Every Elector is invited to attend.

JAS. TIBBITTS,
Chairman.

NOT A CANDIDATE.—Mayor Vroom of St. Stephen has a letter in this week's Courier. He says that he is not a candidate for legislature honors and has no aspirations in that direction. Another case of bad opposition prophesying.

CITY WORK.—A crew of men are at work completing the new wharf opposite officers' square. Work will begin on York, Carleton, Regent, Westmorland and St. John street sidewalks shortly. They will be tarred and sanded.

SOCIAL.—A successful social was held at the Court house, Oromocto, on the 22nd, for the purpose of raising funds to repair and paint the Catholic church. Something over $200 was realized. Mrs. Perley, of St. John, pleased all by her singing.

AN OLD FRIEND.—Geo. R. Parkin has arrived here from England. He intends to visit the Northwest and Pacific slope but will get back here before the xmas holidays. He looks well, likes the old world but has many strong affections for New Brunswick and especially Fredericton.

BUTTER FIRKINS.—Alex. Little of Harvey Station, who has made a success of the excelsior business is now getting ready a machine and attachments for the manufacture of butter tubs. It is thought that this industry will pay as there is plenty of the right kind of lumber near the mill.

DISCHARGED.—The St. Andrew's Beacon says, five conductors of the C. P. R. on the division between Ottawa and North Bay have deen dismissed and the rumor is current that a number more will be dismissed shortly. No cause is assigned for the dismissal except that there services are not required.

RESIGNED.—Rev. F. D. Crawley, a few days since submitted his resignation as pastor of the Baptist church, this city, and intimated that he would like if immediate action was taken. On Monday evening a meeting was held and it was unanimously decided that Mr. Crawley should retain the pastorate until the the first of May next.

OFFICERS.—Sunbury Division, sons of temperance have elected the following officers: Osmand Sewell, W. P; Charles Bent, W. A; Winifred Perley, R. S; Ashley Dykeman, A. R. S; G. F. Banks, T; Harvey Perley, F. S; Manzer Smith, Chap.; A. L. Treadwell, Con.; Mable Brown, A. C; A. A. Treadwell, I. S; J. A. Shields, O. S. Ashley Harrison, G. W. P; Bertie Bent, organist.

KNIGHTS.—The Knights of Pythias had a good time at Woodstock on Tuesday last, when Wilford Division, No. 7, uniform rank of that order, was organized. There was a parade, an address by Mayor Drysdale replied to by Colonel Moulson, a magnificent banquet at the rink by the ladies of the Methodist church, and a good time generally. A promenade concert followed the banquet.

C. E. R. AND A. O. H.—The Ancient Order of Hibernians and the C. E. R. are having a little misunderstanding respecting the terms of the agreement respecting the excursion to Chatham by the order a few months since. The A. O. H. say that the company were to furnish eight passenger cars for a specified sum. This they failed to do and thus the trouble arose. It is now believed to be in a fair way of settlement.

IN KINGS.—The Telegraph says: Among the rumors current in Kings county, is one to the effect that the friends of hon. G. Hudson Flewelling, are endeavoring to persuade that gentleman to consent to run upon the local government ticket at the next general election. It is understood that Mr. Flewelling has intimated that although he would personally prefer not again to enter the arena of political life, he would be willing to do so if it was the general wish of the party.

FISHING LEASES.—On Wednesday at noon the exclusive right of fishing with the rod only in front of the ungranted crown lands on the following streams was sold at public auction at the crown land office. The leases run for four years from the first of March, 1893: Upsalquitch river, from its mouth up to the forks to F. Standcliffe, Montreal, at the upset price, $250 per year. Upsalquitch river, from its forks to its head, including all branches, upset price, $150 per annum; no bid. Cain's river and its branches to Joseph M. Ruddock at the upset price, $50.

HOUSE DISSOLVED.—His honor, the lieut. governor has dissolved the house of assembly. Nomination is fixed for the 15th of October and polling on the 22nd. There has been considerable excitement for some time among the closet politicians and all sorts of tickets have been spoken of and formed in the different counties. The liberals of Queens have called a convention to nominate candidates to support the government. Opposition in York have been troubling themselves and other people for some time past trying to form a ticket but it has failed to materialize as yet.

THE EXHIBITION.

The Great Attraction for Next Week.

