Parsons, proprietor of Parson's hotel on Queen street, which was burned out in the fire of August 12th, has purchased from John McPherson the building lot situate immediately above his old stand, and has commenced the erection of a new hotel, which will be larger and more convenient than the old one.

MISSIONARY MEETING.—Rev. Dr. Paton, former Presbyterian Missionary to the New Hebrides, held a missionary meeting Thursday evening last in St. Pauls church, which notwithstanding the disagreeable weather, was very largely attended. A short musical programme was rendered. The Rev. Doctor's address was listened to with much interest.

FAST TIME.—At the races at St. Stephen this week some very fast time was made in the trotting races. The three minute class was trotted in 2:34 1-5, and the 2:40 class in 2:35, while Brazillian won the free for all in 2:24 4-5. In the 2:32 race Lycurgus came in ahead in 2:29. The same horses, it is expected, will take part in the Fredericton races on the 20th and 21st inst., and if favorable weather, still faster time will be made.

TEMPERANCE OUTING.—The temperance workers of Sunbury division number 385 and Sheffield lodge I O G T, intend holding a grand picnic at White's Cove, Queens county, at the farm of L. P. All the usual games with handsome prizes, will be provided.

LIEUT.-COL. MAUNSEL.—It is current report that lieut.-col. Maunsel is to be removed from the command of the infantry here to a similar position at Ottawa. It is as yet unknown what general Herbert will do but the citizens will be sorry if Mr. Maunsel is removed. He has been a painstaking official; the school has been successful under his control and the best of feeling has always existed between the company and citizens caused in great measure by his ability.

FORBIDDEN.—It may not be generally known, but it is nevertheless a fact, that by the railway act foot passengers are forbidden to cross the railway bridge under pain of a heavy penalty. The Fredericton and St. Marys railway bridge company are having a sign painted informing everybody of the existence of this provision of the law, and forbidding them to cross on foot. The company's reason for doing this is not that they wish to put anybody to inconvenience, but that they desire to avoid any accidents.

CHATHAM VISITORS.—Nearly 500 excursionists from the North Shore came to the city over the C. E. R. on Thursday reaching here about two o'clock. The excursion was under the auspices of the Church of England people of Blackville, and included visitors from Chatham, Newcastle, Douglastown, Nelson, Blackville and other points. Owing to lack of accommodation a large number were unable to come on the excursion. The afternoon was spent in doing the town, and the excursionists returned home at four o'clock.

FOUND AT EASTPORT.—Kenneth Lottimer, son of Andrew Lottimer of this city, who has been an inmate of the provincial lunatic asylum for some little time, escaped from that place a week ago Thursday, and up to Thursday last all efforts to discover his whereabouts had failed. Word was received that he had been apprehended at Eastport, Me., and was in the custody of the city marshal of that place. His father left Friday morning for Eastport to bring him home.

AN OPPOSING FACTION.—The Canadian collecting agency has an agent in this city, who has already done some considerable business. Not long ago there was a list published according to the agency's way of doing business, which contained the names of certain persons who were slow in paying their bills. The method adopted is not very well relished by the people of the city, and it is said that a rival association has been formed with a large membership all pledged not to purchase any goods from any of the Canadian collecting agency's patrons.

JUDICATURE ACT.—Copies of the new Judicature Act which it is the intention of the government to introduce into the legislative assembly at the coming session, are being distributed among the members of the bar of New Brunswick. The act is modelled after that in force in England, and contains extracts also from the Ontario and Nova Scotia acts. It will effect a radical change in the supreme court practice of this province, and will extend the jurisdiction of the court, giving it cognizance over many matters which are now within the jurisdiction of the equity court alone.

THEFTS AT GIBSON.—On Thursday and Friday nights of last week some party or parties unknown broke the lock in Geo. W. Bailey's temporary store at Gibson and stole groceries and other goods, the value of which would amount to about sixty dollars. There is no clue to the thiefs. On Sunday night a strange man entered the boom house of Harry Pickard, at Lower St. Marys, where some of the men were lying in their berths, and stole three good silver watches and a five dollar bill from the pockets of men's clothes hanging up. The theft was committed about 8.30 o'clock, and the men in the house supposed the thief was one of their own party. They allowed him to walk off with the booty, and did not miss the stolen articles until some time after his disappearance. There is no clue to his identity.

Picnics.

The Methodist Sunday school children picnicked at McLean's grove on the Nashwaak last Saturday. A considerable number of parents and grown up people went as well, and a very enjoyable day was spent until late in the afternoon when the rain began to fall, and drenched a great many who were unprovided for it.

