Heart Strength

Heart Strength, or Heart Weakness, means Nerve Strength, or Nerve Weakness—nothing more. Positively, not one weak heart in a hundred is, in itself, actually diseased. It is almost always a hidden tiny little nerve that really is all at fault. This obscure nerve—the Cardiac, or Heart Nerve—simply needs, and must have, more power, more stability, more controlling, more governing strength. Without that the Heart must continue to fail, and the stomach and kidneys also have these same controlling nerves.

This clearly explains why, as a medicine, Dr. Shoop's Restorative has in the past done so much for weak and ailing Hearts. Dr. Shoop first sought the cause of all this painful, palpitating, suffocating heart distress. Dr. Shoop's Restorative—this popular prescription—is alone directed to these weak and wasting nerve centers. It builds; it strengthens; it offers real, genuine heart help.

If you would have strong Hearts, strong digestion, strengthen these nerves—re-establish them as needed, with

VALUABLE MEDICAL PRESCRIPTION

Recommended by a Well-known Toronto Doctor, Whose Love for Humanity is Greater than His Prejudice Against Proprietary Medicines.

The following very valuable prescription, by an eminent and successful physician, will be appreciated by many who are suffering from la grippe, cold, cough, pneumonia, or any throat, lung or stomach trouble, or run-down system, as it is a certain cure, and will save many a doctor's bill. It is almost a certain preventive as well:—"When you feel that you are taking cold or have chilly feeling or aching in any part of the body or head, or feel weak, tired, dizzy, unfit for work, pain in the head or back of the neck, do not neglect these dangerous symptoms, but send immediately to your druggist and get a bottle of Psychine (pronounced Si-keen), and prepare as follows:

"Psychine, 2 teaspoonfuls.
"Sherry, whisky or water, 2 teaspoonfuls.
"Choice of the latter can be made according to the judgment and preference of the patient.
"Mix thoroughly and take regularly before each meal and at bedtime."

This prescription has been used in thousands of cases and has been so universally successful that a number of leading physicians regularly prescribe Psychine in their practice for any of the above troubles, or any run-down, wasting or constitutional difficulty. It is the most reliable and valuable home remedy. It tones up the entire system, giving a feeling of youthfulness and vigor, adding many years to the life of those who use it.

"Years ago I was almost a physical wreck and was suffering with lung troubles. Friends and neighbors thought I would never get better. I began to despair myself. Losing faith in my physician, I procured another one who recommended the use of PSYCHINE. It was surprising beyond description the effect it had. I seemed to gain with every dose. Inside of two weeks I was able to attend to my housework again. There are no symptoms of consumption about me now."
MRS. HENDERSON,
St. John, N.B.

The poetical young man was awed by the solitude of the old farm.

"Ah," he mused, romantically, "silence rules supreme around here."
