BAJADOS. 'Twas at Bajados one evening-one evening in May, That we had turned to rest ourselves, after a bloody day, . For the cannon had ceased roaring, and the battle cry was still ; And, though beneath a Spanish sky, the air was keen and chill

meeting on the plain ; That day full many an eye had closed, to open not again. But now the mighty shock had passed-the trumpet had rung out-And the British banner flapped above each fortified redoubt. And we sat ourselves that evening-that even-

ing at the board, And unto God we gave our thanks-to our protecting Lord:

And we called the muster over ; one answered not our call;

noblest of us all !

He had gone forth at moraing, with the bugle's first shrill sound-He had gone forth at morning, with a smile

and with a bound,

LANDS FOR SALE BY THE NEW BRUNSWICK & NOVA SCOTIA LAND COMPANY.

THE New Brunswick and Nova Scotia LAND COMPANY baying been long since incorporated by Royal Charter, with a Capital of £200,000 Sterling, with power to increase that amount to £400,000, and having purchased from the Crown the most central and delightful portion of the Province of New Brunswick, between the Rivers "Saint John and South West, Miramichi," have THE House and Premises now occupied by been quietly and unostentatiously improving a large portion thereof for settle. ment. The improvements consist of a fine line of Road, cut and now travelled upon, directly through what may be termed the Valley of the Nashwaak to the Company's new Town of STANLEY, where they have erected a SAW MILL of great power, with Circular Saws, capable of producing every description of Boards and Scantling necessary for Building, at the most reasonable rate and shortest notice-a GRIST MILL has likewise been built, with the most approved re-acting power, and the best and finest Granite and French Burr Stones introduced; so that the Settler may have the opportunity (without difficulty) of getting Land in King Street, nearly opposite the new the produce of his Farm rendered serviceable at the least possible expense.

The Town of Stanley, delightfully situated on the banks of the beautiful River Nashwaak, offers every advantage and inducement, both from situation and A span of heavy Horses, with Sled and Har- luxuriance of its soil, for immediate increase of population. Gentlemen of ness complete; 2 single and one double Horse Wealth from England having already fixed their location there, their Buildings showing at once a cultivated taste and certain satisfaction of future success; a Tavern, a Blacksmith's Shop, and many Houses have been erected by the Company, most of which are now occupied or in course of completion; one hundred and fifty to two hundred Acres have already been cleared, and the principal pert in a state of cultivation-proving to demonstration the capability and happy reand a proper mode of Agriculture. The whole line of Road from its commencement to the South West, Miramichi, offers every inducement for Settlement, on both sides of which a number of small Farms have been laid off, some with Clearings and Log Houses built thereon, a few of which are inhabited, so that the Traveller will find accommodation at the most reasonable rate. The steady and persevering Emigrant will find that every attention will be paid, and every necessary facility given him to render his new undertaking as light and pleasing as the Company's interests may justly and fairly warrant. The price of the Land will as a matter of course, vary according to situation, but nono will be higher than Twelve Shillings currency, or Ten Shillings sterling per Acre for the present Season, (Town Lots and Ten Acre Farms surrounding the Town excepted) every information about which will be readily As many applications have been made for Town Lots without positive situations being named-it will be necessary for the Applicants to repeat their requests and fix upon the number in the Town Plot they would wish to occupy. TERMS .- The terms of Payment will be made easy, as follows :- One fifth to be paid at the time of purchase, upon which a Location Ticket of Possessica will be given, the other four-fifths by annual Instalments; but should the Purchaser pay the whole amount at once, a discount of 15 per cent will be allowed upon the purchase money, upon completion of which a Deed, in fee simple, will be immediately prepared by the Company's Solicitor, to be paid for by the Purchaser, putting him in absolute and sole possession. The Company's Read has been cut out, but not yet finished to Campbell. (another projected Town on the South West, MiramichiRiver,) At this Establishs menta valuable Property has been purchased by the Company, consisting of Saw Mill, Grist Mill, Blacksmith Shop, &c. &c. &c. for some years in suive operation, Houses built by the Company, and a beautiful Farm under good cultivation; the Line of Road from Stanley to Campbell proving yet more fully the value and richness of the Soil of this long neglected, little understood and most valuable portion of His Majesty's North American Colonies. As enquiry will bear out every statement made in the above advertisement, and as every attention and assistance will be given to the most humble but industrious Settler, it is particularly requested that when real information is re-
