Large crowds thronged the streets on Sunday morning last, waiting for the temperance procession to form. At 10.30 sharp, the different lodges filed out the temperance hall, York street, and took their position in the order of procession. As they marched down Queen street headed by the 71st band, the appearance of the different lodges in full regalia was a subject of much favorable comment among the crowd. They marched to the Methodist church where an appropriate sermon was delivered by Rev. J. Shenton, the lodges occupying the main body of the church. After the service, they proceeded back to the hall by way of King street where they disbanded.

In the afternoon, a gospel temperance meeting was held at the C. P. R. hall at Gibson, and addresses were delivered by Messrs. Frieze, Reid and others.

A Lively Runaway.

The men were picked up and carried to a neighboring house, where their injuries were examined. Both were cut considerably about the head, but no further damages were visible. The horse was captured at parliament square by Albert Sterling, and in spite of the fact that it had run the full length of Queen street at a two-minute clip, no damage was done to the carriage except the breaking of one of the shafts.

Cricket.

The ladies' cricket club had their first practice last week. Mrs. E. H. Allen is captain. They intend challenging the gentlemen shortly.

There was a very small attendance at the meeting of the Fredericton cricket club Wednesday evening, and no business was transacted. Another meeting will be held when the club will be thoroughly organized.

Lacrosse.

The St. John Unions were defeated by the Wanderers of Halifax at the latter place on the 25th of May. Among the Wanderers were Brady and Grierson, the well-known runners.

The Fredericton lacrosse club have completed arrangements with the Fredericton A. A. A. by which they have leased their grounds for the season, the A. A. A. retaining the right to use the grounds on holidays.

The Rifle.

The second match of the dominion telegraphic league is being shot at the range this afternoon.

At the first meeting of the Fredericton rifle association on Saturday last major Loggie scored seventy-nine points, the highest in the competition.

The Turf.

A large number attended the races of the Fredericton park association, and were well paid for their trouble. The races were very interesting, and excellent time was made in some of the events. Sporter, the ice champion, and Sporter, jr., his son, trotted an exhibition half mile together, and were very much admired by all. As will be seen by the tables below, Harry M. secured the first race in three straight heats, but all the races were well contested.

First race, half mile heats, best three in five:

F. P. Thompson's Harry M,	1	1	1
D. F. George's George Allright,	2	2	2
W. P. Flewelling's Dred,	3	3	3
D. McCatherin' McKinley,	4	dr

Second race, half mile heats:

G. R. Cooper's Jersey Lily,	5	dr	

Time—1.30, 1.28½, 1.28.

The only starters in the colt race were W. Jeffrey's Cheenie and Nellie C., belonging to R. Cox. Cheenie won in three straight heats.

Aquatic.

Hanlan and O'Conner have signed articles for a race for the double scull championship of the world with Gaudar and McKay for $1,000 a side; the race will be about the middle of July. The place will be decided later.

Athletic.

At Crawford, Ind., the other day, young ladies held field sports. The high kick was won at 8 ft. 3 in., the hundred yards dash in 12 sec., and the broad jump at 10 ft. Not a bad showing for the "feminines."

Antimony Mines.

Messrs. Pearle and Jones, of Haverhill, Mass., trustees of the bondholders of the New Brunswick antimony company, visited the location of the mine at Lake George, this week, with a view of bringing it into the market. This property will probably be brought to sale within a short period. Both of these men have a high standing in Haverhill. They expressed themselves as delighted with the beauties of the St. John river and said that that portion of New Brunswick far exceeded their expectations.

Accidents.

Henry McKay, while working at the Douglas boom on Thursday morning, had his arm badly cut with an axe. He was brought to town for medical attendance.

While returning from a fishing excursion on Monday evening in company with John J. Weddall, Chas. A. Sampson was thrown from the carriage and severely injured. Mr Sampson is able to be out to-day.

While working at the booms, at Sugar Island, Monday afternoon John Dolan of Morrison's mill fell and broke his leg, above the ankle. Dr. Coulthard set the limb, and the injured man is now recovering slowly.

While playing on George street with some other boys on Monday last, Douglas Hooper, the son of D. Hooper of St. John, fell and fractured his arm. Medical assistance was summoned and the bone set. "Duddie" is now doing well.

While attending to a cow in his father's barn, Stanley Downey of this city had the misfortune to be hooked by the animal, the horn striking him in the eye. It was at first supposed that the eye was put out, but further examination proved this to be a mistake.

J. A. Thompson while working in the attic of Thompson & Co's store yesterday, met with quite a severe accident. He made a mistep and went through a trap-door to the second flat, sustaining bad injuries. Dr. Coulthard was summoned, and his wounds dressed.

