The following Extracts from the Law regulating the manner of Driving and Riding upon the Public Roads, is republished for the information of those who may not have adverted to its provisions.

"Whereas great inconvenience and delay is experienced, and often damage is sustained, by the practice of driving and riding upon the Public Roads, without any fixed or general Rule for regulating the same. And whereas it is believed that much good would arise to the Public in establishing, by Law, the mode of driving and riding upon the Public Roads.

"I. Be it therefore enacted by the Lieutenant Governor, Council and Assembly, That all and every Person and Persons who shall drive any Carriage, Cart, Waggon, Dray, Truck, Sleigh or Sled, of any description, or riding upon any of the Public Roads, and who shall meet other Persons driving or riding in the opposite direction, such Person or Persons so meeting others as aforesaid, shall keep to the left hand side of the Road, leaving those whom they may so meet, on the right: And if any Person so driving or riding upon the public Roads shall have occasion to pass any other Person who may be driving or riding in the same direction, then such Persons, so wishing to pass, shall keep to the right of those whom they may wish to pass, leaving them on the left.—[Passed 5th April, 1828.]

"And whereas many accidents happen, and much inconvenience is sustained by the negligence or wilful misbehaviour of persons driving and riding upon the public streets or roads in this Province: Be it therefore enacted, That all and every person and persons who shall drive any carriage, cart, waggon, dray, truck, sleigh, sled or other vehicle of any description, or shall ride upon any of the public streets or roads, and who shall meet or be overtaken by any other person or persons driving or riding on such streets or roads, do not on meeting or on being overtaken by such person or persons as aforesaid, keep his or her carriage or other vehicle as aforesaid, or his or her horse, on the left or near side of the street or road, thereby giving to such person or persons one half of the said street or road, or if any person or persons shall in any manner negligently or wilfully hinder or prevent any other person or persons from passing him or her, or any carriage or other vehicle as aforesaid under his or her care, upon such street or road, or by negligence or misbehaviour prevent, hinder or interrupt the free passage of any carriage or other vehicle as aforesaid, or of His Majesty's subjects, on any such street or road, or shall suffer his or her horse or horses, or other beast or beasts of draught, to proceed on such road without having some person to direct and govern such horse or horses, or other beast or beasts of draught, or shall be at such a distance from such carriage or other vehicle as aforesaid, or in such a situation whilst it shall be passing on such road as aforesaid that he or she cannot have the direction or government of such horse or horses, or other cattle drawing the same, or if any person or persons whatsoever driving any cart, waggon, sled or other vehicle of any description having any matter or things thereon, do not place and secure such matter or thing so that the same shall not project beyond the side of such cart or other vehicle as aforesaid in such manner as to obstruct or impede the passage of any person, horse, beast, carriage or other vehicle as aforesaid, every such person or persons so offending in any of the cases aforesaid, and being convicted of any such offence, either by his own confession, the view of a Justice of the Peace, or by the oath of one or more credible witness or witnesses, before any Justice of the Peace of the County where such offence shall be committed or where such offender shall be apprehended, shall for every such offence forfeit a sum not exceeding twenty shillings in case such person shall not be the owner of such horse, carriage or other vehicle of any description, or in case the offender be the owner of such horse, carriage or other vehicle as aforesaid, then a sum not exceeding forty shillings, over and above the damages occasioned by such offence and expenses; and in either of the said cases shall, in default of payment of such fine and the costs of prosecution, be committed to the common gaol of the County where such offence shall be committed or where such offender shall be apprehended, for any time not exceeding ten days, unless such fine and costs shall be sooner paid: all which penalties and forfeitures so recovered shall be paid and applied in the same manner as is hereinbefore provided in and by the first section of this Act: Provided always, that nothing herein contained shall extend or be construed to extend to compel the driver or owner of any such sleds or carriages being laden to turn out or give one half of the

road or street to any light or unloaded sled or carriages during the winter months, so always that the driver or owner of such laden carriage or sled shall upon request made for that purpose stop in some convenient place to let such light or unloaded carriage, sled, sled or other vehicle pass by.—[Passed 8th March, 1836.]
