ROYAL YEAST CAKES

Product of Canada.

It was known many years ago that yeast is an excellent thing for the many ills that result from disordered stomach or run down blood condition. Lately eminent scientists have been investigating the matter thoroughly and their conclusions point to the fact that the beneficial effect of yeast has not been overrated. The yeast treatment is very simple and economical - and altogether harmless.

Before each meal eat a Royal Yeast Cake, or take a cake dissolved in water or fruit juices. The scientific investigators say that the curative elements in Royal Yeast are the vitamines and nuclein which it contains. It is certainly well worth a fair trial by those who suffer from any of the ailments mentioned above.

Sweets for Christmas

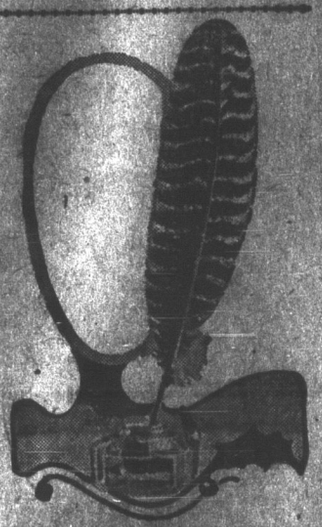

You cannot think of anyone who will not be delighted to receive a gift like that illustrated here. It is a half-dozen glasses filled with jelly, preserves and marmalade, very attractively arranged in a wicker basket. The tin covers of the glasses are lacquered with black lacquer and a white gummed letter is placed in the center of each one. A spray of fruit or blossoms painted on the lid with sealing wax, together with the letter, tells the kind of jelly or preserves the glass contains, as apple, with a spray of apple blossoms and the letter "A," or currant with a cluster of currants and foliage and the letter "C." Sealing wax in several colors simulates shirred ribbon on the center glass which contains marmalade.

For Little Garments

Hangers for wee garments make a lovely gift for young children, especially when they look like dolls. Here two are dressed up to represent a girl and a boy doll and a third is simply covered with ribbon and decorated with ribbon flowers. Little celluloid doll heads, wide and narrow satin ribbon and wire hangers with a little ingenious sewing are all that is needed for the doll hangers.

A Decorative Pen

For the writing desk or as a companion piece to the guest book, a pen with a feather quill for a handle makes a beautiful gift. Natural feathers are as marvelous and beautiful in their markings as flowers and those in neutral colors can be tinted if one wishes to brighten them. Many kinds of feathers, including those of the ostrich, are used for these decorative pens and they make a gift suited to every grown-up.

Ever Welcome Gifts

If a Christmas were to come and go without leaving with us pincushions, pin-holders, garters and other pretty furbelows made of ribbon, it would be remembered with something of disappointment. A heart-shaped pincushion, a small bag for holding pins and a pair of ribbon-covered garters represent a few of many ribbon novelties for the holidays.

Santa Remembers Baby

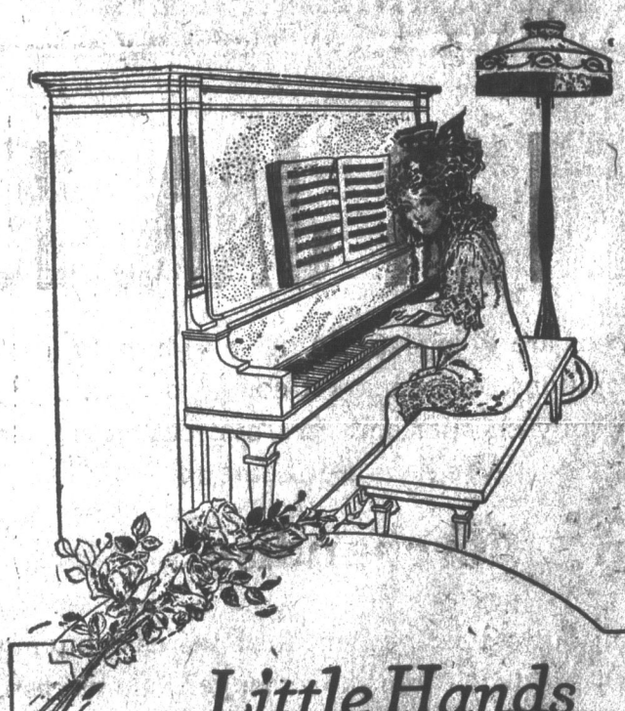

Santa Claus never forgets the babies and each year presents their little belongings made in new and pretty ways. This year "nightingales" and bonnets seem even better than their predecessors. A set to match is shown above, made of fine flannel and trimmed with narrow satin ribbon gathered along one edge and feather-stitched down. A frill of narrow lace finishes the cap.

Christmas Candles

This year's candle shades made of gay silks or of crepe paper are shown in such variety that every one may be pleased. Sparkling silver tinsel strays over some of them, adding a holiday glitter to the pretty colors through which the light gleams. A shade decorated in this way is shown at the right of the two pictured. At the left a foundation of plain paper is covered with ruffles of crepe paper in two alternating colors, in this case white and green, and has daisies made of paper set about it.

Little Hands

How Will They Grow? Trained or Untrained?

THOSE little hands are now in your care, mother. You can train them to bring life-long happiness or let them go untrained. But *now* is the time to begin their education.

For more than half-a-century the Gerhard Heintzman piano has trained little hands and little ears.

It has the easy action that brings true delicacy of touch and expression. It has the beauty, depth and resonance of tone that brings the highest appreciation of musical values.

And because it is Canada's Greatest Piano it is an inspiration, an encouragement to achieve something.

—and it is a possession worthy of pride.

Start *now* to let the Gerhard Heintzman piano train your children as you wish you had been trained.

Brunswick

—More Than Mere Phonograph

Base your decision on the quality of the tone and you'll surely choose rightly. Your selection, like that of discriminating thousands, will be The Brunswick. Not because we say so, but because a demonstration on this super instrument will convince you.

By the Brunswick Method of Reproduction a treasure, fine tone and shadows are given to tone that cannot be duplicated in other instruments.

These two exclusive features make the Brunswick the dominant phonograph:

1. THE ALL-WOOD OVAL HORN—built like a violin. Its entire freedom from all metal and its oval shape comply with the accepted laws of acoustics. It amplifies and projects musical tones with a purity, power and expression that is wonderful in Stellar fidelity.

2. THE ALL-RECORD, ALL-NEEDLE UNITONA plays ALL records CORRECTLY with the exact weight, correct diaphragm and tone needle. Nothing to take off or put on. A mere twist of the wrist adjusts it instantly to ALL makes of records.
