No. 422 paid at Miramichi.

Treasurer's Office, St. John, N. B.

1st May, 1835.

R. SIMONDS, Province Treasurer.

From the Saint John Courier, May 2.

We received Liverpool papers to the 27th March, by the Ship MARGARET, which arrived on Wednesday.

Several important measures have recently been brought forward in Parliament by Ministers. Of these, the Disenters' Marriage Bill appears to have gained Sir Robert Peel much applause from all parties. It allows the marriage ceremony between dissenters to be solemnized before the civil magistrates, and merely contains some provisions for the registry of the marriage. The Bill for commuting the Tithes in Ireland, we fear, will not be equally popular; the burden, in the first instance, is to be transferred to the shoulders of the landlords, who will no doubt avail themselves of the first opportunity to increase their rents in a proportionate degree; and thus an amount at least equal to what is now paid as Tithe to the Clergy, will hereafter be more certainly secured in the shape of Rent to the Landlord.

It was announced in the House of Commons on the 23d of March, that Lord Canterbury had declined going to Canada.

The Timber Duties again!—It would appear by the following extract from a letter, written by a person well acquainted

with the subject, that an attempt to annihilate the Trade of the British North American Colonies, is again to be made in Parliament. Should the anti-Colonial party succeed in carrying their scheme, these Provinces, it is to be feared, will become a scene of wide-spread desolation and ruin.

"The Government, by Mr. F. Baring, Thompson, and it will again be a trial of strength—the Ship-owners' party against the advocates of free trade—and how it will end, cannot be conjectured; but I am very House (on the night of the 24th,) do go in-

to a Committee of the whole, relative to the alteration of the Timber Duties; which motion was carried. I believe that in the first instance it was intended only to alter the law so far as respects the bringing Foreign Timber through a Colonial Port, to evade the duty; but the opening was taken hold of very readily by Mr. P. Thompson, and it will again be a trial of strength—the Ship-owners' party against the advocates of free trade—and how it will end, cannot be conjectured; but I am very House (on the night of the 24th,) do go in-

Crown Land Office, Fredericton, 1st April, 1835.—Im.

We beg to call the attention of our readers to the following Petition, which was yesterday presented to His Excellency the Lieutenant Governor, and sincerely hope it may answer the much to-be-desired end which it contemplates. Although a very short time was allowed for signature, it contained a large number of most respectable names from

Fredericton and its vicinity. We admire the tenor of the Document for the absence of reflections upon any party for which it is distinguished.

To His Excellency Major General Sir Archibald Campbell, Baronet, G. C. B. Lieutenant Governor and Commander in Chief of the Province of New Brunswick, &c. &c. &c.

The humble Petition of the undersigned In-

habitants and Freeholders of the County of York,

Most respectfully sheweth,

That Your Petitioners viewed with feelings of deep regret and disappointment the collision between His Majesty's Council and the House of Assembly at the last Session of the Provincial Legislature, which at length occasioned the loss of the Appropriation Bill.

Such a circumstance would at any time have caused much and serious inconvenience to all classes of the Community, but now when the unusual length and severity of the winter, and the great scarcity of hay, have already exhausted the resources of a large proportion of the people of the Province, and occasioned great distress throughout the Country; if to these evils be added, the want of repairs to the roads, the loss of the sums of money which have annually been looked for to be expended for their improvement, and more than even these, the delay in payment for many Public Services already rendered, ruin must be the consequence to many, and loss and inconvenience to all.

Your Petitioners confidently hope that mature reflection and consideration will enable the two Branches of the Legislature to reconcile their differences, or that at least the necessities of the Country will induce them at this time, if assembled, to avoid all subject of dispute, and to make the usual appropriations for the public service.

Under these circumstances Your Petitioners most humbly pray that Your Excellency will be pleased to convene the Legislature again so soon as Your Excellency may deem proper, in order that the state of the Province may be considered, and if possible the difficulties which now threaten it be avoided.

And Your Petitioners as in duty bound will ever pray, &c.
