Local.

LOBSTERS are scarce at the Cape and small at that.

HIGHWAY SURVEYOR:—Mr. Turner Bulmer has been appointed surveyor of highways in place of Mr. Richard Wry deceased.

ST. MARTINS.—The public exercises in connection with the closing of the year at St. Martins Seminary will take place next week.

COLLAR BONE BROKEN:—Katie, nine year old daughter of Mr. George A. Fawcett, Upper Sackville in leaping over a fence after a ball had her collar bone very badly broken and shattered. Dr. Calkin set the bone and the little patient though suffering somewhat is doing as well as possible.

TIDNISH N. S. was visited by fire last week. The store and premises owned and occupied by R. H. Pye, general merchant, and adjoining house, owned by Ritchey Copp, and occupied by Warren Allen, were completely destroyed. Pye had partial insurance on his building but none on his stock.

RIPE OLD AGE: -Mrs Patrick Donahue of Irishtown near Moncton died on the 30th ult at the advanced age of 90 years. She was born in Ireland and came to Irishtown 66 years ago. She leaves five children, twenty-five grandchildren, and eight great grandchildren living.

—James Ross of Eastern St Martin's on May 9th plowed and made ready for this years crop one half acre of ground. He is 103 years old and enjoying the blessings of good health.

CUTTING ELECTRIC LIGHT WIRES:—The wires leading to the electric light placed in front of the Ladies College by Dr. Borden were cut on Saturday night May 26. The wires were mended on Sunday and the culprits were not discovered. Encouraged by this success an attempt was made the following Wednesday night to leave the town in complete darkness. Some one climed a pole near the light station and with a hatchet or axe entirely severed two of the wires leading from the station and hacked and injured all the others. A youth of the town is suspected and if found out will be properly punished.

PILGRIMAGE FROM SACKVILLE:—Halifax Chronicle.—There are to be two pilgrimages from the provinces to the shrine of St. Anne de Baupre, Que., this summer. One goes from Sackville, N. B., and the other from Halifax, the latter on July 16. On reaching their journey's end the pilgrims will march to the church in procession, when the programme of services will be made known. Particularly worthy of a visit to St Anne is the new chapel of the 'Scala Santa,' a reproduction of the hall in which our Lord was judged by Pilate. It contains a fac-simile of the 'Scala Santa,' or holy staircase at Rome.

FROM JAPAN:—Miss Elizabeth Hart daughter of Rev Thos Hart of this place returned last night by the C P R from Japan where she has been engaged in school work for the past five years in connection with the Methodist mission. She left Tokio on May 11th in Steamer Empress of India and arrived at Vancouver on the 22nd. She spent a few days at Terra Noba twelve miles from Vancouver at the residence of Mr. Alfred Dixon. She then left by the C P R and was detained three days in the mountains by the floods between Kamloops and Griffin Lake. This was the last through train. The landslides and washouts have carried away bridges and covered up portions of the line. In places the track was covered with water as they passed along and the bridges covered so that the rails were about a foot under water. The extreme flood is attributed to the upper and lower snow in the mountains melting at the same time owing to the extreme heat, an occurence very rarely happening. Except for the danger incident to this the trip from Tokio through was a pleasing one. There were over 150 tourists on the steamer and the trains on the C. P. R. were well filled. She saw a vast difference in the county traversed by the C. P. R. from when she passed along five years ago. In many places great improvement was to be seen. [A despatch from Mr. Page states that his stock is safe from which it is feared that the floods have carried away the dykes on the lands reclaimed by him. It is also feared by Mr. Alfred Dixon's friends that the freshet has carried away his farm buildings.]

MT. ALLISON GLEE CLUB is not bubbling over with glee. In fact the members are serious to the verge of sadness. They gained a rich fund of experience on Thursday and Friday of last week but they paid a most extravagant price for it. The original scheme was as follows:—Two students engaged the glee club, two athletes, and other talent to accompany them on a concert tour through Nova Scotia and to Prince Edward Island paying each so much per day and expenses. Hundreds of full sheet posters and thousands of dodgers and tickets were sent out in advance and the service of an advance agent, supposed to be highly competent, secured. The opening concert at Springhill last Thursday evening was fairly well attended and the enterprising originators of the scheme received about $30 out of which to pay expenses and wages. They went on to Pictou but found they were not expected. The posters had been sent to wrong places and for wrong dates. For one evening they were advertised for two different places one hundred miles apart. For Pictou they were not advertised at all. A long and exciting consultation was held, The troup were discouraged and disgusted. Finally one of the promoters was despatched to New Glasgow where he borrowed money from his uncle and sent the company to their several homes poorer in pocket, meeker in spirit, sadder and wiser men.

