## JACKSON'S HOTEL.

THE Subscriber grateful for past favors, begs leave to intimate to his friends and the Public generally, that owing to the circumstance of the late fire in Fredericton, he has been induced to take the well known and commodious stand formerly occupied by Mr. Robert Chestnut, at the Public Steam Boat Landing, where he has commenced a

BOARDING ESTABLISHMENT upon the most genteel and comfortable system and no pains shall be spared to render the reception of visitors pleasant, and their stay agreeable.

The situation as a summer residence is surpassed by none in the place: it commands an extensive view of the River above and below, as also a most pleasing prospect of the opposite shore: the Officers Barracks and Square stand immediately in front, where frequently the military band enlivens the neighborhood during the Summer evenings.

Families can be accommodated with private parlours; and it is his intention as he goes on, to improve every thing connected with the Establishment as it may be found to require; and he trusts that nothing shall be wanting on his part to render it a first rate and well known Hotel.
