TOWN TOPICS

(From Friday's Graphic.)

BORN

At Campbellton, Oct. 14th to Mr and Mrs. Chas. H. Nelson, a son.

PERSONAL

Miss Lydia Moore has returned to her home, after spending a few weeks in Campbellton.

LOOKING FOR PURCHASE.

A young man with a small moose head in his wagon was in town yesterday, looking for a purchaser.

CONGRATULATIONS

Mr. and Mrs. Chas. H. Nelson are receiving congratulations on the arrival of a baby boy at their home on Oct. 14th.

SHOULD HAVE ATTENTION.

The attention of the local board of health is called to the fact that milk is being delivered in the town in an impure state. A test of all milk delivered should be made.

TOURISTS IN TOWN.

A party of young people came up from Bonaventure and other parishes yesterday to spend a few days in town among the number are H. Coillouette, Jas. J. Coillouette, John Coillouette, Carles Poirier, D. Poirier, Thomas Roy, M. L. LeBlanc and F. Poirier.

CARRYING A JONAH.

A prominent Conservative said to another in discussing the outlook for the Conservative candidate: "How can we expect to win with that Jonah hanging to our coat tails?" They were near the Tory organ's place of "business" and significantly looked thereat.

RUSHING WORK.

Work on the A. Q. & W. Railway, from New Carlisle to Gaspe is being rushed. The work is being carried along in many sections, and if the weather next season is favorable the road will be in operation next fall.

GOOD PRICES.

The prices of potatoes in Bonaventure county at present is about 70 cents per barrel. Considering the exceedingly large crop this is a fair price. Potatoes are unusually good in quality. In town they are finding a ready sale at $1.00 a barrel.

HELPING THE CONSERVATIVSE

That great Liberal chieftain of the North Shore, (self styled) and member of the Hazen government, has renounced his Liberalism and according to the Woodstock Press, is to address a meeting at Johnville, Carleton county in the interests of the Conservative candidate.

MADE A GOOD IMPRESSION.

Mr. A. B. Copp, the popular representative of Westmorland, who appeared in the opera house on Wednesday evening, made a very favorable impression on the large and enthusiastic audience. All enjoyed his address very much, and on all sides his remarks are being commended.

SALE NOW ON.

The great fall clothing sale at Oak Hall is now on. The manager, Mr. McRae, says that the large advertisements placed in The Graphic and Events are bringing splendid results. These papers reach all the people on the north shore. No merchant can afford to neglect placing their announcements in the columns of these papers.

AN ENGAGEMENT.

An engagement which will be of interest to Canadians is that of Lady Violet Elliott, third daughter of the Earl and Countess Minto, to Capt. Lord Charles Francis George Fitzmaurice, of the 1st dragoons, second son of Lord and Lady Lansdowne, and A. D. C. to Lord Roberts. Lady Violet has sailed with her eldest sister, Lady Eileen Elliott, for India, where they will spend the winter with their parents.

ON THE RUN.

The local Tory leaders are on the run and are telegraphing and writing to all the big guns to come to Restigouche and help check the tide of Lieralism which threatens to wreck their hopes and to politically kill their candidate under such an avalanche of votes on the 26th as will keep him out of politics the rest of his life. Up to last evening they had poor hopes of receiving any assistance from outside, as all recognize the hopelessness of the fight in Restigouche and are using every effo. to save at least three seats in the province.

ILLEGAL HUNTING CASE.

The investigation of the charges of illegal hunting preferred by Mr. Henry Braithwaite, the well known guide, is set down for the 21st, at Newcastle. Mr. Braithwaite, who is at present in the city, thinks that a great mistake will be made if the inquiry is only allowed to go back to a period of six months. He does not think that he should be expected to engage counsel and go to all the expense of carrying on the prosecution in a case of game law violation. However, he has arranged to be at Newcastle on the 21st, and counts on having the support of the New Brunswick Forest, Fish and Game Association.—Fredericton Herald.

(From Saturday's Graphic.)

UNSANITARY HABITS.

The attention of the board of health is called to the unsanitary and disgusting habit of the inmates of a certain hotel, and also some private residences on Water street have of shaking their floor mats over the verandahs of the buildings, upon the heads of passers by. This is done morning after morning, scattering filth and disease germs in the air for the public to inhale. A severe warning from the police should regulate it.