A very distressing accident occurred on Saturday afternoon last, by which John Woods had his leg fractured and two of his ribs broken. Woods was driving with M. Ryan at the head of King street, when Ryan turning back saw a runaway team of horses coming up the street behind him. In his excitement in trying to get his horse out of the road, he pulled the wrong rein, and the runaway horses jumped clean over the little waggon, horses and men being all mixed up together. Ryan escaped without injury, but Woods was hurt to the above extent. Woods was taken at once to the hospital and medical assistance summoned, and at last accounts was doing as well as could be expected. One of the horses of the team, which belonged to John Kennedy of McKeen's corner was severely injured having its leg broken. It is being doctored at C. Parson's barn by Dr. Henry, who hopes to be able to cure the horse in a short time.

Recent Deaths

One of our old residents, John Barker, died this morning at his residence, Charlotte street, in the 75th year of his age. His death was caused by a paralytic stroke.

The many friends of Joseph Milligan will sympathise with him in the loss of his young son. His death occurred last evening and was caused by congestion of the lungs.

Henry Porter, son of Thos. Porter of Cain's river, was drowned at Blackville on Saturday last. Deceased was 21 years of age and unmarried, and for some time had been in bad health.

The death is announced this morning of Mr. Morris, which took place at the residence of his daughter, Mrs. Warr, of Marysville. Our readers will remember that Mrs. Morris' death was recorded in our last issue, thus making the death of husband and wife within a week of each other.

It was with great regret that the public heard of the death of Mrs. G. T. Whelpley, which occurred at her residence at an early hour this morning. Mrs. Whelpley has been for some time ailing, but her condition was not thought to be critical. Her death was caused by congestion of the lungs. Mrs. Whelpley was a very estimable lady, and her presence will be greatly missed by her numerous friends and acquaintances.

Death removed from our midst, Saturday, Frank Martin, a well known and respected young man of our community. He was a victim of that never-failing disease, consumption. His funeral which was held on Monday was very largely attended, the A. O. H., of which he was a member, turned out in a body and headed by the Fredericton brass band, playing the Departed Comrades, followed his remains to the rural cemetery where they were interred.

Five of His Sons Insane.

Now and again there appear glimpses of the sorrowful side of human nature and of "the deep, dark, underworld of woe that underlies life's shining surfaces." While a whole city spent the holiday in festivity and celebration, a most heart-rending spectacle came under the observation of a few. It was the sad sight of an aged, grief-shaken man taking five sons to the Asylum. At Baker Brook, near Edmundston, Madawaska county, Xavier Nadeau reared a family of nine sons. Silently and remorselessly the terrible scourge of insanity came among them and has stricken down the five eldest. In childhood they were active and promising, and gave no sign of their present terrible malady. But as they advanced in youth their minds were found to be yielding to insanity. A father's anxious care and a mother's tender solicitude for the stricken sons in vain sought to abate the terrible ravages. Overcome by the calamity the mother died three weeks ago, and left to the bereaved husband the entire care of the afflicted family. On the mother's death the insane sons became more violent. The father thought to keep them near him in the house, but finding himself unable to treat them with sufficient attention was, on Monday, reluctantly compelled to bring them to the asylum. Sheriff Rice and two neighbors accompanied the party as the young men were at times very violent. No reason can be ascribed for their insanity. The father is mentally strong and so was their mother. The remaining four sons show no indication of the malady. The father has returned home well-nigh heart broken.—Telegraph.

Police Pencillings.

Friday morning, W. Belyea charged with beating a horse, was fined $5.50, or in default of payment, seven days gaol.

A civil case respecting a boundary line is proceeding at the police court to-day, in which rev. J. C. McDevitt and John McPherson are the interested parties. The case is exciting much comment round town.

On Wednesday morning, Elisha McIntyre (colored) was arraigned, charged with being drunk and disorderly on Tuesday. He said he was not drunk, nor did he make any disturbance on Tuesday, but that he was pretty "full" and was fighting Tuesday night. He seemed very much aggrieved when P. M. sentenced him to 20 days gaol, on the default of paying a fine of $7.

At the police court, Tuesday morning George Howard and F. B. Coleman were arraigned for violation of the Scott act. Several witnesses were called in each case by Mr. McCready for the prosecution, but none responded. The cases were then adjourned until Monday and Friday morning respectively. Friday morning the case of Fred. B. Coleman came up. John Schleyer, the only witness present, swore that he had obtained liquor at the bar in the Barker House between the dates mentioned in the information, and that he had paid one Hanlon for the same. He remembered it distinctly to be the 20th of February, because he was arrested on that day. The case was then adjourned until Friday for the purpose of obtaining witnesses.