Everything is now in shape for a successful exhibition should the weather prove favorable. The committee has spared no pains in arrangement and all will find that the different entries have been judicially placed. The great show will open on Wednesday next with an address by his honor, Sir Leonard Tilley. On that afternoon there will be a fine series of horse races. On Thursday, children's day there will be the farmers parade, one of the great events of the exhibition and some good horse races. Bristol's horse show is the great attraction wherever shown. It will be here each day of the fair. There are trained horses, ponies and mules. The manner in which the horses do their work is really wonderful, and a great amount of time and patience must have been expended in bringing them to the state of proficiency in which they are seen at each entertainment. Prof. Bristol says any horse can be so trained if properly handled and treated kindly. The reckoning of Diamond, a very intelligent animal, is very clever. He gives the answers to the questions given by striking his hoof on the floor the requisite number of times. The swinging act of Commodore, and the teetering of Eagle, Diamond and Ruby, in which the first named balances the others across a half-inch oval iron rod, are very well done. The military drill is probably the most pleasing of all. The animals march in single and double file, countermarch, come into line right or left, and go through other movements very readily and correctly. The performance concludes with the "Comical Horse Trade," which is very amusing The exhibition will continue each afternoon and evening.

The horse races for Wednesday, Oct. 5, will be as follows:

On the 5th the tariff will be for round trip: St. John, $1.55; Westfield, $1.30; Hoyt, 80c.; Harvey, $1.10; Vanceboro, $1.60; Watt Junction, $1.75; St. Stephen, $2.15; Canterbury, $1.90; Debec Junction, $2.25; Fairville, $1.50; Welsford, $1.10; Fredericton Junction, 70c.; McAdam Junction, $1.45; Moore's Mills, $1.95; St. Andrews, $2.30; Benton, $2.10; Houlton, $2.40; Woodstock, $2.50. Those visiting the city will find the very best accommodation at the hotels, a committee having been appointed to attend to the housing of all comers. With the two large exhibition buildings and a mammoth tent filled with exhibits of every kind and in great variety, with the many special features, the races, etc., all who attend will be satisfied that the committee has done its duty faithfully and well. A day or two in Fredericton at this season is well worth all it will cost.

AT BRIGHT

Claims of the Candidates for Municipal Honors.

On Thursday next elections for councillors will be held in several of the parishes but the one which is creating the most interest is that at Bright. Councillors McKeen and Inch are up for re-election while Frank Bird has come out for municipal honors. The latter appears to have the largest following for various reasons. As most of our readers are aware Coun. Inch although representing this important parish is a resident of St. Marys and is only very seldom in Bright. It is thought by most of the residents that they can find a man who is always in the parish to represent them. Mr. Bird has represented Bright in the past in a manner that shows he is eminently qualified for the position. The records of that parish while he was a councillor will convince any fair minded man that the municipality was as well if not better cared for than now. There are many who condemn Mr. Inch's nomination from the stand-point that he supports and is supported by the ring that follows Coun. Pinder. In the appointment of an assessor for that parish Coun. McKeen who is independent and no blind follower appealed to the board to support his candidate but his old time services were overlooked and "ring before anything else" Coun. Inch's candidate was appointed. Voters will do well to put Frank Bird at the head of the poll. He deserves their favor and if returned will see that Bright has a fair share of attention.

The Candidates.

In the Councillors election which takes place on Tuesday next contests will take place as follows: In Southampton there are Pinder, Lockard and Cronkite; in Bright, McKeen, Inch, Bird and Graham; in Canterbury, Jamieson, Lindon, Lawson and Smith; in Douglas, Kingborn, Lawrence and Murray; in North Lake, Inch, Gould and Cropley; in Kingsclear, E. Everett, Murrry and Cliff. In Canterbury the present councillors Lundon and Jamieson have proved themselves to be as competent councillors as the county has to present and have managed the affairs of their parish in a systematic and judicious manner. E. Everett who is running at Kingsclear has been at the board before and is fully competent. He should receive a good vote. Mr. Cliff is also a good councillor.

The Reformatory.

Lady Tilley has secured enough money to enable her to proceed with the establishment of a reformatory for youthful criminals. This lady has already done much to secure herself in the hearts of the people of the province by her labors in connection with the hospital that adorns this city. Some money is yet wanting for the reformatory fund and those who have not put in their mite are requested to do so. Work is now going on at the old penitentiary buildings and in a few weeks the reform school will be completed. It will not be a prison but a school where, though under restraint, erring youth will be firmly but kindly dealt with, and trained to a better manhood than would have been theirs had the institution not existed.