Local.

THE BAND will give an open air concert in Middle Sackville on Saturday evening, weather permitting.

RATEPAYERS in School District No. 11 Sackville paying their rates before 16 inst will receive the discount allowed by law. See Notice.

DOMINION DAY AT SPRINGHILL:—The Y. M. C. A. of Springhill is making great preparations for a field day of sports on Dominion day—(Monday 2nd July.) Under the able management of their committee it promises to out shine any thing yet of its kind.

FARM UNDER WATER.—Mr. Hubert Page who left Amherst a few years ago and settled in British Columbia has written his friends in Amherst stating that none of his stock has been lost in the recent floods, but that his whole farm is under water. He expects to loose his crop this season unless the floods abate speedily. Parties who have lost heavily by the floods are asking help from government.

FIRE AT ST. JOHN.—St. John had a big fire Sunday morning. Three valuable buildings were destroyed, including the Merritt Building and the premises formerly occupied by Daniel & Boyd, but now used by Manchester Robertson & Allison, and others. Those burned out are Robert Merritt, Parker Drug Store, M. R. and Allison, H A McCullock, Miller & Co. The loss is $250,000 with $130,000 insurance. Hamilton's Saw Mill on the Straits Shore was also burned.

AMHERST BOARD OF TRADE.—A board of trade for Amherst was regularly constituted Friday night at a meeting of the merchants of the town, seventy-two members being enrolled. The officers elected for the ensuing year are:

President—D. T. Chapman.
Vice president—D. W. Douglas.
Secretary and treasurer—F. B. Robb.
Members of council—James Moffatt, N. A. Rhodes, Thos. Dunlap, A. B. Etter M. D. Pride, J. B. Gass, J. C. Harlow J. R. Lamy.

RIOT AT SHEDIAC:—Monday morning, at Shediac, about 20 stevedores and employes took part in a riot, resulting in the severe beating of one Dominique Boudreau. During the season of shipping deals from the port, the stevedores formed a combine to ask a certain rate of wages, but it appears Boudreau never became a member of the combine. As he with his employes proceeded to work Monday morning, they were attacked by several members of this club, when a lively fight ensued. Boudreau was severely beaten, and received a number of injuries. Justice Deacon issued warrants for the arrest of eight persons. A later report states that this matter has been settled and the non-union men will not be interfered with again

MR. ALLISON.—An almost entirely new Academy staff will greet the students who return and the new students who come in next year.

—Principal Harrison has resigned. During the four years he has been in Sackville he has worked conscientiously and well and he and his charming lady have made hosts of friends not in Sackville alone but throughout the Maritime Provinces. Under his rule and by the establishment of the Commercial College the academy has been raised from poor circumstances to comparative opulence. Last year Principal Harrison expeaded over $400 permanent improvements and came out at the end of the year with $1500 to good. Since his coming he has spent about $2000 in permanent improvements including a fine system of waterworks and many improvements on the farm. Last year he drained a considerable piece of bog; this year it will bear oats; next year it will become hay producing. He also provided his students with an excellent bath room and a splendidly equipped gymnasium. He has always taken a warm interest in his "boys" and their welfare has always been a foremost thought in his mind. He is of the opinion that the academy cannot be self-supporting under the restrictions placed by the board of regents, and accordingly when he was told by the board on Friday morning last that the Commercial College must be closed, he at once tendered his resignation.

—Mr. Harrison is still in Sackville and has as yet formed no definite plans for the future. In conversation with a POST reporter he said that both he and Mrs. Harrison liked the Maritime Provinces very much both in climate and in people and would if a suitable opening offered remain in these provinces. The news that the board were dissatisfied with the work of the Commercial College had come to him as a decided surprise; he had expected in place of that words of commendation for the encouraging financial statement which he was enabled to make. Mrs. Harrison will be much missed especially in the village choir.

