

NEW ADVERTISEMENTS.

THIRD PAGE.

Mortgage Notice. Wm. Wilson Telephone No. 2. N. B. Telephone Co.

LOCAL NEWS.

AN ERROR.—In the list of affluent men in last week's issue of The Herald, W. H. Sewell was mentioned. It should have been W. H. Scully.

INTERESTING ADDRESS.—Rev. Oscar Grandlund gave some interesting particulars regarding the great missionary movement, and its progress, at the Methodist church, Friday evening.

ANNUAL PICNIC.—The Marysville annual picnic will be held on Wednesday next, July 1st, at the Portage. The train will leave Marysville at 8 o'clock, a.m. Fare for the round trip, 50 cents.

LOOK SHARP.—J. A. Vanwart is busy revising the voters lists under the dominion franchise act. Those wishing their names added to the list, or to be transferred, should attend to the matter at once.

WILL REMAIN.—Most of our citizens, and the remaining public will be pleased to learn that John A. Edwards of the Queen hotel has decided not to dispose of that well-known hostelry but will continue to run it as formerly.

RECEPTION.—The W.C.T.U. and the Y's held a reception at the temperance hall yesterday afternoon. A large number were present. Addresses were delivered by Miss Tilley and Miss Scott, the editor of the Woman's Journal.

TOUR.—We have received from the U. P. R. Co. their list of excursion routes. It is neatly gotten up and is a handy compilation of routes and fares. Those contemplating a touring season should procure a copy.

COMING.—Bradley's players are to appear in Fredericton July 8th and 9th, in their two specialties "My Partner and Aunt Jack." Miss Grace Hamilton, formerly of Southampton, is the leading lady, and Edmund Collier the leading man.

BOUGHT "THE BEACHES."—It is stated that a company of Americans have purchased from the Merchants' bank of Halifax the hotel at Richibucto known as "The Beaches," and that they will fit it up and run it this summer. The price paid is said to be in the vicinity of \$3,000.

DOMINION DAY.—The park association management are arranging a gala day on the track on the 1st of July. The amusement consisting of two or three good horse races, three bicycle races, and a match game of base ball. The track will be put in first class condition for the bicycle races and a good time may be expected.

CONTRACT AWARDED.—The board of school trustees have awarded the contract for the erection of the York street school to Geo. McArthur, of St. John. His price was \$20,570. J. Limerick's figure was only \$20 more than McArthur's tender. Thus our Fredericton builders have again been boycotted and the contract given to St. John.

NEW TIME TABLE.—By reference to our advertising columns travelers will do well to note the new time table of the Canadian Eastern railroad. The passenger train leaves this city at three o'clock in the afternoon, arriving at Boiestown at 5:30; at Blackville, 7:25; and Chatham at 9:15. A train leaves Chatham at 7 a.m., reaching Boiestown at 10:25 and Fredericton at 1 p.m.

IN LUCK.—The Vancouver World says: E. E. Phair, who has been in Vancouver some time and made himself extremely popular, left to-day (June 13) for Nelson, where he will assume charge of the hotel now in course of erection by the big syndicate. Nelson is lucky for the time proprietor of "The Beaches" will give it such a hostelry as will any give in the interior. The private secretary accompanied his father.

ASPHALTING.—Ald. Gilman and roadmaster McKay had better get a "move on" in the matter of asphaltting. The coal tar and other asphaltting materials procured by the road committee they would find in a position to do the work themselves instead of letting it out by contract, has been for some time stored in the water works yard, but as yet no commencement has been made on the work. This matter should be attended to at once.

MILKMAID'S SOCIAL.—The young ladies and gentlemen of the Baptist church held a very successful Milkmaid's social in the Temperance hall on Thursday evening. The F. O. M. W. orchestra was present, and discarding an excellent program of music. An impromptu dairy was erected at one end of the hall, where some young ladies made butter and kept the company supplied with butter, which was passed round by the milkmaids and cowboys.

