HOSPITAL BAZAAR

The bazaar in aid of the hospital is nearing its end and has been a most successful one. This worthy object always receives the support of all classes of citizens and this year has been no exception. The attractions are still plentiful and everyone should attend again before the bazaar closes.

PARTRIDGES PLENTIFUL

The partridge season which opens on September 15th, promised to be one of the best this province has experienced in years. The partridges had a rather early time of it last winter, thanks to the mild weather and the weather this summer has been very favorable to the young birds. All reports from parties who have been in the woods lately go to show that the birds are exceptionally plentiful.

THE NEED OF A PUBLIC MARKET

The need of a public market for the sale of farm produce is being keenly felt by the business men of Campbellton. As conditions are at present the merchants are placed in a peculiar position with regard to the handling of produce. In many cases after laying in a stock they have found it impossible to dispose of same owing to the fact that the community had already been supplied.

THE MERCHANTS THAT AFTER PURCHASING FROM THOSE FIRST ON THE GROUND

The merchants that after purchasing from those first on the ground who follow after, made it a practice to buy their wares through the town thus destroying the market, and leaving the dealer with large stocks of perishable produce on their hands. The business men demand that the board of trade take the matter up with a view to either establishing a public market or compelling the producer of produce to take out licenses.

PERSONAL
