Hewson PURE WOOL Tweeds

Other fabrics come
into vogue and go out again,
but "good" Tweed is
always in demand.

It is an
acknowledged
fact that there is
nothing to equal the excellent,
substantial, pure wool Tweed for all-
round service. Next to no end of wear.

Professional and business men may prove how
"good" is Hewson Tweed by insisting on it for

vision the Government was defeated
by 48 to 18. The House adjourned

THIRTY ANIMALS
BURNED IN 'ZOO'

LONDON, Tuesday.—By a fire which
occurred in the Zoological Park, South
port, about thirty animals, including
two elephants, were asphyxiated or
burned to death. Nothing remains on
the site of the building in which the
animals were confined but a number
of charred upright poles and a smoul-
dering mass of cinders.

The gardens are visited by a quar-
ter of a million people each season,
and the Zoo was one of the principle
attractions.

The flames were first observed by
a policeman at a little after one o'-
clock in the morning, and within half
an hour, and before the arrival of the
firemen the entire wooden structure
which was covered with fetting and
had recently been tarred, was de-
stroyed. The flames, fanned by the
brisk northwest wind, spread very rap-
idly and when policemen and keepers
arrived it was found impossible to re-
scue the animals.

The valuable collection destroyed
comprised: Two elephants, blon, ze-
bra, dromedary, camel, llama, tapir,
nylghamantelope, two Shetland ponies,
two Nubian goats, two emus, two rheas
cosswary, three rilkw deer, fa-tul-
ed sheep, black-headed sheep, asie-
deer, two black bucks, number of
birds.

The female elephant was a splendid
Indian specimen, standing 8 feet 6
inches high, and the male elephant,
2 feet smaller, was a trained animal.
Apparently the latter had broken
loose from its tether at the commence-
ment of the fire, for its partly burned
carcase was found lying several feet
away from its stall. In half charred
condition, their tusks fell away to
dust on being touched. The blon was
stated to be the only perfect specimen
in England. A crane and two cages
were the only creatures to escape, and
these were subsequently recaptured.

Though a policeman was the first
to observe the fire, the first intimation
of the outbreak was given by a little
terrier belonging to Mr. Clifton Rid-
ing, manager of the Richmond Hotel
situated within the gardens. He was
awakened about one o'clock by his dog
scampering up and down the stairs
barking, as if he was alarmed, but he
paid no attention to it or the loud
trumpetings of the imprisoned ele-
phants in their terror until he was
called up by the fireman.

Mr. Nathan Yates, the proprietor of
the gardens, estimates the total dam-
age at 2,500 pounds, which is partly
covered by insurance.

Happily, the other portion of the
Zoo, which contained the lions and
tigers, was a quarter of a mile dis-
tant from the scene of the fire, and
quite escaped.

**McGILLICUDDY PLEADS
JUSTIFICATION OF LIBEL**

CALGARY, Tuesday.—In the McGill-
licuddy libel suit this morning a writ-
ten plea claiming justification on the
grounds of public good was entered.
Mr. Nolan, Counsel for Edwards, ob-
jected to the written plea. Mr. Dav-
said the defense will be that
Edwards was a degenerate, but not
the kind his learned friends mean.
The judge allowed the plea which
referred to Edwards, as degenerate,
disolute, and depraved. The jury
will be then chosen, and addressed
by Mr. Nolan.

**Heavy, Lassiude,
Drowsy and Dull.**

Do You Feel That Way?

How provoking these symptoms are!
You sleep well, but when you awak-
en there is none of that exhilaration
that sleep and rest should confer.
Instead of being alert, having quick-
ness of apprehension, there is lan-
guor, dullness, a drowsy feeling to do
things.

Three causes for this feeling:
Lazy liver, lazy kidneys, and a
mighty lax stomach which does its
work very poorly and compels the
other organs to do things they are
unequal to for any length of time.

Note the consequence—blood is
filled with wastes—poisons weigh
down the nervous system—rebuilding
processes are absolutely stopped.

You'll note an instant change when
you take Ferrozone.

Appetite improves, digestion be-
comes good as does the liver, steady
and clear, all sense of languor, un-
steadiness and depression fades away
and finally disappears.

Ferrozone clarifies the brain, sup-
plies tonic and vigor, imparts clear-
ness and strength. You feel like a
new person, full of life, full of ambi-
tion, ready to do things, and able
to do them also.

Think it over. Ferrozone is a tonic
that uplifts, rebuilds, that nourishes
and restores the sick by supplying
the elements their weakened system
need.

It can't help but do you good. For
men, women and children, in fact any-
one seeking strength and health, Fer-
rozone is invaluable; try it; sold by
all druggists in 50c. boxes.

A SOLID VOTE

A vote of the whole Dominion of
Canada to ascertain the best value to
be had in the newspaper line would
without question result in a solid vote
for the Family Herald and Weekly
Star, of Montreal. And, yes, five
times its present price it would still
be considered good value. In fact it is
just such a paper that most homes
would have at any price. It costs but
one dollar a year, and one can't go
wrong in giving it a trial. It already
reaches the majority of homes in this
country, and those who receive it
would not be without it.

SAD ENDING OF A HAPPY DRIVE

OTTAWA, Tuesday.—Lying side by
side in their caskets, the double "un-
der of Earl's caskets, aged 38, and
Miss Alma Miles, his affianced bride,
aged 18, took place at Sandy Creek,
near Brockville. Lovers through life
they were not parted in death, and
the last rights were said over the
altar banked with flowers where the
two white caskets rested. Driving to-
gether and discussing their coming
marriage, the carriage was struck by
a train and both were instantly kill-
ed.

it, so I gave it a trial. One small
bottle of it cured me. I believe Cham-
berlain's Cough Remedy to be the
best I have ever used." This remedy
is sold by all druggists.
