JAMES TAYLOR.

The following Act is inserted at the
desire of the parties interested therein.
An Act to increase the Capital Stock of the
Central Bank of New Brunswick and to
amend the Act incorporating the same.
Passed 16th March 1836.

WHEREAS from the increase
of business and trade in this
Province, and from the present limi-
ted Capital of the Central Bank of
New Brunswick, it is found expedient
to increase the said Capital Stock, and
to amend the Act of incorporation;

I. Be it therefore enacted by the
Lieutenant Governor, Legislative Coun-
cil and Assembly, That the Capital
or Stock of the Central Bank of New
Brunswick shall be increased by a sum
not exceeding thirty five thousand
pounds, making the said Capital Stock
in the whole not exceeding the sum of
fifty thousand pounds, which addition-
al Capital or Stock, shall be divided
into one thousand four hundred shares
of twenty five pounds each.

II. And be it enacted, That the
said additional Shares in the Capital
or Stock of the said Bank shall be sold
and disposed of by Public Auction to
the highest bidder in separate lots of
four shares each, at the times and in
manner following, that is to say: Such
sum as the Directors for the time being
shall appoint, not less than ten thou-
sand pounds, making four hundred
shares, on or before the fifteenth day
of May next, after the passing of this
Act; and the remaining sum of twenty
five thousand pounds, making one
thousand shares (if so much shall re-
main unsold), at such time or times as
the said Directors for the time being
shall appoint; provided that no such
sale shall take place of a less sum than
five thousand pounds at one time, nor
after the period of five years from the
passing of this Act.

III. And be it enacted, That in case
the Directors of the said Bank for the
time being shall not deem it advisable
or expedient to sell Stock to the full
amount of thirty five thousand pounds,
as provided for by the second section
of this Act, that then and in such case,
the amount actually sold at the expira-
tion of the said term of five years from
the time of the passing of this Act, in
addition to the present Capital of fifteen
thousand pounds, shall be deemed and
taken to be the Capital Stock of the
said Bank.

IV. And be it enacted, That the
said Directors shall give at least fifty
days' notice of the time and place of
any sale of Stock under and by virtue
of the provisions of this Act, and cause
the same to be published as speedily
as may be, in four Public Newspapers
printed at Fredericton, Saint John,
Saint Andrews and Miramichi, in which
notice shall be particularly specified,
the time when such Stock, with the ad-
vance or premium thereon, will be re-
quired to be paid into the Bank.

V. And be it enacted, That the
whole amount of such advance or pre-
mium (if any there be), first deducting
thereout the Charges of such sale, shall
be divided in equal proportions, to and
among all the shares in the Capital or
Stock of the said Bank, as well the
additional as the original shares, and
such dividend of the said Advance or
Premium, shall be declared and paid
by the said Directors immediately af-
ter the payment into the Bank of the
purchase money of the said additional
shares; and banking operations may
take place upon each respective ac-
count of such additional Stock so call-
ed in, when the Directors or a majority
of them, together with the Cashier of
the said Bank, shall have signed and
verified by oath, and filed in the of-
fice of the Secretary of the Province, a
certificate that such amount of Capital
Stock at any time called in has
actually been paid into the said Bank,
in current gold and silver coins of the
Province, and not before.

VI. And be it enacted, That in case
of default of payment of any of the said
shares, and the advance or premium
at which they may have been sold, on
the day or days, when the same shall
be notified to be paid as aforesaid, it
shall and may be lawful for the Direc-
tors of the said Bank for the time be-
ing, forthwith to sell and dispose of the
said shares, in the payment of which
default shall be so made, at their dis-
cretion, to the best advantage, and any
advance or premium thereon shall be
divided in the manner herein before
mentioned.

VII. And be it enacted, that when-
ever any question shall require to be
decided by the Directors under the
provisions of this Act, the board shall
be constituted and the votes taken in
the manner prescribed in and by the
seventh section of the Act incorporat-
ing the said Bank.