Clear of Debt.

The F. C. Baptist church here has made a rapid advance. There was a debt on the building of something over $5000 which was felt to be an incubus by the people. The interest charge was heavy and many schemes of the church were sadly hindered by this debt. A meeting was held a few evenings since, the subject discussed and a subscription list opened to see if the debt could be liquidated. The result has exceeded the most sanguine expectations. At the meeting sums were subscribed aggregating $4300 and funds have since been sent in sweeping away the debt.

Two Thousand Saved.

Several of the city fathers are considering the advisability of hiring or purchasing a road machine for city work. It has been shown that one machine can clean out the ditches and make up the back streets, in fact do about all the road work at a cost of about one thousand dollars. As it takes over three thousand at present there is thus a chance to save two thousand and have superior work. Those who have seen the machine at work on Smythe street are loud in its praises. Those who condemn the machine should go out and see the work.

THE BEAUTIFUL.—There was a slight fall of snow on Tuesday.

A SERIOUS CHARGE.

A Minister, ex-Minister and Doctor Held for Swindling.

A rather serious charge has been preferred against Rev. Sidney Welton, Cephas B. Welton and Dr. E. C. Randall of Hillsboro. They have been arrested and lodged in jail. The following issued at the instance of J. W. H. Turner of Caledonia, A. C., is the cause of the arrests:

Information of John W. H. Turner, of county of Albert, who saith:

That he suspects and believes that Cephas B. Welton, Sidney Welton, Edward C. Randall and Gideon D. Reed, between the first day of January in the year of our Lord 1890, and the 27th day of September in year last aforesaid, in city of St. John, city and county of St. John, unlawfully did conspire, combine, confederate and agree together by divers false pretences and subtle devices, falsely and fraudulently, to acquire and obtain to themselves, and in pursuance thereof unlawfully did obtain of and from the Total Abstinence Life Association of America, a large sum of money, to-wit, the sum of $3,000.00, money of said Total Abstinence Life Association of America, with intent to cheat and defraud the said Total Abstinence Life Association, contrary to the statute made and provided.

It appears that W. D. Reed of Caledonia, was insured in the Total Abstinence insurance company for $3,000. The application bore the name of W. D. Reed and the signature of Rev. Sydney Welton as agent. The applicant stated that he had not been ill for twelve months and was then in good health. Accompanying the application was a certificate from Dr. Randall that he knew Mr. Reed to be of good health and sound constitution, and that the risk was a first-class one. The prosecution is prepared to show that Mr. Reed was dangerously ill of consumption and that he had been for some time previously attended by Dr. Randall. Reed died a short time after and a certificate was sent in that he had been but a few days ill. Mrs. Reed was then told that her husband was insured for $2,000. and was paid only $1,000 by C. B. Welton as the total amount. The prosecution have a $3,000 policy in Mr. Reed's favor attached to which is Mrs. Reed's receipt for the full amount. As she only got $1,000 she declares she did not sign for $3,000. There is other very incriminating evidence.

THERE WAS HASTE.

The News of the Election fell like a Thunderbolt.

From the blatant remarks made by the very few opposition followers respecting an election, one would suppose that the news that the house was dissolved would be received with pleasure. It has been rather the reverse. Long drawn faces, resembling a collapsed bag pipe, lips hanging down like the fag end of a cigar, they sought a shady retreat where no one would see them to commune together and consider what was best to be done. They had no object only to get into power and they knew that everyone was "on to them." One watched the other to see what position he had his eye on and when it was found that three were all for the one box there was danger of a conflict. Haste was made to sound certain parties, men of influence and standing in the community, whom they thought to bleed and when one after another refused the offered honor (?) they felt that their sun was in eclipse. Like flies buzzing round a closed molasses cask they envied the treasures within but could find none to start the bung. They know that York is staunch to Mr. Blair and his associates and that their cry for election was all bombast. They are now looking for "some fellow that has money to put into it." If they find him they will push him while his money lasts and then good-bye McGinty.

Marysville News.

Rev. Mr. Nobles is conducting special services in the New Baptist church.

Mrs. Hazen Pond and family, J. R. Pond and family left for Newburyport on Wednesday last where they intend to reside.

