POETRY.

THE MECHANIC.

I am Nature's own nobleman, happy and free,
A peer of the realm might well envy me,
For the land of the free has given me birth,
And my sons are all freemen that meet round my hearth.
Your cities now rising with beauty and might,
Whose palace-like towers are fair to the sight.
My hand helped to build them, my strength lent its aid,
And by the sweat of my brow your proud cities are made.
The ship that sweeps proudly o'er the far-spreading sea,
Has been timbered and fashioned by the labor of me,
And the pure massive marble that strikes on the view
Is chiselled and formed by the artisan too.
The smith as he hums o'er his anvil a glee,
He toils not for happiness or power—not he;
He dreads not lost office, he seeks none to gain;
And the smith is a king in his own proud domain.
The bravest of men from mechanics have sprung,
And the sweetest of lays mechanics have sung,
And the proudest of hearts mechanics should wear,
When conscious of right in their bosoms they bear.

WISDOM.

Ah! when did wisdom covet length of days,
Or seek its bliss in pleasure, wealth, or praise?
No! wisdom views with an indifferent eye,
All finite joys, all blessings born to die.
The soul on earth is an important guest,
Compelled to starve at an unreal feast;
Or sparks that upward tends by nature's force,
A stream diverted from its parent source;
A drop dissevered from the boundless sea,
A moment parted from Eternity!
A pilgrim panting for a rest to come,
An exile anxious for his native home.

THE EARL OF ALDBOROUGH

CURED BY

HOLLOWAY'S PILLS!

The Earl of Aldborough cured of a Liver and Stomach Complaint.

Extract of a Letter from the Earl of Aldborough, dated Villa Messina, Leghorn, 21st February, 1845.

To Professor Holloway.

SIR,—Various circumstances prevented the possibility of my thanking you before this time for your politeness in sending you an order for the amount, and at the same time, to add that your Pills have effected a cure of a disorder in my Liver and Stomach, which all the most eminent of the Faculty at home, and all over the Continent, had not been able to effect; nay! not even the waters of Carlsbad and Marienbad. I wish to have another Box and a Pot of the Ointment, in case any of my family should every require either.

Your most obliged and obedient servant,

(Signed) ALDBOROUGH.

Wonderful Cure of Dropsy of Five Years' standing.

Copy of a Letter from Mr. Thomas Taylor, Chemist Stockton, Durham, 17th April, 1845.

To Professor Holloway.

SIR,—I think it my duty to inform you that Mrs Clough, wife of Mr. John Clough, a respectable farmer of Acklam, within four miles of this place, had been suffering from Dropsy for five years, and had had the best medical advice without receiving any relief. Hearing of your Pills and Ointment, she used them with such surprising benefit that, in fact, she has now given them up, being so well and quite able to attend to her household duties as formerly, *which she never expected to do again.* I had almost forgotten to state that she was given up by the Faculty *as incurable.* When she used to get up in the morning it was impossible to discover a feature in her face, being in such a fearful state. This cure is entirely by the use of your medicines.

I am, Sir, yours, &c.

(Signed) THOMAS TAYLOR.

A Cure of Indigestion and Constipation of the Bowels.

Copy of a Letter from G. R. Wythen Baxter, Esq., Author of the "Book of the Bastile," &c.

The Brynn, near Newtown, Montgomeryshire, North Wales, March 3, 1845.

To Professor Holloway.

SIR,—I consider it my duty to inform you that your Pills, a few boxes of which I purchased at Mr. Moore's, Druggist, of Newtown, have cured me of constant indigestion and constipation of the bowels, which application to literary pursuits had long entailed upon me. I should strongly recommend Authors, and studiously disposed persons generally, to use your valuable Pills. You have my permission to publish this note, if you wish to do so.

I am, Sir, your most obedient servant,

(Signed) G. R. WYTHEN BAXTER.

A Cure of Asthma and Shortness of Breath.

Extract of a Letter from the Rev. David Williams, Resident Wesleyan Minister at Beaumaris, Island of Anglesea, North Wales, January 14, 1845.

To Professor Holloway.

SIR,—The Pills which I requested you to send me were for a poor man of the name of Hugh Davis, who, before he took them, was *almost unable to walk for the want of breath!* and had only taken them a few days when he appeared quite another man; his breath is now *easy* and *natural*, and he is increasing daily in strength.

(Signed) DAVID WILLIAMS.

N. B.—These extraordinary Pills will cure any case of Asthma or Shortness of Breath, however long standing or distressing the case may be, even if the Patient be unable to lie down in bed through fear of being choked with cough and phlegm.

WORMS! WORMS!! WORMS!!!

KOLMSTOCK'S VERMIFUGE.

