The History of Gin as a Curative Agent

Before Gin Pills were available, gin seemed to be the popular remedy for backache, pains in the groin, swelling of the joints, rheumatism, lumbago, sciatica and other troubles arising from deranged kidney action; but when Gin Pills were placed on the market containing the curative agent of gin—without the alcohol, people realized that the benefits of the old remedy were purely temporary and that permanent relief would be found only by using the new.

The success of Gin Pills is the best testimony to the value of this medicine, but for those who prefer more direct testimony we have hundreds of letters on file from people who owe their return of health entirely to taking Gin Pills.

The function of the kidneys is to remove the impurities and poisons gathered by the blood. When the kidneys fail to act, these poisons remain in the blood stream, and are circulated through the system until they settle in muscles and joints and there set up infection. You can readily understand, then, the danger of allowing the kidneys to become deranged, and how important it is to keep them in good shape always.

The not long since kidney got into bad to worse. At the first signs of trouble, go to your nearest dealer and buy Gin Pills—50¢ a box.

Or if you prefer, a free sample of Gin Pills will be mailed upon request to the National Drug & Chemical Co., Canada, Limited, Toronto, Ont. Residents should write to New-Dee Co., Inc., 282 Main St., Buffalo, N. Y.

Had Piles For Ten Years

And Tried Nearly Everything Except a Surgical Operation Without Obtaining Relief—Tells How Complete Cure Was Effected.

There are reported here three cures of chronic cases of piles. In all three cases many treatments were tried before it was discovered that Dr. Chase's Ointment is about the only real cure for this distressing ailment.

Mrs. A. Oates, 25 Gilmerson street, Bradford, Ont., writes: "I have used Dr. Chase's Ointment as a household remedy for over so long, and am particularly indebted to it for a cure from piles. I had suffered from this annoying trouble for ten years, and tried nearly everything I heard of. After using Dr. Chase's Ointment a short while I was completely cured."

Mrs. Wm. Shantz, 155 Albert street, Kitchener, Ont., writes: "For several years I was troubled with bleeding piles. I tried different remedies for relief without success. I read in Dr. Chase's Almanac of the benefits other people were receiving from Dr. Chase's Ointment, so I sent to your office for a sample box. I found it gave me much relief that I went to a drug store and purchased a full-sized box. I have used several boxes since, and have derived more benefit from its use than any remedy I have ever used."

Mrs. F. Gussone, Victoria street, Ingersoll, Ont., writes: "About two years and a half ago I was suffering from piles. I had tried many different remedies for this distressing trouble, but nothing helped me. Finally I got a box of Dr. Chase's Ointment, and after using it found that I was completely cured and have not been bothered in this way since. I can cheerfully recommend Dr. Chase's Ointment to anyone suffering as I did."

Dr. Chase's Ointment, 60 cents a box, at all dealers or Edmondson, Bates & Co., Limited, Toronto. There are no rivals to Dr. Chase's Ointment as a treatment for piles.

His mother was before marriage Miss Winifred DeWolfe of Halifax, coming from there to Carleton Co., where she lived with her parents a number of years before going to New York, where she has made her home since leaving New Brunswick. Her husband died some years ago, and Douglas was her only child. "Never morning wore to evening, but some heart did break."