Mrs. Alex. Gibson, jr., and two sons, Harry and John, and J. P. Reid went to St. Leonards, last week to meet their sister Mrs. L. B. Churchill, of Lebanon, N. J.

Mrs. Alexander Gibson, assisted by Mrs. Charles Hatt, who have taken a deep interest in the proposed reformatory at St. John, have collected and forwarded to Lady Tilley $108.50, as a contribution from the people of that town.

A runaway team on Saturday struck a two-forty gait, or at least it took a two-forty horse to run it down. It was captured by Blanche Wheeler after it had dashed harness and wagonto pieces.

Thos. Morrison, who is running the buss, Union, went to St. John on Tuesday, accompanied by H. Pugh to get another bus. It is said they have captured one of twenty-two passenger capacity.

Mrs. H. Titus and her daughter Sadie accompanied by Dr. Sharp, go to Montreal on Thursday next, where Miss Titus is to undergo medical treatment. Mrs. Fred. Brown goes also for the same purpose. Dr. Atherton will have charge of the cases.

Norman Gosman and Miss Dorothy Amy Gosman were married on the 28th by Rev. R. W. Weddall.

Gibson and St. Mary's.

Ben Rider has removed his family into their new house.

Mrs. H. Niles who has been seriously ill is convalescent.

Mrs. Borden is here visiting her parents, Mr. and Mrs. R. Macklin.

Bruce Simmons is recovering from a serious attack of fever.

Inspector Haines went to Hampton on Tuesday on bridge work.

Rev. Mr. Parsons went to the general conference at Cornhill on Tuesday, accompanied by his brother.

A Farmer's supper is to be held in the F. C. Baptist church prior to dedication. Due notice will be given.

Affairs have been got in shape so that the railroad curve will now be put in. The C. E. R. have withdrawn their objections.

The wood engine which has been tried on the Gibson-Woodstock branch, C. P. R. proved inadequate. It could not do the work.

A public temperance meeting was held here on Tuesday evening. Messrs. Thompson, Freeze, Babbitt and others made addesses.

DRY GOODS-EXHIBIT.—Not the least part of the attractions to visitors next week will be the immense stock of fall and winter dry goods now open and ready for inspection in the large double store of Fred. B. Edgecombe, 192 & 194 Queen street. Those purchasing either in the wholesale or retail department will be sure to get suited, and get their goods at correct prices, for Mr. Edgecombe believes in quick sales and small profits. He buys for cash that he may be enabled to sell to his customers at low figures. Every one visiting the establishment will be sure to get a cordial reception and first prize every time.

CHANGE OF TIME.—A change of time for the running of trains on the Atlantic division C. P. R. will come into effect on Oct. 3rd, as follows: 6.15, express for St. John and intermediate points, Vanceboro, Boston etc, 10.30 a. m., for Fredericton junction, St. John and points east 2.55 p. m., for Fredericton Junction and St. John, arriving in Fredericton, 9.15, 1.15 and 7 10. Leave Gibson at 6.20 for Woodstock and points north, arriving at Gibson from Woodstock at 4.50.

LAST BLOCKS.—Gillpatrick and Foster have begun operations at Upper Keswick in the last block business. This business employs many hands and puts quite an amount of money in circulation. Last season men who made the blocks on their own land from their own lumber received six dollars per thousand for them. Three men and a team got out about two thousand per day. Messrs. Ballentine and Eldridge have begun operations at Millville, on their old ground.

WEDDINGS.

Visitors From the States Carry Away Our Fair Ones.

Miss Christina Cooper, daughter of Wm. Cooper of this city, and a general favorite, was married on the morning of the 28th ult. to Napier Hartley, of Missoula, Montana, by the Rev. Mr. Macdonald.

Miss Gertrude Macklin, daughter of Robt. Macklin, of Gibson, was married at her father's residence on Tuesday, the 27th ult., at one o'clock to Rev. Mr. Walker, of the Methodist church, Tennessee. The ceremony was performed by the Rev. Mr. Howie, resident pastor. There were about sixty invited guests.

H. Culligan, of Penniac and Mrs. Briggs of Marysville, were married by the Rev. Mr. Parkenson of St. Marys on the 26th inst. Mr. Culligan is one of the staunch farmers of his district and to say that his neighbors wish him all sorts of good luck of every variety is a mild way of putting it. The Ivanhoe had been chartered to take up a party of guests from Marysville but owing to the weather the trip had to be postponed. The old saying "that happy is the bride etc," will fail in this case.