—Prof. Dalpe will enter the McGill medical course the coming year. He has had his mind on medicine for some time and last year did some good work in physiology here. He will teach an hour or so each day in a Montreal institution in which Madame Dalpe has also accepted a situation.

—Mr. Young who has proved himself an exceedingly earnest and successful teacher has had two good offers, one from Honolulu and one from Brockton Mass. He will probably accept the latter as Mrs. Young, who has also had a most successful year as teacher at Mt. Allison, prefers remaining in America. Meanwhile Mr. and Mrs. Young have returned to Ontario.

—Prof. Tweedie leaves for his home in Hampton Monday.

—Miss Ayer and her mother have gone to their home in Boston.

—Prof. Landon and Mrs. Landon have returned to their home in Michigan.

—Prof. Hommond is in Montreal but will return to Sackville in a few weeks.

—Miss Goodwin will finish her course at Kingston University.

—During the holidays Miss Crompton will make a trip through the old country.

—Miss Landers left for Fredericton last week to conduct the examination in reading at the Normal School.

—Dr. Smith has gone to Fredericton to be present at the meeting of the board of Provincial Examiners.

—Dr. Borden is on a trip through Ontario and the United States looking for teachers to fill the vacancies on the Ladies' College staff.

—Miss Agnes Fawcett will continue her studies in music in Germany and it is expected will at some future date resume her position at Mt. Allison.

—Prof. Hunton will remain in Sackville and superintend the building of his fine new residence on York St. The foundation is now well along.

—Mr. Raymond Archibald, B. A., who graduated in violin music and in arts with first class honors in mathematics this year will take a position on the Ladies College staff as teacher of higher mathematics and assistant in the violin department.

Local.

SHAWL FOUND.—A shawl found about three weeks ago between Sackville and Upper Sackville may be obtained at this office.

FAIR ACADIA.—The closing exercises at Acadia University and Seminary Wolfville are just completed. The University graduating class numbered twenty one.

THE MARITIME CONVENTION of the Y. M. C. A. begins its session at St. Stephen N. B. to day. The association is fifty years old this year.

CAPE SHIPPING.—On Sunday a Norwegian bark arrived at the Cape to load for M. Wood & Sons of Sackville and on Monday night one to load for E. C. Gooden of Baie Verte making eight vessels in all at the Cape and in the Bay.

FORT LAWRENCE CHURCH:—The new church at Fort Lawrence will be dedicated June the 17th. It is expected that the Revds. Dr. Chapman, T. Marshall and R Williams will assist. The programme of services will be given at an early date.

POISONED WOUND:—Bert McKay, a young man about twenty-three years of age, son of Alex. McKay, of Harecurt, Kent county, accidentally cut his finger Monday morning and in some unaccountable manner got poison, supposed to be Paris green, in the cut. He suddenly took sick and died in great agony about one and a half hours later.

SACKVILLE DRIVING PARK—The park is now being put in good shape for driving, and a few days of sunshine will make it all that can be desired. Should the weather be pleasant, Saturday night will be observed as opening night, and all those wishing can try the speed of their horses. Entrance free.

BLOOD POISONING—Veterinary Surgeon Ross of Sackville has been a sufferer from a bad case of blood poisoning. While treating a horse at Memramcook on Sunday he was bitten on the forefinger of the left hand. The animal also kicked him on the right hand injuring his thumb. The left hand and arm became so swollen and painful that on Tuesday night about 2 o'clock the sufferer was compelled to consult Dr. Bowser. Dr. Ross was then in a very feverish state. The finger was lanced and large quantities of pus escaped. The right hand was also somewhat effected The patient is now doing well.

Hymeneal

"THERE COMES A SOUND OF MARRIAGE BELLS."

Sackville Methodist church was the scene of an interesting ceremony yesterday afternoon at half past five when Mr. H. F. Pickard, one of Sackville's prominent young merchants was united in marriage to Bessie M., daughter of the late Silas Black. The knot was well and firmly tied by Rev. William Harrison in the presence of a very large number of people. The bride walked up the aisle leaning on the arm of her brother Mr. Hibbert Black of Middle Sackville, and was unattended. She wore a pale green silk travelling suit and of course looked charming. After the ceremony the happy couple drove in state to the station and amid showers of rice and good wishes left for St. John on a short wedding tour. The POST extends best wishes.