MONKTON COTTON MILLS.—The alarmists who predicted, about election time, that the new management would close the Monkton cotton mills, made a great mistake. Under the management the works have been running steadily and about \$1,200,000 worth of additional machinery, some of it from upper Canadian mills, has been set to work. The Monkton mill is now turning out very superior goods and the new owners are evidently well pleased with the facilities for manufacturing here—Monkton Times.

TO BE CONFISCATED.—A Boston despatch of the 24th says: "The district attorney's office has been asked to take steps for the confiscation of a large lot of valuable granite shipped to this port by the New Brunswick red granite company, of St. John, N.B., and seized by customs officials in April last. The treasury department refuses to take any steps looking towards the return of the property of the importers upon payment of the duties, and the granite will go through the courts and be confiscated. It was to go originally to Chicago."

NARROW ESCAPE.—John Lockhart of this city had a narrow escape from drowning on Saturday last. He was swimming in the river near the "flat," and when out quite a distance from the bank, he called his dog, which was on the bank. The dog swam out to him and placed its arms on his neck. John was already tired with his long swim, and not being able to bear this additional weight, he sank to the bottom. Some ladies who were near, called the dog, and Jack made the best of his way to the shore. There is no doubt that if the other ladies had not been there, he would have been drowned.

MARRIED AT SPRING HILL.—The residence of the bride's father at Spring Hill on Wednesday, Rev. F. D. Crawley united in holy bonds of wedlock, Miss Ida Campbell and E. W. Henry, V. S. of this city. The invited guests numbered about fifty. The presents were many and costly consisting of a handsome silver service, a silver cake basket, a fruit dish, a marble clock, a handsome lamp and many other articles. After the wedding, the company sat down to a bountiful repast to which ample justice was done by every one.

DEATH OF MISS HOWIE.—We regret to have to record to-day, the death of Miss Margaret A. Howie, who died at the residence of her father, James R. Howie, at six o'clock Tuesday morning. For the past nine months the deceased had been confined to her bed, and her death had been hourly expected for two or three days. Mr. Howie has the sympathy of all in his bereavement. The funeral was held Thursday afternoon, and was largely attended.

Sports at the Fredericton Park.

The Fredericton park association will have a good afternoon's sport on dominion day. Some of the best horses in the city are entered in the different races and good contests may be looked for. The St. John bicycle club will be present and will compete in the several races. Every one should give the park management the encouragement they deserve and help to make the affair a success. Following is the program:

3 YEAR OLD RACE. Hon. A. G. Blair's b m Sybil. A. N. LaForest's b s Sir Whisk. 3 MINUTE CLASS. J. D. Hanlon's bk m Nellie H. Geo. W. Ross' g m Lincoln Lass. J. Morrison's bk m Lee Robbie.

5 YEAR OLD RACE. J. M. Wiley's b m Clydes (1070) 2-41. D. F. George's bk g Geo. All Right 2-41. W. P. Flevelling's g m Dread.

1 mile dash—Open to safety machines, and persons who have ridden the present season only. 1 mile dash—Open to any rider with high wheel machine.

A game will be played between the Imperials of St. John and the park association club. The fullers band, which accompanies the Old Fellows' excursion from St. John, will play on the grounds during the afternoon. Gates will be open at 1 o'clock, p.m. Admission—Gentlemen, 25 cents; boys, 15 cents. Ladies free. Carriages free. To grand stand, 10 cents.

The Fredericton rifle club held a successful "shoot" on the range last Saturday, the leading scores being: Perkins, 82; Sgt. Duncan, 72 and P. H. Risten, 70. Yesterday a match was shot between the non. coms. and privates of the Infantry School, seven men a side, which was won by the former as follows:

Table with 2 columns: Name and Score. Sgt. Duncan 74, Sgt. Fowle 73, Sgt. Walker 69, Corp. Shaw 68, Sgt. Long 68, Sgt. Wilson 62, Sgt. Offen 42. Privates: Pte Young 64, Burns 63, Curtin 62, Carson 62, Doyle 60, Worth 47, Doran 30.

It would be more in accordance with the spirit of things if the commissioned officers of the school would show some interest in the shooting practice of the men. This they have never done since the school was established, and consequently, the marksmanship of the men, with few exceptions, is far below what it ought to be. What is the use of spending the people's money to turn out soldiers if they are not taught how to use a rifle.

