TIGHT BINDING
RELIURE TROP RIGIDE

will be effected in a few days—the navy of the Northern myrmidoms will be effectually backed down to the protecting beach of Fortress Monroe.

The magnificent Howitzer battery of the Germantown, consisting of ten guns, was also raised yesterday, and sent to Richmond on board the steamer Northampton. This will fully enable our sister city to give another welcome to the New York 7th Regiment, or to any other friends who may challenge their respects.

The shot, shell and other amunition, thrown into the river by the vandal hordes before their flight, are also being raised in large quantities. And it is gratifying to learn that—contrary to our first impressions and belief—in their haste and fright they actually left several hundred guns in a remote part of the yard unspiked.

LOYALTY IN MARYLAND AND WESTERN VIRGINIA.

Loyalty to the Union seems to be predominating in Maryland, and the legislature of that state seems to condemn the conduct of the riot at Baltimore.

BALTIMORE, May 1. A memorial to the General Government is being extensively signed, to the effect that Federal troops or military forces or stores ought to pass through Baltimore without further hindrance or molestation, and pledging the use of their best efforts to prevent any obstruction.

A memorial to the Legislature is also circulating for signatures, asking that bridges be rebuilt and all lines of communication be re-opened to free travel.

In the Senate resolutions were offered, and referred to select committee, to the effect that the late deplorable events in Baltimore were caused by the misapprehension of the passage of the troops, and should not be considered as an act of aggression; recommending the transportation over the different railroads of no more troops that are needed for the defence of the National Capital, and that the Governor be requested to do what in his best judgment is calculated to promote harmony and restore travel on the roads to and from Baltimore.

A resolution was adopted for a joint committee to wait upon the President of the United States and of the Southern Confederacy, and the Governor of Virginia, with a view to bring about some understanding and avert a civil war.

A United States flag is to be presented to the Home Guard by the ladies of Frederick.

WESTERN VIRGINIA LOYAL.

While Maryland seems to be returning to her allegiance, it is gratifying to learn that Western Virginia is still loyal. It is said that this section of the State will secede from Eastern Virginia. A Convention was called for that purpose, to be held at Wheeling on the 13th of May, and it is said that every county west of the Blue Ridge will be represented in this Convention. At a meeting of the Bell and Everett Convention, held at Wheeling April 25, many strong Union speeches were made and everything was transacted with perfect unanimity.

The prevalent opinion is that there will be a division of the State.

VIGOR OF THE GOVERNMENT.

The Southern ports will be immediately blockaded. The President of the United States has issued the following proclamation:—

BY THE PRESIDENT OF UNITED STATES OF AMERICA.

Whereas, for the reasons assigned in my proclamation of the 19th instant, a blockade of the ports of the States of South Carolina, Georgia, Florida, Alabama, Louisiana Mississippi and Texas was ordered to be established; and whereas, since that date public property of the United States has been seized, the collection of the revenue obstruted, and duly commissioned officers of the United States, while engaged in executing the orders of their superiors, have been arrested and held in custody as prisoners, or have been impeded in the discharge of their official duties, without due legal process, by persons claiming to act under authority of the States of Virginia and North Carolina, an efficient blockade of the ports of these States will therefore also be established.

In witness whereof I have hereunto set my hand, and caused the seal of the United States to be affixed.

Done at the city of Washington, this 27th day of April, in the year of our Lord one thousand eight hundred and sixty-one, and of the independence of the United States the eighty-fifth.
ABRAHAM LINCOLN.

By the President.
WILLIAM H. SEWARD, Secretary of State.

It is stated that the government of the United States has purchased twenty-five additional vessels, and, will, within twenty days, blockade every Southern port along the entire coast.

Commodore Stringham, U. S. N., will be commander of the forces to blockade the Sea ports of Virginia and North Carolina.

The President has called for 70,000 additional troops and sailors.

We also learn by telegraph to News Room that martial law has been proclaimed at Washington and that troops are concentrating on both sides of Baltimore, probably soon to throw a strong force into that city. An advance is also being made towards Harper's Ferry.

Gen. Keim of Pennsylvania, under Major Gen. Patterson, is reported ordered to leave Philadelphia at once for the camp at York, with instructions to advance with an army of 15,000 men to Maryland. If resistance is offered, he will issue a proclamation announcing his intention to march his force through Baltimore, and warning the loyal citizens, the women and children to leave. Pensylvannia reports 10,600 troops ready to go to Washington.

THE SOUTHERN COMMISSIONERS IN ENGLAND AND FRANCE.

WASHINGTON, May 1, 1861.

The government received intelligence by the steamer Adriatic from Paris, stating that Minister Faulkner had presented the Commissioners from the Southern Confederacy. This is reliable, coming from a high source.

It is stated further, that Mr. Dallas, our Minister to London, refused to present the Commissioners until he had received advices or instructions in regard to the matter from the home government.

Mr. Faulkuer, it appears, presented the Southern Commissioners in violation of his instructions.

It is also stated that the English and French Ministers have solemnly protested to the Montgomery government against the issuing of letters of marque.

