A PROCLAMATION.

WHEREAS notwithstanding repeated Public Notice heretofore given, by which all persons were strictly commanded to abstain from cutting Timber, or in any other manner trespassing on the wild lands within this Province, lying to the eastward of and contiguous to the boundary line, as present in dispute between Great Britain and the United States of America, and known under the denomination of "the disputed Territory;" Individuals in violation thereof, have from time to time been guilty of cutting and making timber, and otherwise trespassing thereon:

In order effectually to prevent a repetition thereof in future, I do hereby forbid all and every person and persons from occupying any part of the same wilderness lands or in any manner trespassing thereon, by cutting Timber or otherwise, and every offender in the premises, will be forthwith prosecuted to the utmost extremity of the law, and no compromise will hereafter be made with them under any circumstances.

The Warden appointed by his Majesty's Government to superintend and watch over the said Territory, is also hereby enjoined to take all measures within his power to detect any and all offenders, and give the earliest information, that legal proceedings against them may be forthwith adopted.

And I call upon all His Majesty's liege subjects within the Province, to be aiding and assisting, in all things within their power, to carry into effect the object of this Proclamation.

Given under my Hand and Seal at Fredericton, this twenty-sixth day of July in the year of our Lord one thousand eight hundred and thirty-seven, and in the eighth year of His Majesty's Reign.
