"To the Members of the Church, and indeed to all who enter warmly into the controverted points, we should think it would be an attractive and useful volume. I. Be it enacted by the Lieutenant Governor, Legislative Council and Assembly, That Robert Rankin, William J. Bedell, Nathaniel Blake, Joseph Blake, John L. Blake, George E. Ketchum, Eli Hoskins, H. G. Clopper, James Taylor, Jeremiah M. Connell and Thos. Gilbert, their associates, successors and assigns, be and they are hereby erected and declared to be a body politic and corporate by the name of *The Nashwaak Mill Company*, and by that name shall have the general powers and privileges made incident to a Corporation by Act of Assembly of this Province made and passed in the sixth year of His present Majesty's reign.

II. And be it enacted, That the first meeting of the said Corporation shall and may be held at Fredericton in the County of York, and shall and may be called by any two of the said Company, by publishing notice thereof for thirty days in the Royal Gazette, or in some other newspaper published in Fredericton, at which meeting or at any subsequent meeting to be for that purpose holden, five directors (being members and stockholders of and in the said Corporation) to such an extent as by the laws and regulations of the said Company may be provided) shall be chosen, which directors so chosen shall serve until the first annual meeting of the choice of directors, and until other persons are elected in their room, and shall have full power and authority to manage the concerns of the said Corporation, and shall commence the operations thereof, subject nevertheless to the laws and regulations which may from time to time be made by the said Corporation.

III. And be it enacted, That the capital stock of the said Company shall be forty thousand pounds and shall be divided into shares of twenty five pounds each, to be paid by the stockholders at such time or times and by such instalments from time to time as may be assessed and ordered by the said Company and the president and directors thereof as hereinafter directed: Provided nevertheless and it is hereby expressly required that fifteen per cent. of the said capital stock shall be paid within three years after the passing of this Act; and provided that the said Corporation shall not be entitled to purchase any property real or personal, or to incur any debts until the said fifteen per cent. of the capital stock as aforesaid shall be paid in.

IV. V. And be it enacted, That all the shares in the said Company shall be numbered in progressive order, beginning at number one, and every member of the said Company shall have a certificate under the seal of the said Corporation and signed by the President and Secretary thereof, certifying his property in such shares as shall be expressed in the certificate.

VI. And be it enacted, That there shall be a general meeting of the shareholders and members of the said Corporation to be annually holden at Fredericton aforesaid at such time as shall for that purpose be appointed by the bye laws and ordinances of the said Corporation, at which annual meeting there shall be chosen of the said members five directors, being members and shareholders in the said Corporation to such an extent as may be provided and required in and by the said bye laws and ordinances of the said Company, who shall continue in office for one year or until others are chosen in their room, which directors when chosen shall at their first meeting after their election choose out of their number a President.

VII. And be it enacted, That every person owning a share in the capital stock of the said Corporation shall be a member thereof, and be entitled to vote at all meetings of the same, and members may give as many votes as they own shares, and that absent members may vote by proxy, such proxy being a stockholder and authorised in writing.

VIII. And be it enacted, That the president and directors of the said Corporation may from time to time assess upon each share such sum or sums of money as shall be judged by such Corporation necessary for raising a capital or for the increase of there for the payment of any debts of the said Corporation, and for the purchase of such real and personal property, and the erecting, building, making, setting up and procuring such buildings, dams, mills, boats, machinery and other things as may be deemed necessary and requisite for carrying on the business of the said Corporation: Provided always, that such assessment or assessments shall not in the whole exceed the amount of the capital stock appointed by this Act or the increased amount thereof, if the same shall be increased as hereinafter directed.

IX. Provided always and be it enacted, That unless fifteen per cent. of the said capital stock shall be actually paid in for the

purposes of the said Corporation and a certificate of such payment signed and verified on oath by the said directors or a majority of them, which oath any Justice of the Peace is hereby authorised to administer, shall be filed in the office of the Secretary of the Province before the expiration of three years after passing of this Act, the operation of this Act shall cease and the existence of the said Corporation be terminated at the expiration of the said three years.
