THOUSANDS OF WOMEN TORTURED
BY BLINDING HEADACHES.
Who Could Be Well, and Happy, and Free of Pain.

Headaches simply mean poisoned blood. The human body is constantly decaying and being renewed. Dead matter is absorbed by the blood, and should be taken from the blood by the kidneys, bowels and skin and passed out of the system. If one of these organs does not act properly, the blood becomes impure—if two fail, death is certain.
When there are constant headaches, it is always found that the bowels are irregular, the kidneys weak, or the skin sluggish, pale or sallow. The tissue waste is left in the blood—carried to the brain—and irritates the nerves. To treat headaches with cocaine, morphine, phenacetin and the host of "headache powders" and "fruit-a-tives" for the moment, but they never reach the seat of the trouble, they cannot purify the blood. "Fruit-a-tives" completely cure headaches. They stimulate the liver and make the bowels move regularly. They regulate the kidneys. They induce healthy skin action. Thus, all the waste matter—body poisons—are taken out of the blood and there is nothing to cause headaches. "Fruit-a-tives" are the only remedy that really cures.
"Fruit-a-tives" are fresh fruit juices—in which the medicinal action is greatly increased by the special way in which they are combined. 50c a box; 6 for \$2.50. At all druggists or sent on receipt of price.
