit,  
And steals all apart,  
For cold strikes the world  
On the strings of the heart.

That world that we dreamt of  
In home's pleasant bowers,  
Ere we drank of its fountain,  
Or gathered its flowers:  
That we pictured as bright,  
And we found so frail too,  
As the gossamer's web,  
With its garlands of dew.

All the glitter that dazzled,  
The newness that won,  
Faded away from our sun:  
Like clouds from the sun:  
As the angel of truth,  
Growing bright through our tears,  
Shows the world but a desert,  
When sorrow appears.

Our childhood is fleet  
As a dream of the night;  
And youth fades anon  
Like the flower in sunlight  
And manhood soon ripens  
As corn on the fall:  
And age dawns to dust  
Like the leaves on the gale.

Thus year after year,  
Like enchantment's decay,  
The glow of the spirit,  
So buoyant and gay,  
Is chilled by unkindness,  
Or chastened by woe,  
Till man finds his paradise  
Darkened below.

But man has a spirit  
The world cannot bind,  
That mounts to the stars,  
And leaves darkness behind:  
Where the voices we loved  
Breathe a holier sound,  
And the faces we look for,  
Again may be found.

## LANDS FOR SALE

### BY THE

## NEW BRUNSWICK & NOVA SCOTIA

## LAND COMPANY.

THE New Brunswick and Nova Scotia LAND COMPANY having been long since incorporated by Royal Charter, with a Capital of £200,000 Sterling, with power to increase that amount to £400,000, and having purchased from the Crown the most central and delightful portion of the Province of New Brunswick, between the Rivers "Saint John and South West, Miramichi," have been quietly and unostentatiously improving a large portion thereof for settlement. The improvements consist of a fine line of Road, cut and now travelled upon, directly through what may be termed the Valley of the Nashwaak to the Company's new Town of STANLEY, where they have erected a SAW MILL, of great power, with Circular Saws, capable of producing every description of Boards and Scantling necessary for Building, at the most reasonable rate, and shortest notice—a GRIST MILL has likewise been built, with the most approved re-acting power, and the best and finest Granite and French Burr Stones introduced; so that the Settler may have the opportunity (without difficulty) of getting the produce of his Farm rendered serviceable at the least possible expense.

The Town of Stanley, delightfully situated on the banks of the beautiful River Nashwaak, offers every advantage and inducement, both from situation and luxuriance of its soil, for immediate increase of population. Gentlemen of Wealth from England having already fixed their location there, their Buildings showing at once a cultivated taste and certain satisfaction of future success; a Tavern, a Blacksmith's Shop, and many Houses have been erected by the Company, most of which are now occupied or in course of completion; one hundred and fifty to two hundred Acres have already been cleared, and the principal part in a state of cultivation—proving to demonstration the capability and happy results produced by only ordinary labour, strict attention to the nature of the soil, and a proper mode of Agriculture.

The whole line of Road from its commencement to the South West, Miramichi, offers every inducement for Settlement, on both sides of which a number of small Farms have been laid off, some with Clearings and Log Houses built thereon, a few of which are inhabited, so that the Traveller will find accommodation at the most reasonable rate. The steady and persevering Emigrant will find that every attention will be paid, and every necessary facility given him to render his new undertaking as light and pleasing as the Company's interests may justly and fairly warrant.

The price of the Land will as a matter of course, vary according to situation, but none will be higher than Twelve Shillings currency, or Ten Shillings sterling per Acre for the present Season, (Town Lots and Ten Acre Farms surrounding the Town excepted) every information about which will be readily and cheerfully communicated by the Company's Agent at Fredericton.

As many applications have been made for the Applicants to repeat their requests and fix upon the number in the Town Plot they would wish to occupy.

TERMS.—The terms of Payment will be made easy, as follows:—One fifth to be paid at the time of purchase, upon which a Location Ticket of Possession will be given, the other four-fifths by annual Instalments; but should the Purchaser pay the whole amount at once, a discount of 15 per cent will be allowed upon the purchase money, upon completion of which a Deed, in fee simple, will be immediately prepared by the Company's Solicitor, to be paid for by the Purchaser, putting him in absolute and sole possession.

The Company's Road has been cut out, but not yet finished to Campbell. (another projected Town on the South West, Miramichi River.) At this Establishment a valuable Property has been purchased by the Company, consisting of Saw Mill, Grist Mill, Blacksmith Shop, &c. &c. for some years in active operation, Houses built by the Company, and a beautiful Farm under good cultivation; the Line of Road from Stanley to Campbell proving yet more fully the value and richness of the Soil of this long neglected, little understood and most valuable portion of His Majesty's North American Colonies.

As enquiry will bear out every statement made in the above advertisement, and as every attention and assistance will be given to the most humble but industrious Settler, it is particularly requested that when real information is required, application may be made to—

E. N. KENDALL, Chief Commissioner, or JOHN STEPHENS, Fredericton; the Hon. J. CUNARD & Co. Miramichi; J. V. THURGAR, Resident Agent at Saint John, and ANDREW DUNCAN, Campbell; or the Hon. S. CUNARD & Co. Halifax, Nova Scotia.
