BANK

OF BRITISH NORTH AMERICA.

CAPITAL, £1,000,000 STERLING. In 20,000 Shares of £50 each, (Three fourths of which have been subscribed in England, and the remainder are reserved for the Colonies). With power to increase the Capital.

LONDON DIRECTORS:

George de Boscq Attwood, Esq. Edward Blount, Esq. Robert Brown, Esq. Sir Robert Campbell, Bart. Robert Carter, Esq. William Robert Chapman, Esq. James John Cummins, Esq. James Dowie, Esq. Oliver Farrer, Esq. Alexander Gillespie, Jun., Esq. William Medley, Esq. William Pemberton, Esq. George Richard Robinson, Esq., M. P. John Waldron Wright, Esq.

THE rapidity with which the British North American Colonies have advanced in prosperity and commercial importance, the vast increase of their population, the high rate of interest, the fluctuation of exchange, the inadequacy of the capital already employed for Banking operations, and the increasing facility of intercourse with the Mother Country, point out the different settlements of British North America as affording a secure field for the profitable employment of capital; for which purpose, and with a view of promoting the Mercantile and Agricultural interests of the Colonies, the present Company has been established.

The management of the Company's affairs is vested in the London Court of Directors, and the Banks in the Colonies are to be conducted by local Boards appointed by them.

A general meeting of the Proprietors is to be held yearly in London, to whom a statement of the Company's affairs will be submitted.

Power has been reserved to the Directors to apply for, and accept on behalf of the establishment, a Charter of Incorporation or Act of Parliament.

A Deposit of £10 sterling per Share to be paid within a period to be named in the letter of allotment, at the rate of Exchange therein fixed, and the Deed of Settlement to be signed at the time of payment.

After payment of the Deposit, the remainder of the Capital will be required by instalments not exceeding £10 sterling per Share, at such intervals (of not less than three months) as the Directors may find necessary to carry the objects of the Bank into operation, of which due notice will be given.

The undersigned, commissioned to represent the Court of Directors in America, and to visit the several Colonies for the purpose of putting the affairs of the Bank into operation, hereby gives notice that he will be ready to receive and consider applications from persons resident in the Province of New Brunswick, who may be desirous of becoming Shareholders in the Capital Stock of the Company, addressed to him at the Post Office, at St. John, on or before the 1st day of September next.