Grand Lodge I. O. G. T. This twenty-first session of the grand lodge of New Brunswick, I. O. G. T., will meet in this city on July 7th. Each subordinate lodge is entitled to one representative for every fifty members, two for over fifty and three for over 100. Excursion rates have been arranged with the various railway and steamboat lines. Each representative must obtain a certificate from the grand secretary. A committee composed of Geo. J. Colter, J. D. Esley, D. G. T., Miriam Hovey, Mrs. T. H. Colter, N. J. Smith, Geo. Haviland, Rev. S. D. Irvine, Justin Birt, assisted by T. H. Colter, M. P. P., grand master, who will make all necessary arrangements for the reception of delegates and members who attend the sessions.

At the session last year the grand lodge appointed W. R. Robinson, of Newcastle, grand secretary and lecturer, at a salary of \$1,000. The wisdom of paying so high a salary was questioned by many at the meeting, but more zealous workers carried their point, and Mr. Robinson was appointed. The result of his labors have been such as to justify his appointment. Since entering the field he has been instrumental in forming fifty lodges in different parts of the province, and he has added to the membership about 2,500 names. It is understood Mr. Robinson will be induced to continue in this position and it is proposed to increase the salary to \$1,500 next year.—Telegraph.

I. O. O. F. Excursion. The Telegraph says a most enjoyable excursion to Fredericton has been arranged for dominion day, by Canton La Tour, No. 1, Patricias Millant, Independent Order of Old Fellows. A special train has been engaged from the C. P. R. to leave St. John depot at eight o'clock, a.m., local time. As there are to be no stoppages the excursionists will make the fast time of two and a half hours in reaching Fredericton, and as they do not leave before seven in the evening, a long day can be spent in that delightful town. At this time of the year Fredericton is looking at its best. The celebrities are arranging for a base ball match, bicycle races, etc., so there will be lots of amusements.

The ladies of the Methodist church have arranged to give dinner and tea on Sunday beautiful grounds, and expect to have a representative on the train to dispose of tickets—their grounds are very centrally situated and those who take advantage of their offer will not be turned away hungry.

Band Concert. On Monday evening the Fredericton brass band will play the band stand on the parliament square, and discourse a select program of music. This is the first of the season, but it is to be hoped that it will not be the last. Following is the program: March—Jot Black. Bennett. Waltz—Rich and Rare. Round Schottische—The Foresters. Gorton Quadrille—Pandora. Round Quick Step—Chevalier. Lewis. General—Twinkling Stars. Southwell Polka—X Y Z. Inter Waltz—Fair and Faithful. Round Schottische—Dorby and Joan. Inter Galop—Favorite. Petter.

Methodist Conference. The N. B. and P. E. I. Methodists are in session at St. Stephen. A number of ministers and laymen from this district are in attendance. The membership of the church as made up this session is 2,150, an increase of 95. St. John district—2,584, a decrease of 84 as compared with last year. Fredericton district—2,150, an increase of 95. Miramichi district—789, an increase of 22. Sackville district—2,135, an increase of 185. St. Stephen district—734, a decrease of 21. P. E. Island district—3,117, a decrease of 5; making a total of 11,519, an increase of 148 over last year.

Accident. A serious accident occurred at Upper Maugeville at 7 o'clock Sunday evening. Wm. DeVeber and his two daughters were driving to church when the horse shied at a dog, upsetting the carriage and throwing the occupants out on the pile of rocks. The younger Miss DeVeber had one leg broken above the knee and was otherwise badly injured. Her sister, besides being badly shaken up, was seriously cut about the face and arms. Mr. DeVeber escaped with slight injuries.

PUBLIC EXAMINATIONS.

The Closing Exercises—A Large Number of Visitors Present.