A letter in the Cleveland *Herald* from Youngstown, Ohio, dated April 28, says that John Brown, Jr., is encamped on Beaver river about midway between New Castle, Pa., and the Ohio river, with four hundred negroes, principally from Canada, whom he i practising in military drill. The camp is not more than a day's march from Virginia line.

"The agent who was dispatched to Canada to purchase arms for the Government is reported to have been successful in his mission. The Government has received advices that a large quantity of English arms has been purchased from the Canadian authorities. This new supply is expected to arrive here soon, and the distribution will take place immediately."

ENGLISH AND FOREIGN.

Arrival of the "North American."

ST. JOHN'S, N. F., May 6th, 1861.

North American from Liverpool, 25th, off Cape Race, 1 o'clock Saturday, P. M.

BRITAIN.

Parliamentary proceeding unimportant. On 24th House of Commons by vote of 236 to 165 rejected the bill for opening burial grounds of the Church of England to dissenters.

FRANCE.

French journals publish the Pope's protest against Victor Emmanuel assuming the title of King of Italy.

Prince Napoleon appointed President of the Commission to represent France at the Great Exhibition at London next year. On 24th bourse closed at 68.35.

ITALY.

Chamber of Deputies on 24th passed resolution declaring that National Guard of the South had deserved well of their country. It was adjourned.

General Biscio proposed that the Chamber adhere to Garibaldi's project respecting the National armament.

Austrian representative at German Diet had been instructed to propose that the Diet should neither recognize the title of Kigdom of Italy, nor receive any Ambassador from Italy to Frankfort.

Rumors have been current that Victor Emmanuel's representative at Frankfort has received passports but not confirmed.

Paris correspondent of London Post telegraphed that the Pope is firm in his resistance and more than ever decided not to quit Rome.

AUSTRIA.

Stated that seige Fiume was raised by Austrians.

SPAIN.

The Epoca of Madrid says that Haytians demand protectorate of Spain, solely in order to preserve the Administration of the Judicial powers of the republic.

POLAND.

Arrests continued at Warsaw owing to singing of patriotic songs.

TURKEY.

At the request of the Turkish Government the Governments of England and France have sent to Constantinople, persons properly qualified to assist in an investigation of the finances of the Empire, with a view to their adjustment on some permanent basis.

It is asserted that a Russian army of 5000 strong were concentrated on the Pruth and placed on war footing, in consequence of the Fermentation in European Turkey.

Austria takes similar measures.

INDIA AND CHINA.

Calcutta Mail (date not mentioned,) arrived at Marseilles, 24th. American portion will be forwarded by the Africa. Telegrams from Calcutta to March, 30td, and Canton to March 16th, says commercial reports from Calcutta unsatisfactory, in consequence (as was supposed) of famine.

Famine prevailed at Pekin Insurgents gaining ground. Business in Shanghai very dull.

Japan, English, French, and Dutch Ministers have returned upon invitation of Jeddo.

Siamese Government determined to send Ambassador to France.

MONEY MARKET.—Funds firm, and slightly advanced 24, under influence of preparations to withdraw French troops from Syria. Demand for money quiet, good bills readily placed at 4 1-4 a 4 1-2.

Consols closed 92 a 92 1-8 for money and account. Cotton slightly advanced Breadstuffs dull; last quotations barely maintained. Provisions steady.

Churchill, McLean & Co., in timber trade London, suspended—liabilities £40,000 stg.

DIED.

At Sackville, this morning, aged 31 years Margaret, wife of Dr. William Johnston, and daughter of Frederick S. Crawley, Esq.

At his residence, Queen Square, on Monday at half-past one o'clock, Robert W. Crookshank, Esq., aged 90 years. Funeral to-morrow, Thursday, at 3½ o'clock. The body will be interred in the Church burial ground.

Yesterday morning, Mary Barron, daughter of Catherine and John Barron, in the 16th year of her age. Funeral to morrow, Thursday, at 3½ o'clock, from her father's risidence, Portland, when friends and acquaintances are invited to attend.

Obituary.

At Grand Lake, Queen's County, on the 24th ult., Sarah, the fifth daughter of John and Sarah Ferris, aged 16 years and 2 months. Although in health, she made no public profession of religion; yet, in her long and trying illness, which was consumption, she was much concerned about the salvation of her soul, and strove to obtain that peace which is only found in believing. As her end drew nigh, her faith seemed to increase—and the thought that death was near seemed to have no terrors. Her end was peace; her last words were, "Jesus take me quickly." She has gone to her everlasting rest to meet the two dear ones that went before. The Rev. G. W Springer visited her in her sickness, and spoke those words of comfort and encouragement to her which are mostly needed in the like trying times. The funeral occasian was improved by the above Minister, assisted by Rev. A. Gray, from Revelations 7th chap. 17th verse. It was a solemn season. The youthfulness of the deceased, and the appeal from the pulpit was felt by all. Pray the Lord in his mercy; sanctify this bereavement to the sorrowing parents and brothers and sisters, and may all who saw or heard be benefitted by it.—*Com.*
