A SPRING TONIC GREATLY INCREASES YOUR EFFICIENCY

Lay the Foundation of Good Health Now by Building Up Your Blood and Strengthening Your Nerves

The good old fashion of taking a tonic in the springtime, like most of the customs of our grandparents, is based upon sound common sense and good medicine practice. No matter how mild the winter it is a trying time, even in the most favored climates, for those who are not in rugged physical health. Many men, women and children go through the winter on reserve strength they have stored up during the sunny summer months, and grow increasingly pale as the spring days approach. A tonic for the blood and nerves at this time will do much for such people, by putting color in the cheeks and banishing that tired feeling that worries thousands at this season of the year.

You cannot be energetic if your blood is thin and weak, or if your nerves are frayed or shattered. You cannot compete with others if you do not get refreshing sleep at night, or if you are losing weight. You need a tonic at this time to add to your efficiency now, as well as to save you from suffering later on. And in all the realm of medicine there is no safer or better tonic than Dr. Williams' Pink Pills for Pale People. These pills make new rich, red blood, which circulates through every portion of the body strengthening jaded nerves and run-down organs, and bringing a feeling of new strength and energy to weak, easily tired, despondent men, women and children.

Cured Bilious Headaches

Mr. D. C. McClure, Hefley Creek, B.C., says: "As a spring tonic I know of nothing else that can equal Dr. Williams' Pink Pills. Last spring I felt weak and run down, and suffered a great deal from bilious headaches. I got a half dozen boxes of Dr. Williams' Pink Pills, and after taking them I felt like a new man. The last episode from which I suffered had disappeared, I had a better appetite, and was in every way stronger and better than before I began the use of this medicine. Almost everyone needs a tonic in the spring, and for this purpose I can strongly advise Dr. Williams' Pink Pills."

Never Felt so Well

Miss Beatrice Bishop, Fendale, N. B., says: "I have never felt so well as I do since taking Dr. Williams' Pink Pills. When I began their use I was very much run down. I had no color no appetite, could not go up stairs without stopping to rest on the way. I had frequent headaches and a feeling of despondency. I took about eight weeks and while I felt a benefit from them almost from the first, at the end of that time I was in better health than I had ever enjoyed before. I freely give you permission to publish this letter as my experience may be the means of pointing the way to new health to some other weak and run down girl."

Gained Wonderfully

Mrs. Herbert Hanson, Lower Hainesville, N. B., says: "I have the very highest regards for Dr. Williams' Pink Pills. Before I began their use I suffered greatly with sick headache, dizziness and a feeling of depression and tiredness. A short treatment with the pills fully restored my health. My daughter Blanche was suffering from anaemia, and through the use of six boxes of Dr. Williams' Pink Pills gained wonderfully in weight, strength and general health. We think so."

Plaster Rock Items

Miss Rose Howlett is staying with her daughter, Mrs. G. MacFarlane, for a few days.

Mrs. Theo. Marston is on the sick list and Elsie Baker is looking after her.

Tom Roberts and Harry Brown returned from overseas on Monday last.

Walter Thibodeau has purchased the Sydney Giberson house which had been rented to Rob DeRoche.

Mrs. John Seymour of Arthurville, who has been staying with her sister, Mrs. Donald Fraser, is receiving congratulations on the arrival of a daughter.

Mrs. Lewis Grant has gone to Aroostook to nurse her mother who is sick.

Robert DeRoche and family have moved into the bungalow lately occupied by Walter Thibodeau.

William Sego returned from overseas on Saturday last.

Sydney Giberson came in from Edmundston on Saturday morning.

A quiet wedding took place at the home of Edward Muckler on Thursday evening when his daughter, Dorothy,

much of Dr. Williams' Pink Pills that we are never without them in the house and I consider them my best friend."

Has a Better Appetite

Mrs. M. D. MacLeod, Caledonia, P.E.I., says: "I have used Dr. Williams' Pink Pills as a spring medicine with satisfactory results. Before I began their use I was subject to weak spells, but these have now disappeared. I find that my appetite is better, and I have every confidence in your pills as a blood builder."

Strong and Well Again

Mr. H. H. McKelvey, Orono, Ont., says: "My experience with Dr. Williams' Pink Pills has been of the most favorable kind. At the time I began their use I was so weak and run down that I could hardly go about. My stomach was also out of order and the food I took did not seem to do me a bit of good. Then Dr. Williams' Pink Pills came to my rescue, and under their use my stomach grew better, my general health improved, and I was soon as healthy and vigorous man as I had ever been. Dr. Williams' Pink Pills, with the use of Pinklets as a laxative when needed, is now our family medicine, and we would not be without them."

Build up Your Blood

The purpose of Dr. Williams' Pink Pills is to build up the blood. They do this one thing and they do it well. They are, for this reason, an invaluable remedy in diseases arising from bad or deficient blood, such as anaemia, rheumatism, neuralgia, pains in the back or side and the after effects of influenza or fevers. If you are suffering from any troubles due to weak, watery blood, or shaky nerves, a fair use of these pills will restore you to full health and strength. Dr. Williams' Pink Pills are sold by all medicine dealers or will be sent by mail, post paid, at 50c a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

was united in wedlock to Ray Lewis, son of Mr. and Mrs. Miles Lewis. Rev. Neil McLean performed the ceremony.

On Wednesday evening in the Oddfellows Hall a reception was held for six of our returned soldiers. They were, Charles Lewis, Thomas Harrison, Albert Burridge, Victor Brown, Harry Brown and Frederick Lennan. The Hall was packed to the doors and the entertainment was both long and varied there being no less than 23 items on the program. William MacRay was chairman and Miss Brothers, after a speech of welcome, presented each of the boys with a watch on behalf of the citizens of this place, in recognition of the service rendered to their country. Refreshments were served before the meeting was broken up.

Could not Sleep

Miss Gertrude Pratt, Wolsley St. Barrie, Ont., writes: "I was very much run down and could not sleep either day or night and my arms and legs ached so that life was very miserable. After using six boxes of Dr. Chase's Nerve Food I feel well and strong again."