The loyal Orange temperance association of Fredericton held their picnic at Frazer's grove near Covered bridge, Tuesday, Sept 5th. A good crowd went out on the C. E. railway and a large number were in attendance from the country around. The weather was all that could be desired, and the refreshment stand and swings were well patronized. An excellent dinner and tea were served on the grounds. The young folks amused themselves by "tripping the light fantastic" to some good music furnished by the 71st Batt. band led by Frank Bryson. The following is a list of the prize winners:

Gents' archery — 1st prize, gold-headed cane, Fred Estey; 2nd, scarf pin, James McKilligan.

Ladies' archery — 1st prize, silver cake basket, winner unknown; 2nd, pickle jar, Miss Cora Johnson.

Slug gun — 1st prize, rifle, Sherman Scott; 2nd, napkin ring, Arthur Thompson; 3rd, pair cuff buttons, A S Thompson.

Excelsior — 1st prize, silver cup, Wm Clark.

Ring toss — Silver cruet, J D Perkins.

Bean bags — Individual set, Arthur Thompson.

The picnic was in every way a success, and all spent a most enjoyable day.

The Normal School.

The present has been a busy week for the boarding house keepers of the city, as somewhere in the vicinity of three hundred students have arrived to attend the coming term. Of course they will not all stay, for some of them have already been "plucked" and sent home. The supplementary examination for admission was held on Friday morning last. There were seventy-five candidates, of whom forty-three failed and thirty-two were admitted. The remainder of the students arrived in the city Saturday night and were enrolled on Monday morning. The total number enrolled is 256 in the English and eighteen in the French department.

The counties of the province are represented as follows:

The religious denominations are represented by the following figures:

Roman Catholics	56
Baptists	53
Methodists	52
Presbyterians	44

Total	274

Compared with the last four years this is the largest number enrolled of any.

In 1888 it was 196, in 1889 224, in 1890 239, in 1891 243, in 1892 264, and at present 274, and these figures will be increased at the beginning of the year when the next French class and the teachers for advance license come in.

Taken for a Bear.

The following story comes Halifax:—On Monday a party of five young men went from Rawdon, Colchester county, on a camping expedition. That evening as they sat in camp, one or two of the party told some bear stories and gave their personal experience with bruin. They had with them a couple of rifles to be used in case bears or big game were seen. Then the party lay down to sleep, leaving a fire burning outside the camp. After sleeping an hour or two one of the men named Woods awoke, and it is supposed that seeing the fire was low went outside to get some fuel to replenish it. While he was moving about outside, another of the party awoke and hearing the rustling among the bushes thought there was a bear at hand. Then two others of the party awoke and were told of the supposed proximity of a bear. It is thought that Woods heard the conversation, and for a lark got on his hands and knees and made a noise similar to that a bear would make. A man named Constance was the last of the party to awake, and seeing the supposed bear, he grabbed a rifle and fired, then all was quiet. Soon Woods' absence was noticed and fears arose for his safety. A hurried examination showed the campers that there friend Woods had been shot dead by mistake.

At Marysville.

The musical social given by Madame Russell's pupils on Wednesday evening last at Marysville was the most successful entertainment given there for years. Space forbids an lenthened description of it. The following was the programme: Childrens chorus, Welcome; recitation by Bessie Barker: piano solo, Edith Inch; rock-a-bye-baby, Della Simpson; Bee march, Edith Day; hush my baby, don't you cry, Ethel Day, duet, Minnie Day and Ethel Tapley; solo, Marion Inch; piano duet, Alice and Minnie Day; song and chorus, sunshine, Georgie Blyther; song, don't go to-night my darling, Gertie Fails; duet, Bessie Barker and Georgie Blyther; solo, Violet Pond; piano solo, over the hills, Alice Day; solo, better bide awe, Edith Inch; solo, Bessie Barker; piano solo, Georgie Blyther; violin solo, Miss Seeley; piano solo, Minnie Day; after the ball, Mr. Hallet; harmonica solo, Mr. Hallet. There was a large attendance. Mrs. F. Merritt who conducted the entertainment and trainer of the pupils to the proficiency shown is deserving the fullest thanks. Another such concert will draw a large attendance.

An Exciting Race.