STEAMER ARRIVED.

The steamer Fritz Hansen arrived in port last evening and will load lumber for the Shives Lumber Co.

TO CHANGE NAME OF P. O.

It is proposed to change the name of the Seven Mile Ridge post office, to that of Glen Rilla. The present name is very misleading, being several miles from the district known as Seven Mile Ridge.

P. O. FOR LILY LAKE.

A new post office is shortly to be established at Lily Lake, and the route will be by the new road to the Tobique thus connecting with the service to that district. The post office will likely be known as Glen Loch.

AT JACQUET RIVER

Miss Ultican will be in Jacquet River at the Bay View Hotel Sample Rooms on Wednesday and Thursday, Oct. 21st and 22nd, with a full range of up-to-date millinery, also the latest novelties in children's clothing.

HAUNTED HOUSE RESIDENT IN TOWN.

Mr. Jacob Thompson, of Dalhousie, was in town yesterday. Mr. Thompson is the man who says his house is haunted. Some of our Campbellton lads would like to spend a night in the vicinity with Jacob and hear the fun.

NEW POST OFFICE.

A new post office was opened yesterday about three miles east of Campbellton, to be known as McKinnon's Hill post office. The postmaster is Mr. John Callaghan, who is also contractor for carrying His Majesty's mail to and from Campbellton three times per week, on Tuesday, Thursday and Saturday. The first mail will be sent to that office today.

TWO TO ONE

Two gentlemen on the street yesterday were talking politics. One was an enthusiastic Liberal, but the other held the opposite view. The conversation grew warm as to the chances of the candidates in Restigouche and the discussion ended in a bet or a willingness to bet two to one on the Liberal candidate on the part of the gentleman of that persuasion. He offered to put up a large sum of money, but the young Conservative backed down, as he "had not the money to spare." That's right, young man, don't throw away your money foolishly.

SERIES OF HISTORICAL SERMONS

Rev. P. J. Stackhouse, B. D., will begin next Sunday at the morning services a series of historical sermons on the first three hundred years of Christianity. That age has been called the martyr age of Christianity and is the most fascinating in the history of the Christian Church. It records the conflict and triumph of Christianity over paganism, the great persecution in which thousands were thrown to the wild beasts, beheaded or burned; the story of the Catacombs and the doctrines, social and religious life of the early followers of Christ. The subjects will be as follows:

Oct. 18—The Jewish World.
Oct. 25—Religion and Philosophy in the Roman Empire.
Nov. 1—Moral and social life in the Roman Empire.
Nov. 8—The Conquest of the World by the Galilean.
Nov. 15—The Baptism of Blood.
Nov. 22—Biographical Sketches of Great Martyrs.
Dec. 29—The Catacombs.
Dec. 6—The Private and Public Life of Early Christians.

MEETING AT ROBINSONVILLE.

On the night of the 15th a meeting was held in the Liberal interests at Robinsonville, in the parish of Eldon.

It was presided over by Murdic Murray, J. P. The meeting was addressed by W. Currie, M. P. P., A. C. LeBlanc, K. C., and A. E. G. McKenzie. There was a very large attendance of electors, showing their interest in the present campaign by attending the meeting.

It is safe to say that after the treatment received from the presentlocal government in the matter of expenditures for roads, and bridges, as well as for general improvement of the settlement, that a larger vote than ever before will be polled in favor of the Liberal candidate, Mr. Reid.

A meeting was held last night at the hall at Flatlands, which the people say was the largest political gathering ever held in that section for years.

The meeting was addressed by W. Currie, M. P. P., and A. E. G. McKenzie. From all appearances Flatlands will poll at least two to one for the Liberal candidate.

T. WRAN'S NEW STORE.

T. Wran has opened up his ew drug store in the Dimock building and is now ready to attend the wants of the public. The fixtures have arrived and are now in position. There are six silent salesment of golden oak with bevelled glass tops and fronts, two wrapping counters. Mr. Wran carries a choice line of perfumes, hair brushes, soaps, rubber goods, pipe, tobaccos, cigars, confectionaries, etc. This stock of drugs are all new, fresh and are the very best on the market. The chemicals are Howard's (English) and Mercicks (German). Mr. Wran also carries Wyeth's and Park Davis & Co.'s fine pharmaceuticals, and is also the selling agent for the Eastmen Kodaks and supplies of which he has a large stock on display.

