THAW'S TRIAL BEGUN

Prosecuting Attorney spoke for Only Ten Minutes in Addressing the Jury

NEW YORK, Feb. 4.—There was a delay in resuming the trial of Harry K. Thaw today owing to the formalities attending the postponement of the February term of court, which was scheduled to begin this morning.

During the wait for Thaw's trial to go on rumors continued to fly thick and fast as to the possibility of two more jurors being removed before District Attorney Jerome would be content to have the case proceed.

No confirmation of the reports was possible until it was said that if a decision had been reached no announcement would be made until court had convened.

When the February jurors had been dismissed and Justice Fitzgerald had taken the bench there at once began a conference of attorneys at the judge's desk.

Thaw appeared a trifle flushed as he took his place at the end of table assigned to his counsel.

Back of him sat his mother, Mrs. Wm. Thaw; his sister, Mrs. G. L. Carnegie; Evelyn Nesbit Thaw and May McLenzie. Edward and Josiah Thaw were also present, the only family absentees being the Countess of Yarmouth.

All the witnesses for the prosecution were in court this morning. They were only the witnesses of the tragedy on the Madison Square roof garden. Some witnesses, said to have been summoned by

Suffered Terrible Agony FROM PAIN ACROSS HIS KIDNEYS. DOAN'S KIDNEY PILLS CURED HIM.

Read the words of praise, Mr. M. A. Molenda, Marion Bridge, N.S., has for Doan's Kidney Pills. (He writes us): "For the past three years I have suffered terrible agony from pain across my kidneys. I was so bad I could not stoop or bend. I consulted and had several doctors treat me, but could get no relief. On the advice of a friend, I procured a box of your valuable life-giving remedy (Doan's Kidney Pills), and to my surprise and delight, I immediately got better. In my opinion Doan's Kidney Pills have no equal for any form of kidney trouble."

Doan's Kidney Pills are 50 cents per box or three boxes for \$1.25. Can be procured at all dealers or will be mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont.

Do not accept a spurious substitute but see and get "Doan's."

REV. FR. MACAULEY DIED SUDDENLY.

Heart Failure the Cause—Expired Before Arrival of Physician.

Another chapter was written yesterday in New, Albert Co., tragedy, when Father MacAuley one of the central figures in the parish, died suddenly.

When those who had gathered at the chapel for early mass on Saturday, Feb. 2, saw Father MacAuley's body lying in state in the parish house, they were shocked to find that he had died suddenly.

It is generally believed that the strain of the priest's work, in connection with the murder tragedy, had a great deal to do with underpinning Father MacAuley's health, which was not the most robust at any time.

INTENSIFIED FRUIT JUICES

AN IMPROVEMENT ON NATURE

A Discovery that is Revolutionizing Medicine.

Remarkable Success Attends the Finding of a New Medicinal Compound by Combining the Juices of Apples, Oranges, Figs and Prunes.

Fruit helps to keep one healthy. Fruit, in itself, will not cure disease. The medicinal principle—or that part of fruit which has a curative effect—is in such infinitesimal quantities, that it is unable to overcome a diseased condition of the stomach, liver, bowels, kidneys or skin.

Just here is where science stepped in. An Ottawa physician did what nature could not do. He first found that some fruits were stronger medicinally than others—and that apples, oranges, figs and prunes contained all the healing properties of other fruits.

This, in short, is the method of making "Fruit-a-tives"—these wonderful tablets—the most reliable cure for Constipation, Biliousness, Stomach Troubles, Kidney and Bladder Disease and Skin Affections. Being made from fruit, "Fruit-a-tives" may be taken by women and children without fear of ill-effect.

Don't take a substitute. If your druggist does not handle them, send 50c for a box to Fruit-a-tives Limited, Ottawa.

General Manager Brown says that company cannot compel any man to join a union and they must treat all employees alike. The miners claim that the company must discharge non-union men or close the mine if the matter refuse to join the P. W. A. The Nova Scotia Steel Company has a large quantity of coal banked.