The public closing exercises of the different city schools were held yesterday. The walls of the different schools were decorated with maps and drawings executed by the pupils. At the Model school the exercises in the principal's department were of a purely Canadian character, consisting of lessons in Canadian geography, history, etc. In the reading room, adjoining the principals' room, numerous free hand drawings were on exhibition. The blackboards of Mr. Rodgers department, as well as that of Miss Ross, were handsomely draped with curtains which added greatly to the general appearance of the room.

At the Regent street school the exercises were very interesting. This school won the large flag presented by J. W. McCreedy for the best school in the city with an average of 84.10. Charlotte street school came second with 81.65, and York street school third with 79.15.

At the Collegiate school the large assembly room in which the closing examinations were held, was well filled with visitors. The room was draped with flags and presented a good appearance. A great deal of work was done over. In this school no honor certificates were awarded but diplomas were presented to the graduating class: Messrs. H. McKee, G. Cliff, A. Hoben, W. Long and Misses Jolyon, Miles, McCall, Mcintosh, McKee, Mac Coy and Porter, six sons, Taylor and Thompson. The prize of books in the first class was won by W. Roberts, and that in the second by Miss Tibbitts. Miss M. McIntosh won the third class prize, the Douglas silver medal. A supplementary prize of a set of books was awarded by a friend to Miss Sadie Thompson in consideration of the close competition between her and Miss McIntosh, there being less than one point between them. The mathematical prize of books was won by Miss Taylor and the bronze medal for English by Miss Sisson, who stood one point in advance of Miss Taylor.

In the other schools the exercises were of a similar character. The following is the honor roll of the different schools: Model School. Mr. Rodgers' department—Roy Vanwart (number 582); Sadie Sterling and Mary Gunder, each 580; Sadie Thompson and Sidie Everett, each 578. Miss Ross' department—Helen Martin, 565; Hamilton McKee, Mae Coy and Laura Smith, each 583; Louisa Seges, 578; Estella Vanwart, 577; Hazel Coy, 576; Estella Sterling, 575. Miss Harvey's department—Edna Golding and Edna Coburn, each 595; Bertie McMurray, Laurier Babbitt and Robbie Vandine, each 593; Mattie Cameron and George Palmer, 591; Elver Hood, 590.

Charlotte Street School. Mr. Kilburn's department—Alice Burpee, 594; Lorne Fowler, 589; Carrie Babbitt, 581; Bella Massey, 575. Miss Thorne's department—Edith Hilliard, 591; George Ferguson, 585; Lewis Long, 584; Stella Sherman, 583; Jane Strong, 580. Miss Ross' department—Margaret Phair, 600; Mary Millan, 598; Gerlie Fenety, 597; Lucy Brannen and Lullia Fisher, each 595; Lillie Millan, Alice Brannen and Sam Lockhart, each 591. Miss Hunter's department—Robert McLenihan, 579; Wesley Parker and Stearns Morrell, each 577; Joe McLenihan and George Massey, each 575; Charles Brannen, 568. Never absent—John McLenihan and Stearns Morrell.

Never tardy—Leonard Coombes, Alice Pollock, Wesley Parker, Bruce Grant, Stearns Morrell, Ellie Stopford, Robert McLenihan, Donald Campbell, Henry Morrell, Hallingworth Wandless, Maud Craig, Fredrick, N. J. Smith, Geo. Haviland, Rev. S. D. Irvine, Douglas Biggs, James Rodgers, Florrie Cathels, Edmund Cathels, Charles Babbitt and Carl Dickinson. Miss McArthur's department—Bella G. Cassidy and Gertrude O'Brien, each 593. Miss Bourgeois' (St. Regina) department—Nellie Cain, 589; Agnes O'Brien, 587; Florrie Sewell and Annie Burns, each 586; Agnes Farrell, 583; Gerlie Brown, 581. Miss Duff's department—Arthur McNeill and Frank O'Brien, each 591; Harry Lynn, 580; Willie Shea, 574; James Burns, 572.

In the afternoon the examination at the Morrison's mill and Wisley schools were held. The following is the honor roll: Morrison's Mill School. Miss Hooper's—Annie Dunn, 583; Frank Duffie, 581; Nellie McKay, 548; Lydia Godsoe and Minnie Kelly, each 535. Wisley School. Miss Nicholson's—Gertie Rowan and Ethel Gramble, each 516; Alfred Wisley, 510; Maggie Rowan, 504; Arthur Rowan, 498.

