

DIED.

At Mauderville, on the morning of Thursday, the 24th inst. Caroline Amelia, third daughter of Mr George Barker, in the fifteenth year of her age.

To the Free and Independent Electors of York County.

GENTLEMEN,
As you will shortly be called upon to exercise your Elective Franchise, I take this early opportunity of informing you that I intend again offering myself as a Candidate for the honor of representing you in General Assembly. The liberal support you afforded me at the last Election, and the consciousness that during the short but eventful period since my return, I have done nothing to forfeit your confidence, urge me forward and encourage me in the hope of again claiming an opportunity of serving you as one of your Representatives. It shall ever be my endeavour to maintain the same constitutional principles which I professed at the last Hastings, and to advance to the utmost of my ability the interests of this flourishing County.

I have the honor to be, Gentlemen,
Your very obedient,
D. LUDLOW-ROBINSON.
Fredericton, August 28, 1837.

To the Freeholders of the County of York.

GENTLEMEN,
The lamented death of our late beloved Sovereign having caused a dissolution of the House of Assembly, you will very soon be called upon to exercise one of the dearest rights and privileges of a British people in the selection of Members to represent you in the General Assembly of this Province.

Through the solicitations of a number of respectable Freeholders, and assurances of support received from different sections of the County, I have determined to offer myself a Candidate for your suffrages at the approaching Election. In doing so, I have no party views to promote, nor have I any private or separate interests to serve; my interests being so inseparably connected with yours that it would be impossible to sever them, or to neglect the one without injuring the other.

My intimacy with agricultural pursuits during the earlier part of my life, with the experience I have since had, with respect to Mercantile and other affairs, has given me an opportunity of becoming somewhat acquainted with the general interests of the Province. I have also studied to obtain some knowledge of Legislative matters. How far, Gentlemen, I may possess ability, in connection with those circumstances, to enable me to represent you in the Provincial Legislature, is for you to determine.

My situation in business for the last ten years has, I presume, given the most of you an opportunity of forming some acquaintance with me, and of noticing my conduct. Should you, therefore, consider me entitled to your confidence, and by a majority of your free and independent suffrages place me in that highly important and responsible situation, I assure you that it will be my highest ambition to devote my time and attention in promoting the welfare of the Province generally, but most especially that of this County.

I may err in judgment—I may fail in point of ability to enforce your claims, but I do feel assured Gentlemen, that I can never betray the trust reposed in me—that I can never fail to assert your rights, and to fearlessly and independently maintain inviolate your privileges at all times, to the extent of my power and ability.

I have the honor to be,
Gentlemen,
Your most obedient
and very humble servant,
JOHN T. SMITH.
Fredericton, 25th August, 1837.

Gentlemen Electors of the County of York.

THE demise of His late Majesty King William the Fourth, has afforded you again an opportunity of exercising one of your most valued rights in the choice of Representatives for this County.

I am not aware at this time that the inhabitants generally of this County are dissatisfied with the representation as it lately stood; but from the assurances which a number of my friends have given me of their support, I shall at the approaching Election offer you my public services. It will then be in your power to show forth more unequivocally the public feeling towards me, and its dependence on my exertions.

I am before you for the first time as a Candidate for your suffrages, but if it shall yet appear that you are fully satisfied with the late Election, I shall cheerfully retire, and present no opposition to the justness of your discrimination; but if encouraged to proceed, I shall rest my dependence on the unbiased and dispassionate votes of the Electors of this County.

In the event of my being returned, I trust my acquaintance with the local interests of this County and Province, and with the rights and privileges which all men should equally enjoy under the British Constitution, will enable me to redeem satisfactorily my pledge to the County.

I have the honor to be,
Gentlemen,
Your most obedient
and humble servant,
JAMES CAMERON.
29th August, 1837.

DR. HARTT

BARRACK CANTEEN.

OFFICE OF ORDNANCE,
St. John, N. B. 21st August, 1837.

NOTICE is hereby given, that the CANTEEN in the Barracks at Fredericton, is to be let upon the following conditions, for **THREE YEARS**, from the 1st of October next, to the 30th September, 1840.

No person but of unexceptionable character, or who will undertake, bona fide, to reside in the Canteen, and conduct the business thereof in his own person, will be approved; and two Sureties will be required for the regular payment of the Rent, and of all sums which may become due in respect of the said Canteen, and for the due performance of the several conditions and stipulations of the Lease.

The person whose proposal shall be accepted, and his Sureties, must execute the Indenture of Lease and Covenants relating thereto, the particulars whereof may be known by applying at this Office, or to the Barrack Master at Fredericton.

The names of two respectable persons, with their Christian names, professions and places of abode, who will join the Tenant in executing the Indenture, as his sureties, must be inserted in the proposals; and the Ordnance Department does not undertake to procure the Tenant a Licence.

Sealed Proposals, addressed to the Respective Officers of Ordnance, with the words "Tender for Canteen" written on the outside cover, will be received at the above Office, on or before twelve o'clock, at noon, of Friday the 15th September next, after which hour any proposals received cannot be noticed.

By the Mutiny Act, Canteens are not liable to have Troops billeted on them.

All persons making Tenders are to take notice, that they will be held to the strict performance of the covenants of their Leases and full payment of their Rents, without any remission or reduction further than the covenants of the Lease itself set forth.

The form of the Tender to be as follows: I hereby offer for the Canteen in the Barracks at Fredericton, for Three Years from the first October next, the Rent of Ten Pounds sterling per annum, for the House as a Dwelling, and the further Rent of sterling per Month, for every Ten Private Soldiers who may occupy the Barracks during that period, and propose Mr. of and Mr. of as my Sureties for the same.

The Rent of the Canteen as a Dwelling is fixed at the sum stated above, therefore the bidders will be upon what is offered for every Ten Men occupying the Barracks. This number will be ascertained from the Barrack Master's Monthly Returns, which are made up on the first day of every month; and no changes in the occupation of the Barracks which may take place in the progress of the month, either for or against the Tenant, will be taken into account. No less number than ten will be charged against the Tenant, nor will any odd number be calculated; thus, if the Barracks should be occupied by 148 men on the first day of the month, only 140 will be calculated for that month. The bidders are also desired to introduce no fractional parts of a penny in their offers, as they will not be noticed, nor will any Tenders be noticed except such as are strictly according to the above Form.

The Rent to be paid in British Money, or Spanish or Mexican Dollars at the rate of 4s. 4d. each.