The new drug store presents a very neat and up-to-date appearance, and at night when the electric lights are turned on the effect is most pleasing. The main store is lighted by two clusters of four and five bulbs each, with prism glass shades and reflectors. The windos are bright and are lighted by four bulbs also prism glass reflectors.

Mr. Wran is to be complimented on the neat appearance of his store and the Graphic wishes him every success in his new stand.

(From Monday's Graphic.)

DIED.

At Dalhousie on Wednesday, October 14th, Theresa, Dousett, daughter of Mr. and Mrs. Joseph Doucett.

BORN.

GORHAM.—At Campbellton on Oct. 17th, to Mr. and Mrs. A. Ben Gorham, a daughter.

COMPLETED WORK.

The Restigouche Boom Company has completed its work and everything is snug for the winter.

COMPLETED WORK.

The Chaleur Bay Lumber Company's mill at Mission Point completed its season's work last week and the men have all gone to their homes.

WHAT A DIFFERENCE.

A year ago yesterday there was skating on Doherty's mill pond. Yesterday the southwest wind was warm, and there has hardly been a sign of ice yet.

OUT AGAIN.

Mr. Joseph Oldscamp, the popular postmaster at Cross Point, who has been laid up for the past week or ten days, is again able to be out and attend to his duties.

SAW TWO CONSERVATIVES

An ardent liberal was in Dalhousie recently and on returning to Campbellton made the statement that he saw only two conservatives in the shiretown. And he wasn't 'seeing things' either.

PRESENTATION.

Rev. P. J. Stackhouse, who has been preaching in the schoolhouse at Athol every Sunday since early in April, was presented by the people there with a gift of about fifty dollars as an appreciation of his services. A strong Sunday school was organized in the early summer and is being effectually carried on by the superintendent and teacher.

WELL RECEIVED.

Mr. James Reid, M. P., spent a portion of last week working in Campbellton, and was exceedingly well received. Many electors approached expressed the hope that he would be relected, to look aftr the interests of our harbor, and many, who voted for the Conservatives at the last election have pledged him their support.

Mr. Reid's chances of taking a big majority out of Campbellton, look exceptionally bright. And he certainly deserves it.

AN UNTIDDY STREET.

Water street is so untidy that a stranger, who had seen other towns, would compare it with a back woods road. Surely the commissioner can spare a man for one day at least during the week, to rake it up. There is a muddy hollow near the post office, that a few loads of gravel would easily remedy, but it has been in that condition all summer. The unsightly hollow in front of the Waverly has at last been filled in, but the proprietor had to do it at his own expense. Time can be found though to grade streets at the very back part of the town.

MARRIEDD.

A quiet but pretty wedding took place at St. Peter's church, Mal Bay, at 5 o'clock on Wednesdaw evening, Oct. 14th, when Miss M. E. Duncan, only daughter of Mrs. E. Duncan, of this place, was united in marriageto Mr. Arthur Bisson, second son of D. Bisson, Esq., of Paspebiac. Rev. Canon Walters officiated.

The bride who was given away by her bretheer, Mr. Charles Duncan, wore a travelling suit of navy blue, panama cloth, trimmed with braid, white silk blouse, and blue velvet hat with white plumes. Miss A. E. Allan, of Shigawake acted as bridesmaid, while Mr. Alexander Duncan, supported the groom.

The groom's gift to the bride was an Alaska sable stole and to the brides maid a gold lace pin set with pearls.

The bride was the recipient of many useful and valuable presents, including several cheques.

Mother Eve's life must have been perfectly miserable, said Chattington.

Why do you think so? queried the wife of his bosom.

There were no enighbors with whom she could gossip over the back fence, explained the ungallant man.

Jack—But I though you doted on Miss Peachley.

Tom—So I did—until I met her mother.

Jack—Well?

Tom—The old lady proved to be an antidote.

Honestly I feel sorry for you, said the angry husband scornfully. It's too bad that you haven't any sense.

Oh, it's too late for worry like that now, rejoined his wife, but it's too bad I didn't have any when you proposed.
