TUESDAY, SEPTEMBER 14, 1908.

The delivery of London's milk requires 4,500 horses.

England loses 60,000 persons every year by immigration.

The Transvaal produces 400,000 ounces of gold every month.

But "we've only got a glimpse" of the Tory operations in the cause of purity in Colechester.

Those W. Lawrence of Boston, has offered to finance the Bryan campaign to the extent of \$1,000,000.

The rest of the party of "purity" is not what it professes but what it practices.

The Bayne case, so far as it has gone, completely eclipses the worst election scandal that the Tories have fabricated in twelve years.

That woman who went through two marriage ceremonies and finds that she is still single has been trying hard to get her name changed.

A Chicago will find it impossible to attempt to beat high motor autos than to get low-power intellects from running the machines.

It is also pointed out that the more business and responsibility a man is burdened with the higher he goes to be around the world.

It is Sum Ling is the name of a prominent editor in China, who has 100,000 points of his opinion show China fully awake to western ideas.

Mr. E. W. Tobin, the popular Federal Government member of the "Right" has been re-nominated by the Liberals of the riding for the Commons.

There was, in a substantial back to the peace pact between Great Britain and Russia. Otherwise, how explain the fact that the British Consulate in Tientsin is guarded by Chinese?

They say blunder down around New York can be made to bite if the fishermen plays the victim to them. Hint: We know some fellows who would play make anybody bite.

No farmer with typhoid germs in his well is to be permitted to sell milk in Chicago. That's the rule. Why not be safe and compel all farmers to boil the water they put into their milk?

"If people would only stop talking about them, they would be no hard things," asserts Charles M. Schwab. Those who find themselves unable to pay their butcher bills will please take the hint and shut up.

Forty-five billion tons of coal, included in the greatest coalfields in western North America will be available as soon as the railroad extensions now in progress tapping the Crow's Nest Pass region are completed, ought to go far toward averting the predicted fuel famine.

Two years ago, on June 13th, 1906, a note signed "Miss Mabel Robinson 38 King street west, Toronto" was put into a small bottle, and thrown into Lake Ontario at Oakville. She asked that she be notified where it was found. She will be surprised to hear that it was found in the inside of a big pile, three feet long, caught this week in Hay Bay, about 125 miles east of Oakville.

There was a period in English history when juvenile smoking was enforced officially. The diarist Leborne in writing of the plague of London, in 1665, says: "Even children were obliged to smoke. And I remember that I have often seen some boys, when he was a yeoman himself, say that when he was a school boy at Eton that year when the plague reigned all the boys were obliged to smoke in the school every morning, and that he was never whipped so much in his life as he was one morning for not smoking."

Was Troubled With His Back for Over Twenty-five Years

Get Him Every Kind of Medicine, But

DOAN'S KIDNEY PILLS

FINALLY CURED HIM

Mr. H. A. Fisher, Ferrisburgh, Ont., writes: "I can certainly recommend your Doan's Kidney Pills. My husband had been troubled with his back for over twenty-five years. I got him every kind of medicine I could think of, but they did him no good. I then ordered him some of your Doan's Kidney Pills, so he got two boxes and they cured him completely. It is like a new man, so he says, and will never be without a box of Doan's Kidney Pills in the house."

The pain of Doan's Kidney Pills is so sharp and so sudden that it is like a stab of pain, and it is so quick and so sure that it is like a bolt of lightning.

BATHURST.

BATHURST, Thursday.—The second day of the banquet passed off as usual.

The attendance was about the same as Tuesday, the receipts amounting to over \$400.

Mrs. G. B. Fenwick of Sussex, is visiting Mrs. O. E. Prowick.

Mr. H. Byrne, M.P.P. went to Carleton today.

It is understood that at least three of our local horses will attend in races at the "Clutham" exhibition.

Miss Millicent Branch returned last evening from New Glasgow, N. S. where she has been spending her vacation.

A couple of men are engaged widening the plank sidewalk on Douglas Avenue. This is a long felt need, particularly in wet weather.

Every fabric shown by Palmer will when called by our most palatial process garments and a fitted suit—present an appearance that will be nothing less than fascinating.

A very enjoyable time was spent at the home of Mrs. F. J. Galtin by a number of young people last evening.

HALIFAX, Sunday.—With the largest crowd which has ever witnessed an athletic meeting in Halifax in its history, the Canadian Amateur Athletic Association, were held on the Wanders grounds Saturday afternoon.