The Infantry School Band. To The Editor of The Herald. I would like through the columns of your paper to ask a few questions to my friend of the military band of this city. Can one of these so-called friends of that band state the reason why a purely military band is allowed to turn out in their military uniform, and head a procession, none of the members of which are in any way connected with the military organization to which the band belong? And would that friend also state why it is that the public are to be so imposed upon when they should attend any festival or other entertainment of the Fredericton firemen, as to be obliged to listen to the "music," such as that band does on numerous occasions give to the public? I would like to know why it is that a band of the strength of the military band that are practicing a great deal of the time, do not give to the public better music than they do now. When at festivals, if that band would spend more of their time in endeavoring to discourse decent dancing music, and less at drinking intoxicating liquors, and if the leader, "Prof." Hayes, would spend more of his time learning the large repertoire of music under the direction of the band superior to his own in every particular, except in that of drinking, the public would be better satisfied. I learn that the firemen of the city have arranged to take the military band over to Monkton with them on the 1st of July, which is entirely against the strict military rules in regard to a matter of that kind.

Now, Mr. Editor, some persons may think that this is written by a member of F. B. band, but it is not. It is written by one who thinks that a band of mechanics who pay taxes to the city, should be given the preference to a band of government "pauers," men who get paid by the government for doing nothing, and who are now trying to ruin the citizens' band. If the citizens of our city have not more fair play about them than to hire the military band in preference to our own, they should be taught some. DISEMPOWER.

At the Opera House. The Redpath concert company appear at the Carlton street opera house to-night. They are a first class body of artists and should have a good audience. In speaking of the whistling soloist, Miss Ella M. Chamberlain, who is the different part in "Flor di Margherita," a perfect melody in music in exact union with the orchestra, was wonderfully accurate. The audience gave royal applause to her appreciation, and her encore selection was "The Mocking Bird," every trial and intonation of sound perfect, holding the audience all the while in the silence of delighted expectancy.

Tariff Changes. The following tariff changes have come into effect: Sugar, direct importation, not over No. 14 Dutch standard, free; indirect, 5 per cent; over No. 14 and all refined 8-10th cents per pound. Molasses and syrups—Forty to fifty-six cents, 15 cents per gallon; one-fourth cent additional for each degree under; for all indirect, 24 cents per gallon additional. Glucose and glucose syrup, 15 cents per pound. All syrups increased 12 cents per gallon and all syrups 20 cents.

All tobacco and snuff increased 5 cents per pound. Salt, coarse, fine and in bags, reduced one-half.

W. C. T. U. Convention. On Monday the Dominion convention W. C. T. U., which opened on Friday at St. John, closed on the following officers: Mrs. J. Youmans, Toronto, hon. president. Mrs. (Judge) Steadman, Fredericton, president. Mrs. (Judge) Foster, Knowlton, P. Q., president of the different part in "Flor di Margherita," a perfect melody in music in exact union with the orchestra, was wonderfully accurate. The audience gave royal applause to her appreciation, and her encore selection was "The Mocking Bird," every trial and intonation of sound perfect, holding the audience all the while in the silence of delighted expectancy.

PERSONAL. Concerning People Known to Most Readers. Among the strangers in the city this week, we note the M. J. McEwen, leader of the democratic party in the Massachusetts house of representatives. He is the guest of his aunt, Mrs. Wm. Jennings. The Rev. Mr. Allison, of St. Martins, N. B., will occupy the pulpit in St. Paul's church to-morrow. Hon. A. F. Randolph has returned from Boston.

Marysville Notes.

An interesting event took place at the residence of Mr. Good, on Wednesday last, by which his eldest daughter, Ada, and Mr. Hoyt, of Miramichi, were made man and wife. Rev. Mr. Nobles performed the ceremony. Marysville lodge, R. T. of T., paid a visit to Peniac lodge on Saturday evening last. Blanch Wheeler took the pilgrims up in his bus and a very pleasant time was spent. Howard Merritt, of Houlton, Me., paid a flying visit to our town this week. He was warmly welcomed by his numerous friends.

