SAYS LEMON JUICE WILL REMOVE FRECKLES

Girls: Make this cheap beauty lotion
to clear and whiten your skin.

Squeeze the juice of two lemons into
a bottle containing three ounces of
orchard white, shake well, and you have
a quarter pint of the best freckle and
tan lotion, and complexion beautifier, at
very, very small cost.

Your grocer has the lemons and any
drug store or toilet counter will supply
three ounces of orchard white for a few
cents. Massage this sweetly fragrant
lotion into the face, neck, arms and
hands each day and see how freckles and
blemishes disappear and how clear, soft
and white the skin becomes. Yes! It
is harmless.

Forty-five Canadian soldiers are
required to guard 105 German
prisoners stationed at St. Leo-

soldiers with guns in their hands
might succeed in watching that
numbers of prisoners even if
their own number were smaller.

Sudden Death of Mrs. James Peters

A particularly sad death occur-
red at Florenceville on Wednes-
day, Aug. 14, when Mrs. James
Peters passed away after a short
illness of diphtheria, at the age
of 37 years. Mrs. Peters seemed
to be in usual health on Sunday
August 11, and attended the camp
meetings held at Robinson but
was taken ill that evening.

Soon after she returned home and in
spite of medical aid became grad-
ually worse till Wednesday even-
ing, when she died very sud-
denly and unexpectedly. Owing
to the nature of the disease, the
burial was made the same night at
3:30 a.m. in the Methodist ceme-
tery at Florenceville. A memori-
al service will be held at an
early date.

Beside the grief stricken hus-
band, she leaves to mourn, four
children, Doris, Harry, Annie and
Helen, her parents, Mr. and Mrs.
James Jones of Bath, three sis-
ters, Mrs. C. B. Inman of Kilburn,
Mrs. Rev. J. Lloyd Hughes of
Blackfield, Alberta, Mrs. Frank
Paquin of Haverhill, Mass., two
brothers, Turner, at home, and
Pie, Wendall Jones, who recent-
ly went overseas with a draft
from the Depot Battalion, and a
large circle of other relatives and
friends. Much sympathy is felt
for the husband and children
whose home has been made de-
solate by the going away of a good
and loving wife and mother, and
for the other bereaved ones to
whom the news of her death
comes as a great shock.

In the death of Mrs. Peters, the
community has sustained a dis-
tinct loss for she was a woman
who made friends everywhere,
her cheerful and patient disposi-
tion, and attractive personality
endearing her to all, hospitable in
her home, a kind and helpful
neighbor, she gained and held the
lasting esteem of all who knew
her.

"The Canada Food Board Says"

When Mr. Herbert Hoover ad-
dressed the Consumers' Council re-
cently at the offices of the British
Ministry of Food in London, Eng.,
he pointed out that competition
amongst the Allied countries in
purchasing food supplies on this
continent had been arrested. Such
competition was responsible in no
small measure for the rapid ad-
vance of food prices in Canada and
the United States and prices would
certainly have gone much higher
had it not been for the combined
action of the British Ministry of
Food, the United States Food Ad-
ministration and the Canada Food
Board, in grappling with the prob-
lem and so organizing the purchas-
ing of food supplies for overseas as
to eliminate competition amongst
the Allied buyers. In bringing
about such organization, the Cana-
da Food Board had an important
part.

But while there no longer is un-
restrained competition in purchas-
es of food supplies for overseas, the
cost of production of agricultural
produce of all kinds is very high
and this accounts, in large measure
at least, for the high prices which
have been rendered necessary in

A CRIPPLE FOR THREE YEARS

Helpless in Bed With Rheumatism
Until He Took "FRUIT-A-TIVES"

MR. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont.
"For over three years, I was
confined to bed with Rheumatism.
During that time, I had treatment
from a number of doctors, and tried
nearly everything I saw advertised to
cure Rheumatism, without receiving
any benefit.

Finally, I decided to try "Fruit-
a-tives". Before I had used half a box,
I noticed an improvement; the pain
was not so severe, and the swelling
started to go down.

I continued taking this fruit me-
dicine, improving all the time, and
now I can walk about two miles and
do light chores about the place."

order to maintain and to increase
production, under adverse war con-
ditions. The most important ques-
tion of all is that of stimulating
production and any possibility of
reduction of supplies must not be
entertained, because of the huge
requirements overseas, the depen-
dence of the Allies upon North
America for so large a proportion
of the food, and the military and
economic importance of building
up large reserves, both here and
abroad.

As Mr. Hoover has said, discon-
tent over prices is a trifle compared
with discontent over hunger, which
might have been our lot, except for
the Providence which placed us on
this side of the Atlantic. The
Canada Food Board, by its license
control over dealers in food and by
regulations affecting all handlers of
foodstuffs, has already done much
to eliminate profiteering from the
wholesale trade and to check trade
practices which have been to the
disadvantage of both the producer
and the consumer. The Food
Board asks the people of Canada to
lend their support to the effort the
Board is making to keep prices
to as low a level as is consistent
with the obligation of supplying
the food needed by our Allies.

This can best be done by an intelli-
gent study of the food problem in
all its phases.

Had Piles For Ten Years

And Tried Nearly Everything Ex-
cept a Surgical Operation With-
out Obtaining Relief — Tells
How Complete Cure Was
Effected.

There are reported here three cases
of chronic piles. In all three
cases many treatments were tried be-
fore it was discovered that Dr. Chase's
Ointment is the only real cure for
this distressing ailment.

Mrs. A. Gates, 21 Wilkinson street,
Bramford, Ont., writes: "I have used
Dr. Chase's Ointment as a household
remedy for ever so long, and am par-
ticularly indebted to it for a cure from
Piles. I had suffered from this an-
noying trouble for ten years, and tried
nearly everything I heard of. After
using Dr. Chase's Ointment a short
while I was completely cured."

Mrs. Wm. Shantz, 155 Albert street,
Kitchener, Ont., writes: "For several
years I was troubled with bleeding
piles. I tried different remedies for
relief without success. I read in Dr.
Chase's Almanac of the benefits other
people were receiving from Dr.
Chase's Ointment, so I sent to your
office for a sample box. I found it
gave me such relief that I went to a
drug store and purchased a full-sized
box. I have used several boxes since,
and have derived more benefit from
its use than any remedy I have ever
used."

Mrs. F. Cussons, Victoria street, In-
gersoll, Ont., writes: "About two
years and a half ago I was suffering
from Piles. I had tried many differ-
ent remedies for this distressing
trouble, but nothing helped me. Fin-
ally I got a box of Dr. Chase's Oin-
tment, and after using it found that I
was completely cured and have not
been bothered in this way since. I
can cheerfully recommend Dr. Chase's
Ointment to anyone suffering as I
did."

Dr. Chase's Ointment, 50 cents a
box, at all dealers or Edmanson,
Bees & Co., Limited, Toronto. There
are no rivals to Dr. Chase's Ointment
as a treatment for Piles.