As in all champion games, the former athletes in Canada competed and the track was excellent. No better sport could be provided for six thousand who crowded the grand stand and the entire field.

Interest centres in the Canadian Tom Longboat and there was great disappointment when he did not run in a mile race against Holmer, but Longboat is not a mile runner having won his race after one of the best races ever seen on a Canadian track.

Archibald of Toronto was champion, ship medal for all round athletics. He was entered in almost every event.

Shipley's day was the defeat of champion "Katy" in 100 yards by Miss E. Schaefer, of "Wanderers," Halifax. E. Schaefer, St. John's, and E. Hamilton, "Wanderers," Halifax, Nova Scotia.

With regard to the commission just appointed by Hon. Mr. Graham, Minister of Railways, to investigate condition of equipment and prospects of business on branch railways connecting with the C.P.R., the following is a list of the small routes which will come under observation in the province of Quebec, New Brunswick, and Nova Scotia.

ATLANTA, Ga., Saturday.—With a rare communication practically restored throughout the flooded sections of Georgia, North Carolina, and reports are coming to the Associated Press showing slightly improved conditions everywhere with the single exception of the Congaree River, south of Columbia, S. C.

Fifty miles south of Columbia the water from the Congaree River had backed into Kingville, S. C., a junction point on the Southern Railway.

ST. GEORGE, N. B., Saturday.—The granite strikers will return to work tomorrow as the result of the settlement of their difficulties yesterday, when the four remaining firms signed an agreement to give the union men the wages asked for. 150 men are affected.

SUFFERED FROM HEART AND NERVE TROUBLES FOR THE LAST TEN YEARS.

If there be nerve derangement of any kind, it is bound to produce all the various phenomena of heart derangement.

IN NEW BRUNSWICK.

FREDERICTON, Friday.—Mr. Henry Braithwaite, the veteran professional hunter, arrived home yesterday from the Miramichi woods to make ready for the hunting season. He reports moose exceedingly plentiful in his country, and declares that the outlook for the approaching hunting season was never better. Mr. Braithwaite had booked engagements with a great many hunting parties and has a big force of guides engaged to assist him.

Mr. W. A. Stanton, of Philadelphia, and a party of three friends are coming on Sept. 1st to remain a month in the woods. They will spend their time hunting bears until the season for moose opens on Sept. 15th. Mr. Thomas Martindale, a noted sportsman of Philadelphia, is also coming next week to spend a fortnight with Mr. Braithwaite.

Newcastle, Saturday.

During a heavy electric storm on Saturday night, the 22nd inst., in Plantfield, Ill., where the Rev. W. R. Robinson is located, the Manso was struck twice by lightning. The second time, Mr. Robinson was rendered unconscious and remained so from 11.30 p. m. until 5 o'clock next morning.

Notwithstanding the shock, Mr. Robinson held service and preached at 11 o'clock as if nothing had happened.

Mrs. Robinson and little son are at present the guests of her father, Thos. Hoben, Gibson, N. B.

Rev. W. R. Robinson is a brother of Mrs. Henry Ingram of this town, and Chas. Robinson, manager of Anderson & Co., St. John, and is a Newcastle boy who has worked himself to the front in the country of his adoption.

SIR RICHARD CARTWRIGHT.

OTTAWA, Saturday.—It is definitely stated that a reorganization of Sir Wilfrid's cabinet will shortly take place.

Sir Richard Cartwright will retire into private life and will be succeeded by Hon. Clifford Sifton.

The following officers were chosen: Grand Council bench and his successor will be Hon. Paul D'Aubuisson, Speaker of the Senate.

The official announcement of his retirement from the Senate will be made in the House until shortly after adjournment.

Mr. A. B. Aylesworth's unfortunate deafness is not improving and his only telegrammed the premier from Montreal stating that there was no improvement in his condition.

The regrettable impairment in his hearing precludes the possibility of his continuance in parliament and a new minister will be sought.

MONTREAL, Saturday.—A band of masked men, early this morning, held up the caretaker of the Bank Provincial at Ste. Eustace, dynamited the safe and got clean away with \$12,000.

Two men entered the bank and covered the caretaker with their revolvers while they operated on the safe.

Three others kept watch outside. Several citizens saw the mob at work but were unable to do anything.

The booty was all in cash and easily assorted papers. When they left the bank a number of citizens tried to follow them but were prevented by the robbers and as they were unarmed thought best to let them go.

Two men have been arrested on suspicion in the course of the investigation and the caretaker can be identified.
