Sir—We cannot permit you to leave your pastoral charge on a visit to your native country, without expressing our entire satisfaction of your uniform zeal for, and attention to, the spiritual interests of the Congregation of St. Andrew's Church, during an uninterrupted ministry of fourteen years—and, as a token of our esteem and personal regard for you, we beg your acceptance of an inscribed Silver Snuff Box, which will be presented to you by the Chairman of the select Committee belonging to that church, the clerical duties of which you have so faithfully and so satisfactorily discharged.

LANDS FOR SALE BY THE NEW BRUNSWICK & NOVA SCOTIA LAND COMPANY.

THE New Brunswick and Nova Scotia LAND COMPANY having been long since incorporated by Royal Charter, with a Capital of £200,000 Sterling, with power to increase that amount to £400,000, and having purchased from the Crown the most central and delightful portion of the Province of New Brunswick, between the Rivers "Saint John and South West, Miramichi," have been quietly and unostentatiously improving a large portion thereof for settlement. The improvements consist of a fine line of Road, cut and now travelled upon, directly through what may be termed the Valley of the Nashwaak to the Company's new Town of STANLEY, where they have erected a SAW MILL of great power, with Circular Saws, capable of producing every description of Boards and Scantling necessary for Building, at the most reasonable rate and shortest notice—a GRIST MILL has likewise been built, with the most approved re-acting power, and the best and finest Granite and French Burr Stones introduced; so that the Settler may have the opportunity (without difficulty) of getting the produce of his Farm rendered serviceable at the least possible expense.

The Town of Stanley, delightfully situated on the banks of the beautiful River Nashwaak, offers every advantage and inducement, both from situation and luxuriance of its soil, for immediate increase of population. Gentlemen of Wealth from England having already fixed their location there, their Buildings showing at once a cultivated taste and certain satisfaction of future success; a Tavern, a Blacksmith's Shop and many Houses have been erected by the Company, most of which are now occupied or in course of completion; one hundred and fifty to two hundred Acres have already been cleared, and the principal part in a state of cultivation—proving to demonstration the capability and happy results produced by only ordinary labour, strict attention to the nature of the soil, and a proper mode of Agriculture.

The whole line of Road from its commencement to the South West, Miramichi, offers every inducement for Settlement, on both of which a number of small Farms have been laid off, some with Clearings and Log Houses built thereon, a few of which are inhabited, so that the Traveller will find accommodation at the most reasonable rate. The steady and persevering Emigrant will find that every attention will be paid, and every necessary facility given him to render his new undertaking as light and pleasing as the Company's interests may justly and fairly warrant.

The price of the Land will, as a matter of course, vary according to situation, but none will be higher than Twelve Shillings currency, or Ten Shillings sterling per Acre for the present Season, (Town Lots and Ten Acre Farms surrounding the Town excepted) every information about which will be readily and cheerfully communicated by the Company's Agent at Fredericton.

As many applications have been made for Town Lots without positive situations being named—it will be necessary for the Applicants to repeat their requests and fix upon the number in the Town Plot they would wish to occupy.

TERMS.—The terms of Payment will be made easy, as follows:—One fifth to be paid at the time of purchase, upon which a Location Ticket of Possession will be given, the other four-fifths by annual Instalments; but should the Purchaser pay the whole amount at once, a discount of 15 per cent will be allowed upon the purchase money, upon completion of which a Deed, in fee simple, will be immediately prepared by the Company's Solicitor, to be paid for by the Purchaser, putting him in absolute and sole possession.

The Company's Road has been cut out, but not yet finished to Campbell. (another projected Town on the South West, Miramichi River.) At this Establishment a valuable Property has been purchased by the Company, consisting of Saw Mill, Grist Mill, Blacksmith Shop, &c. &c. &c. for some years in active operation, Houses built by the Company, and a beautiful Farm under good cultivation; the Line of Road from Stanley to Campbell proving yet more fully the value and richness of the Soil of this long neglected, little understood and most valuable portion of His Majesty's North American Colonies.

As enquiry will bear out every statement made in the above advertisement, and as every attention and assistance will be given to the most humble but industrious Settler, it is particularly requested that when real information is required, application may be made to—

E. N. KENDALL, Chief Commissioner, or JOHN STEPHENS, Fredericton; the Hon. J. CUNARD & Co. Miramichi; J. V. THURGAR, Resident Agent at Saint John, and ANDREW DUNCAN, Campbell; or the Hon. S. CUNARD & Co. Halifax, Nova Scotia.