A party of young people held a picnic on Friday last at a point on the Canada Eastern railway. One young lady had the misfortune to have her ankle badly sprained. Another of those interesting events took place on Tuesday when Warren Capen led the altar Miss Sarah McSorley. Both the parties are well known, and every person wishes them a happy married life.

Miss Minnie and Lizette Moore, of this place, left Monday morning for Lewiston, Me., where they will reside in the future. Both were very popular young ladies, and will be greatly missed by their friends and associates. Miss Mabel Dunphy also left on the same evening for the same place. Mr. Gibson is adding considerable machinery to the cotton mill, which will facilitate his operations. All the mills are now running in pleasant time was spent.

The water in the Nashwaak is so low at this point that a short distance below the bridge, boys can wade across the river. A number of young ladies and gentlemen arranged a delightful excursion by train to Boiestown for Tuesday evening, but owing to the wet weather, it was abandoned. On Wednesday evening, the air was enlivened by the music of the band which accompanied Mr. Frank Merritt, who returned home. The band showed decided improvement under the new leader, Robert Landers.

The branch of the people's five-year benefit order which, through the efforts of H. McConaghy, supreme vice-commander of the order, has been established here, held a most successful meeting in the hall Tuesday evening. The attendance owing to the wet weather was not as large as desirable, but was a fair sized one. The officers installed were as follows: Jas. W. McConaghy, jr., W. C. H. Titus, W. V. C.; E. A. Tapley, secy.; Jos. Robinson, jr., treas.; Walter Robinson, preside.; D. McDermid, sentinal.; Chas. McConaghy, guard.; Wes. McConaghy, P. C.; Chas. Fisher, Annie Smith and Mrs. P. C. Chas. Fisher, trustees.

I notice attention for the young gentlemen of the celestial is so strong, that a number of them have changed their place of residence to Foster's hotel. Others who are not regular boarders, often take their supper at the hotel on Sunday evenings. Blanche Wheeler, the popular "bus driver" between here and Fredericton led on Wednesday for Lewiston, Me.

News Notes. The Orange hall is undergoing considerable repairs. Work has been begun at removing the old Seminary. A team of Fredericton cricketers will play the St. John cricketers here on Dominion day. The graduating class of the collegiate school held a picnic yesterday afternoon at Boiestown. His Lordship the Metropolitan, was so overcome with heat, on last Sunday evening, that he had to be assisted from the Cathedral pulpit. Rev. Father Chinsky will address a public meeting in the city hall at an early date, having been requested to do so by the Orangemen of the city.

Never tardy—Leonard Coombes, Alice Pollock, Wesley Parker, Bruce Grant, Stearns Morrell, Ellie Stopford, Robert McLenihan, Donald Campbell, Henry Morrell, Hallingworth Wandless, Maud Craig, Fredrick, N. J. Smith, Geo. Haviland, Rev. S. D. Irvine, Douglas Biggs, James Rodgers, Florrie Cathels, Edmund Cathels, Charles Babbitt and Carl Dickinson. Miss McArthur's department—Bella G. Cassidy and Gertrude O'Brien, each 593. Miss Bourgeois' (St. Regina) department—Nellie Cain, 589; Agnes O'Brien, 587; Florrie Sewell and Annie Burns, each 586; Agnes Farrell, 583; Gerlie Brown, 581. Miss Duff's department—Arthur McNeill and Frank O'Brien, each 591; Harry Lynn, 580; Willie Shea, 574; James Burns, 572.

In the afternoon the examination at the Morrison's mill and Wisley schools were held. The following is the honor roll: Morrison's Mill School. Miss Hooper's—Annie Dunn, 583; Frank Duffie, 581; Nellie McKay, 548; Lydia Godsoe and Minnie Kelly, each 535. Wisley School. Miss Nicholson's—Gertie Rowan and Ethel Gramble, each 516; Alfred Wisley, 510; Maggie Rowan, 504; Arthur Rowan, 498.
