FESTIVAL OF SAINT PATRICK.—We have received a copy of the toasts and sentiments given at the Dinner on the evening of the 17th instant, by the Society of Saint Patrick; but from the press of other matter are compelled to postpone their insertion until next week.

The Friendly Sons of Erin Society met at Captain Breen's Hotel, Regent Street, on Friday the 17th, at 6 o'clock in the afternoon, being the anniversary of the Tutelar Saint of Ireland, where they sat down to a sumptuous Dinner, and afterwards enjoyed themselves in bringing to each other's recollections many a gone-by scene, that created emotions of National feeling and pleasure, which was greatly enlivened by a part of the excellent Band of the gallant 43d Regiment. And being highly gratified with each other's society, retired at an early hour, in perfect harmony.—Com.

At Woodstock, on the 19th January, in the 46th year of her age, after six days severe affliction, which was borne with christian resignation, Mary, the wife of Malory Raymond, and eldest daughter of the late Mr. Henry Snider, of Windsor, Nova-Scotia.

Mrs. Raymond had been a pious, exemplary and useful member of the Methodist Society for upwards of twenty years, died triumphantly through the merits of our Lord Jesus Christ and her funeral was numerously and respectfully attended.

"The Memory of the just is blessed."

On the fourth Saturday in September next, will be sold by Public Auction at the Market House in Fredericton, between the hours of twelve and five o'clock in the afternoon:

The Pennycook is well known to be a first rate stream for Mills, and the surrounding Country well covered with Pine and Spruce Timber.

Should the same not be sold before the first day of June next, it will on that day be rented for one or more years, as may be agreed upon.

Also will be leased—a Farm next adjoining the above described property, containing 150 acres, more or less, with a new House and Barn thereon; a considerable quantity of this Farm is interval, it at present cuts from eight to ten Tons of Hay; the upland is under good fence and tillage.

Also for sale—a Lot containing 250 acres, three miles up the stream, part of which is interval; on this Lot is a first rate Mill privilege, and at a very trifling expence twenty feet head of water could be raised, and the whole neighbourhood is covered with Mill Lumber of every description.