VIII. And be it enacted, That the
said additional shares hereby created,
and the holders thereof shall at all times
be subject and liable to all and singu-

lar the Rules and Regulations, clauses
and provisions, of an Act made and
passed in the fourth year of the Reign
of His present Majesty King William
the Fourth, intituled "An Act to in-
corporate sundry persons by the name
of the President, Directors and Com-
pany of the Central Bank of New Brun-
swick;" and of the Bye Laws of the said
Corporation, and of this Act, and any
other Act or Acts of Assembly to be
made and passed relating to the said
Bank.

IX. And whereas by the twenty
first section of the said hereinbefore
recited Act, it is enacted that the total
amount of the debts which the said
Corporation shall at any time owe,
whether by bond, bill, note or other
contract whatsoever, shall not exceed
twice the amount of the capital stock,
actually paid in by the Stockholders;
Be it therefore enacted, That nothing
in the said section shall extend or be
construed to extend to any money de-
posited in the said Bank.

X. And whereas in and by the thirty
third section of the hereinbefore recit-
ed Act, the Cashier of the said Bank is
required semi-annually, that is to say,
on the first Monday in January, and
the first Monday in June in each and
every year to make a return of the
state of the said Bank as it existed at
two of the clock in the afternoon of the
said days respectively, and forthwith
transmit the same to the Secretary of
the Province: And whereas that part
of the said thirty third section above
recited is inconsistent in part and in
other respects difficult to be complied
with; Be it therefore enacted, That
from and after the passing of this Act,
the said Cashier shall semi-annually,
that is to say on the first Monday in
December, and the first Monday in
June, in each and every year, make a
return in triplicate of the said Banks as
it existed at three of the clock in the
afternoon of the said days respectively,
and shall forthwith transmit the same in
triplicate, to the Secretary of the Pro-
vince, and in case of the sickness or
unavoidable absence of the said
Cashier, then and in such case it shall
and may be lawful for the said Cashier
to make the said return so soon after
the time and times required in and by
this section as he possibly can: Pro-
vided always, that nothing herein con-
tained, shall be construed to extend to
alter the nature, character or manner
of making the said return, or otherwise
to repeal the said thirty third section of
the said recited Act, except as is here-
in specially provided.

XI. And whereas also in and by
the thirty fourth section of the said re-
cited Act, the Cashier of the said Bank
is required to furnish the President or
chairman of the said Bank with a true
list of all delinquent promissers, endor-
sers and sureties, made up to two
o'clock on the day preceding the dis-
count day, which list shall be called a
delinquent sheet: And whereas the
making up of the said list or delin-
quent sheet at two o'clock has been
found inconvenient; Be it therefore
enacted, That from and after the passing
of this Act, the said Cashier shall make
up the said delinquent sheet to three of
the clock in the afternoon of the day
preceding the discount day, and furnish
the same to the President or Chairman
of the said Bank, agreeably to the terms
and provisions of the said thirty fourth
section of the said Act.

XII. And be it enacted, That no
action shall be brought or maintained
upon any Bank bill or Bank notes al-
ready issued, or which shall hereafter
be issued by the said Corporation, be-
fore such bill or note shall have been
presented at the Bank for payment and
default in payment, shall thereupon
take place.

XIII. And be it declared and enact-
ed, That all and every the shares in
the Capital Stock of said Bank, whether
original or additional Stock, and all the
profits and advantages of such Shares
respectively, shall be deemed and con-
sidered to be of the nature of and shall
be personal estate, and transmissible as
such accordingly.

XIV. And be it enacted, That the
Shares in the Capital Stock of the said
Bank shall be liable to be seized, and
taken in execution and sold in like man-
ner with other personal property: Pro-
vided always, that the Sheriff or other
officer executing such execution, certified
by the Sheriff or his Deputy, with the
Cashier of the said Bank; and the
Shares in the Capital Stock of the said
Bank so liable to such execution shall
be deemed to be seized in execution
when such copy is so left, and the sale
shall be made within thirty days after
such seizure; and on production of a bill
of sale from the Sheriff, the Cashier of
the said Bank shall transfer the number
of shares sold under such execution to
the purchaser or purchasers thereof, and