This remedy for Worms is one of the most extraordinary ever used. It effectually eradicates worms of all sorts from children and adults.

Thousands perish by worms without the real cause being known. Some other reason is assigned for their sickness, until too late to cure the true cause.

What immense responsibility than rests upon the parent who does not know, and the doctor who does not understand the complaint, which is destroying those precious flowers of life—children.

What should be done?

The answer is plain; give this Vermifuge, which will be sure to do good, if they have no worms, and if they have, it will destroy and eradicate with a certainty and precision truly astonishing.

It cannot harm the smallest infant or the strongest adult. There is no mercury or mineral in it. Mercury is the basis of most worm remedies; and the remedy is sometimes worse than the disease. So never use lozenges but rely upon this. Every person will be convinced on one trial that it is the most perfect cure ever invented.

We call on all good citizens to make known the effects of this wonderful remedy.

Price 25 cents.

Sold by COMSTOCK & ROSS, No 19 Tremont Row, Boston, and by *Messrs. Currier & Tredwell*, only Agents for Fredericton.

BLESSING TO MANKIND.

CONNELL'S MAGICAL PAIN EXTRACTOR.

This great Healing Salve is acknowledged by all who have used it, to be the most wonderful article ever known. It expels all injuries by fire, extracts all pain, and prevents mortification in every case. It will cure any of the following complaints, or pay is refused it.

Burns, Old Sores, Erysipelas,
Scalds, Bruises, Chafes,
Salt Rheum, Scrofula, Wounds,
Eruptions, Sore Eyes, Piles,
Chilblains, Cold in Wounds, Tender Feet.

It cures sore eyes, eases cancers, frequently removing them without pain or agony, speedily allays inflamation and reduces swellings, and is a salve none should be without. The following remarkable case was furnished us quite recently, and hundreds of other, equally ownderful, (many even more so) might be added, but for want of room we leave them out.

A child, a nephew of a friend of mine, steeped into a vessel of boiling water, and scalded its leg up to the knee, when Connell's Pain Extractor from Comstock's, was applied, which almost instantly gave relief to the little sufferer, and soon entirely cured it. Also, a child of my own burned its hand severely, and I used this Salve, which gave instant relief, and cured it entirely, and I for one could not be induced to be without it, I think every family should always keep it on hand to use in case of such accidents.

REMARKABLE CURE FOR DEAFNESS.

(From the Philadelphia Spirit of the Times.)

Mr. N. P. Lyman, 52 Commerce street, was cured of a total deafness of fifteen years standing, by a few flasks of Dr. McNair's Accoustic Oil. He had a short time before returned from Boston, where he had spent $75, had the tonsis of his ears taken out, and many other experiments tried with the faculty, but without success. He had also spent over $100 in the city, to the faculty, but he was left in the same state when they were through. He then in despair thought he would try one more thing before he gave up, and procured a flask of Dr. McNair's Acctustic Oil, and he is cured.

Sold by COMSTOCK & ROSS, No. 19, Tremont Row, Boston, and by *Messrs. Currier & Tredwell*, only Agents for Fredericton.

THE NAPLES HAIR DYE.

For some unaccountable reason, for the last one or two years, many young people, both male and female, have had the misfortune to have their hair turn permanently gray. We have been frequently applied to for something to turn the hair back to its natural color, which has induced us to go to much trouble and expense in order to furnish our customers and the public generally with a new and improved Hair Dye—one that is nearly effectual, and not the least injurious to the head or hair, for the moderate price of 50 cents per bottle. We have succeeded beyond our expectations. This article we offer to the public with confidence. We have had it thoroughly tested, time after time, before we could offer it for sale. The price is such that all can afford to use it, and its quality we believe to be superior to any ever before made.

Sold by *COMSTOCK & ROSS*, No 19 Tremont Row Boston, and by *Messrs. Currier & Tredwell*, only Agents for Fredericton.

B. A. Fahnestock's Vermifuge,

The safest and most effective remedy for Worms that has ever been discovered.

THIS preparation has now stood the test of several years trial, and is confidently recommended as a safe and effectual medicine for expelling worms from the system. The unexampled success that has attended its administration in every case where the patient was really afflicted with worms, certainly renders it worthy the attention of Physicians.

The proprietor has made it a point to ascertain the result of its use in such cases as came within his knowledge and observation—and he invariably found it to produce the most salutary effects—not unfrequently after nearly all the ordinary preparations recommended for worms had been previously resorted to without any permanent advantage. This fact is attested by the certificates and statements of hundreds of respectable persons in different parts of the country—and should induce families always to keep a vial of the preparation in their possession. It is mild in its operation, and may be administered with perfect safety to the most delicate
