Rheumatism

I have found a tried and tested cure for Rheu-
matism! Not a remedy that will straighten the
distorted limbs of chronic cripples, nor turn bony
growths back to flesh again. That is impossible.
But I can now surely kill the pains and pang of
this deplorable disease.
In Germany—with a Chemist in the City of
Darmstadt—I found the last ingredient with
which Dr. Shoop's Rheumatic Remedy was made
a perfect, dependable prescription. Without
that last ingredient, I successfully treated many,
many cases of Rheumatism; but now, at last, I can
formally cure all curable cases of this nerve-racking,
much dreaded disease. These and like granular
wastes, found in Rheumatic blood, men and women
and have away under the action of this remedy as
they do from the system, and the cause of
Rheumatism is gone forever. There is now no
real need of actual exercise to suffer long with
out help. We sell, and in confidence recommend

Character by the Hair

Hands, feet, eyes, fingers—all have
been used as delineators of character.
And now it is the turn of the hair.

Dull black hair is said to denote a
jealous disposition and a tendency to
treachery.

The lighter the color of the hair,
the more sensitive is the owner to
criticism, and the more quick to feel
real or fancied injuries.

The possessor of brown hair of a
good deep color and firm texture is
usually distinguished by good judge-
ment, good reasoning power and
plenty of common-sense.

Women with red hair, though some-
times too impulsive and outspoken,
are, as a rule, truthful and honest,
with fair common-sense. They are
usually the brightest, sunniest and
gentlest of mortals.

A woman with straight and "un-
yielding" hair, particularly if dark in
color, has a firm and highly
principled nature. She is determined
perhaps even a little obstinate, but
in the main extremely dependable.

What Dreams Mean

Barn.—To dream you see a barn
well filled with corn is good. It
foretells riches and great prosperity
to the dreamer.

Clouds.—To dream of white clouds
signifies prosperity. To dream of
clouds very high in the heavens de-
notes that you will travel shortly, or
that someone that has been absent
for a long time will return.

Complexion.—To dream you see
an unknown person of dark complexion
is a sign of glory and honor and
success in business.

All we Like Sheep

The mighty trouble has been in
every age that the world is timid. Al-
so the world is so imitative, too lack-
ing in originality and initiative. I

once saw a flock of sheep, five thou-
and of them, drift up against a little
thread of a stream not six inches wide.
They balked and clotted and bunched
into a woolly mass, not one would
jump. I left them sidling along that
six-inch stream as utterly unable to
cross as though they had encountered
the Missouri during a June rise. And
as I left them, installed at nothing, I
could not avoid the reflection, "How
like the way of the world!"—Alfred
Henry Lewis in Farm and Fireside.

If your Stomach, Heart or Kidneys are
weak, try at least, a few doses only of
Dr. Shoop's Restorative. In five or ten
days only, the result will surprise you.
A few cents will cover the cost. And
here is why help comes so quickly. Dr.
Shoop doesn't drug the Stomach, nor
stimulate the Heart or Kidneys. Dr.
Shoop's Restorative goes directly to the
weak and failing nerves. Each organ
has its own controlling nerve. When
these nerves fail, the depending organs
must of necessity falter. This plain, yet
vital truth, clearly tells why Dr. Shoop's
Restorative is so universally successful.
Its success is leading druggists every-
where to give it universal preference. A
test will surely tell. Sold by all dealers.

The Allments of Women

The girls and women who suffer with
what they think as "Female Trouble"
would look to their kidneys, they'll soon
find the source of their ill-health. The
The kidneys are closely allied with the
female organs, and if the vitality of the
kidneys is interfered with, great suffer-
ing occurs. There is no better medicine
than Dr. Hamilton's Pills,—they
stimulate and strengthen the kidneys,
assist other organs to do Nature's work,
cleanse the system and thereby maintain
perfect health. Great benefit and cer-
tain cure is guaranteed for all women
who use Dr. Hamilton's Pills.

GROUP

"The Future is Not With War"

The future is not with war. It is with
arbitration. It is with any form of coe-
rative institution. It is with persuasive,
reasoned forces of Government, inter-
preting the enhanced moral sense, the
less aggressive, the more reflective and
tempered qualities of mankind. Much
that we call decadence is precisely this
more rational outlook on the problem of
existence. The gradual conquest of na-
ture, the passion of curiosity that our in-
creasing closeness to her secrets inspires,
the admission of the laboring classes to
a share in the leisure and pleasure and
treasure of civilization, the increased
conjunction of all classes, growing with
their growing knowledge of the internal
evil of the community, create bodies of
opinion too intelligent and too refined to
give themselves up to the gross waste
and cruelty of war.

It is not even true that the Europe of
today exists on force. The smaller Pow-
ers do without it. For generations they
have rested on treaties, not on arma-
ments, on paper guarantees which the
great Powers at once supply and re-
spect. And in the larger States the de-
mands of the war services and the
requirements of social reform are meeting
each other as determined enemies, one
or the other of which must give way.—
London Nation.

It is of no consequence now good a
man is abroad if he is really mean at
home.

Home is the residence not merely of
the body, but of the heart; it is a place
for the affections to unfold and develop
themselves; for children to love, and
learn, and play in; for husband and
wife to tell smilingly together, and
make life a blessing. The object of all
ambition should be to be happy at home;
if we are not happy there we cannot be
elsewhere; it is the best proof of the vir-
tues of a family circle to see a happy fire-
side.

A man and wife when irritated
often say things to each other for which
they are sorry the next morning, but
pride often keeps them from confessing
their faults, and the little differences
grow until a divorce suit or an assault
and battery case results. When you have
made a mistake, be a man or woman
enough to ask forgiveness, and you will
sail along on flowery beds, of ease in-
stead of jolting over the rocky beds of
discord.

In too many families the mother assumes
the care of everything and her daugh-
ters are but gentle loungers in the
household. The work which could be so
easily and quickly done if each bore a
share, is left for the hands already weak-
ened by heavy burdens, and when at
last the poor household drudge dies at
her post, she is remembered with pity
not unmixed with contempt because she
resigned her post of ruler of the house-
hold to become its slave and her daugh-
ters among Our Households.

Man is naturally a home-loving an-
imal; in fact most animals are home-
loving. And when a man asks a woman
to share his life, it is usually taken as a
general oversight of his affairs and a
special oversight of himself. He likes to
know that she does things for him just
for the reason that she loves him and his
well-being. He loves his home more if
there is some impress of her personality
upon it. He likes best the meal she pre-
pares for him. Of course, he says very
little perhaps nothing of all this being of
man.