A wedding party passed through from Amherst on Tuesday night's train. The contracting parties were William Moore, son of Mr. Thomas Moore and Miss Ethel Chapman, daughter of Mr Aubrey Chapman. The marriage took place Tuesday and the happy couple were en route to the United States on a bridal tour.

A very interesting event occured at the residence of Thos. Amos Esq., Baie Verte on the 4th inst. occasioned by the marriage of their daughter. Lizzie to Dr Blinkhorn of Princeton, Maine. A large number of friends were present to witness the marriage ceremony, Rev Wallace Thomas officiating. The bride was attired in a gray travelling suit trimmed with navy blue velvet with hat and cape to match, carrying a fine boquet of natural flowers. After partaking of a sumptuous breakfast, the happy couple, amid showers of rice, old boots, etc, left on a wedding trip through Nova Scotia, taking in Windsor, Annapolis, thence by steamer to St John where they will proceed to their future home in Princeton, Maine, U S. The presents were many and beautiful showing the high esteem the bride was held by her many friends who regret to lose her from the social circle.

Personals.

—Capt. Chas. Moore who has been away on a week's driving tour through Westmorland and Albert Counties returned to Sackville Tuesday afternoon.

—Miss Lucy Clare arrived from Chicago Friday evening last, after an absence of nine years, visiting her parents Mr. and Mrs. John W. Clare.

—Rev. W. H. Warren has been in Wolfville the past week attending the closing exercises of Acadia University.

—Dr. Sinclair Tait, a former Sackville student, makes the ninth government supporter unseated and, disqualified in the Newfoundland Supreme Court. Dr. Tait's offense consisted in offering a supporter a post office.

—Mr. J. Stewart travelling for the type foundry of Miller & Richard, Toronto, was in town last week.

—Hon Senator Perley of Wolseley N W. T. was in town last week, visiting his friends in this county. The Senator left Sunbury Co., twelve years ago to seek his fortune in the North West and has there found wealth and honor, he being one of the most successful farmers in the territory and one of the most popular of their public men. He is a fair sample of what New Brunswick can do when transplanted.

—Our respected fellow townsman James D. Dixon Esq and his wife contemplate a visit to British Columbia and Ohio to extend over a year's duration. On Monday he resigned the office of Treasurer of the Rural Cemetery Co., which he has held for 20 years, *pro bono publico*. Mr. W. C. Milner will fill the place temporarily, until the next election of officers in January.

—Hon. G. E. Foster has been made an L: L. D. of the University of New Brunswick.

—S. & H. Railway, bridge at Weldon, A. Co., was burned last week in order to make way for a new structure. A transfer is made at the bridge and traffic continues as usual.

—E. E. Hollahan, of Springhill, general dealer, has assigned to A. E. Fraser, of Springhill, and H. J. Logan, of Amherst. Liabilities about $3,000; assets nominally the same.

SIGNS OF WORMS are variable appetite, itching at the nose, etc. Dr. Low's Worm Syrup is the best worm expeller.

Personals.

—Miss Beth Lovitt of Yarmouth is visiting Mrs. Allison.

—Mrs. Harrison sings in Moncton tomorrow evening at the Moncton Band concert.

—Laval University is to confer the degree of D. D. upon the Very Rev. C. Lefebre, head of the Memramcook educational institutions.

—F. A. McCully Scott Act Inspector for Westmorland County has been engaged by the temperance party in King's Co. to look after their interests in five Scott Act cases there.

—Mr. Samuel Downes of the firm of Dunlap, McKim & Downes, merchants of Wallace, died on Tuesday of last week at the age of 45 years. He had been connected with the firm for the past 8 years. He leaves a wife and two children to morn the loss of a kind husband and loving father.

—Harry A. Woodworth of Parrsboro N. S., was in town last week. Mr. Woodworth left for St. John on Friday having accepted the position of assistant editor of the St. John Daily Record.

—Mr. Cecil Townshend of Parrsboro, N. S., who has been appointed to position on the staff of the Halifax Banking Co. at Sackville, arrived in town last week.

—Rev. Mr. Herdman, who came out from Scotland about two years ago and has since that time been attending college at Halifax, has taken charge of the Presbyterian church at Port Elgin.

—Prof Andrews delivered a lecture to a large audience in Moncton on Monday evening on "The Feeling for Beauty in Common Life.