On the 28th inst., in this city, by the Rev. R. W. Weddall, Geo. Beatty of Sheffield and Miss Clara Allen of Burton were married.

DIED.

Old Residents of the City Passed Away.

On Tuesday morning, the 26th inst., Mrs. Tyler Jewett, died while at breakfast at her residence, King street. A doctor was summoned who pronounced the case heart disease. Deceased was a daughter of George Wheeler. She leaves one child, a daughter.

Mrs. Letitia Maxwell wife of James Maxwell, died at her home, Regent street, on Wednesday evening, shortly after nine o'clock from paralysis. She was well known in this city and vicinity and her death was a blow to all. The remains were conveyed to St. John on Friday afternoon for interment. Deceased was fifty-three years of age.

Arthur Limerick, one of the well known men of Fredericton, died Wednesday afternoon at half past three. He has been a great sufferer for years from cancerous affections. On Tuesday last he underwent an operation and for a few days experienced much relief. He has spent many years here and for some time represented Queens Ward at the council board. He leaves a wife, two daughters and two sons, all of whom reside here. He had passed his seventieth year. The funeral, on Friday afternoon was largely attended as deceased had a great many friends in both city and country.

THE DOUGLAS ROAD.—The high level road at Douglas is about completed and the job is pleasing to the most fastidious. It makes the Fredericton-Keswick road perfectly level, doing away with the only hill. It is a safe, good and satisfactory piece of work and Mr. Colter is receiving and deserves commendations on it. It is another evidence of the progressive spirit shown by the present local administration, another evil that has been remedied.

KINGSCLEAR THIEVES.—Our correspondents send reports of many cases of petty thievery in Prince William and Kingsclear, which it would be well for the police to investigate. The stealing does not amount to much pecuniarily but is annoying. It is thought that there is a gang hidden in the woods who are doing the country. A Fredericton youth was arrested on suspicion a few days since.

SCOTT ACT SUSTAINED.—The Scott act election in Northumberland county on Thursday last resulted in a victory for the temperance party. Both sides worked hard but it was apparent all along that the fight would terminate as it has. The majority for the act is about 300. Chatham, Newcastle and Glenelg gave a majority against the act but with very small margins.

HILL & MURCHIE'S.—Some mild criticism is going the rounds of mill experts respecting the Hale & Murchie mill lately completed below town. The principal fault is that the mill was built too narrow and does not give sufficient room for machinery and workmen. In other respects the mill is superior. She is cutting fast and turning out a good quality of lumber.

BOATING BUSINESS.—The river is clear of shipping at this port. The season has been a good one for schooners, but woodboating has not proved a success. Since the advent of the deal lighters this species of traffic has killed out the boats and sometimes vessels have had to wait for days before getting a return cargo to St. John.

ALDERMANIC.—The new plan proposed as to the election of Aldermen from the city at large instead of from each ward as at present is attracting the attention of the citizens and meeting with much favor. It will choose a board having a majority of voters. As at present some members get in with very small majorities.

MISSIONARY.—Mrs. Weddall, of this city, Mrs. L. Fradsham, of Gibson, and Mrs. Dr. Sharp, of Marysville, attended the annual meeting of the womens' missionary society at St. Stephen.

SCHOOL HOLIDAY.—The managers of the exhibition have taken a wise move in respect to the school children. They have asked the trustees to grant the little folks a holiday on Thursday.

AFFAIRS IN KENT.—Reuben Johnson, ex-M. P., has issued his card as a government candidate for the vacant seat at Ottawa. Mr. Anglin is also looking towards the same seat.

IN SUNBURY.—Election for councillors for Sunbury county council will take place on the second Tuesday of October. Contests will take place in most of the parishes.

THE DREAM.—The steam yacht Dream, which on its return trip from this city to St. John grounded on Upper Musquash island, has been got off. She was not damaged.

BIBLE READING.—Miss Bartlett, evangelist of P. E. I., gave a Bible reading in the temperance hall, Sunday afternoon. There was a large attendance.

CIVIL SERVICE.—Civil service examinations will be held at St. John, commencing on Tuesday, Nov. 8th at nine o'clock.