It is said that one of the chief attractions at the coming provincial exhibition will be a sprinting race between two fat men of the city, one of them a lawyer and the other a merchant tailor, for $50 a side. The idea was suggested by a race which took place at the late R. C. picnic at St. Marys, in which the same two men took part. The lawyer came in ahead of the tailor, but the latter claims that he was jockeyed. Since then there have been frequent challenges passing to and fro between the parties, and it is said that they have at last decided to settle the matter at the park. If the race comes off it would be one of the most exciting events on the program.

St. Anne's Episcopal church was the scene of a very interesting event on Wednesday last at six o'clock, when Thos. E. Dyer of St. John, was united in marriage to Miss Frances E. Maxwell, daughter of John Maxwell of this city. Rev. Canon Roberts performed the marriage ceremony. The groom was supported by R. H. Buchanan while Miss Lily Maxwell, youngest sister of the bride, acted as bridesmaid. After the ceremony the happy couple took the steamer David Weston for St. John, and thence to Nova Scotia and Prince Edward Island on a wedding tour.

BETTER THAN EVER.

Big Exhibits and an Extra Show Fully Guaranteed.

It must be gratifying to the members of agricultural society number thirty-four, to know that their labors in the past in connection with exhibition work, have been so satisfactory that already the success of the show to be held here on the 19th, 20th and 21st. inst., is fully assured.

The show grounds are well fitted up and the special features are numerous and attractive. All departments of farm husbandry, fancy work and particular lines of manufactured goods, will be well filled. The cheese and butter competition will be keen and will show how the local government policy respecting dairies and cheese factories has developed.

The horse show will be by far the best ever seen within the province and a first prize equine will not carry a local ticket but a provincial one, very much enhancing his value. In cattle and all live stock, the entries are very numerous and some extra exhibits will be made. The poultry show will far surpass anything yet seen here and the new building especially for the feathered pets will afford ample accomodation for sightseers. The farmer's parade will be very interesting and will include many novelties. All should make it a point to see this parade.

On the association park two afternoons of the fair, there will be horse races between some of the most speedy ones of the province bringing out the best among the local horses. Come and see it, there is not space to tell all about it; and you want a day or two from the farm, at any rate.

Excursion tickets to Fredericton will be sold at one single fare on all branches of the C. P. R. for the round trip, Sept. 18th to 21st inclusive, good to return until Sept. 23d. Tickets will be issued at the following low rates on Sept. 20th only, good to return Sept. 21st: St John, $1.55; Fairville, $1.50; Westfield, $1.30; Welsford, $1.10; Hoyt, 80c; Harvey, $1.10; McAdam, $1.45; Vanceboro, $1.60; St Stephen, $2.15; St Andrews, $2.30; Canterbury, $2; Benton, $2; Debec, $1.90; Houlton, $2.05; Woodstock, $1.65; Newburg, $1.55; Hartland, $1.65; Peel, $1.75; Florenceville, $1.90; Bristol, $1.95; Bath $2; Kilburn, $2.25; Perth, $2.40; Andover, $2.40; Aroostook, $2.50; Fort Fairfield, $2.65; Caribou, $2.90; Presque Isle, $3.20, and Millville, $1.20.

Tickets from points on main line south to McAdam are good via Fredericton Juncton; and from points north of McAdam and good via Gibson branch only.

A special train service has been arranged for on Sept. 20th as follows: Leave Woodstock 7.20 a m; Millville, 8.20 a m and Keswick 9.23 a m. Returning, will leave Fredericton for Woodstock and intermediate points, at 8.30 p m. Return fares are issued on all steamboat lines and railways and the best accommodation has been arranged. The best opportunity yet afforded to see the city and a fine exhibition at the same time.

City Council Meeting.

The regular monthly meeting of the City Council was held in the Council Chamber Tuesday evening last, and was, like its predecessors, prolonged to a very late hour. There was considerable of the usual wrangling and jangling over the various matters which came up for discussion but not much important business was transacted. A good deal of the time was taken up in dealing with the case of Mr. Geo. Calkin of the Brush-Swan Electric Company, whose tender to supply electric lights to the city at $50 per light, the Council had some time ago resolved to accept.

Mr. Calkin agreed to sign the contract, but could not or would not furnish the necessary sureties for the faithful performance of the work. The Council gave him to the first of August to complete the signing of the contract and other formalities, and up to Tuesday night he had made no effort to do so. Ald. Gilman moved a resolution seconded by Ald. Duffie, declaring that the former resolution of the Council accepting Mr. Calkin's tender, be rescinded, and that all negotations with Mr. Calkin be ended. A letter was read from Mr. Wm. Cathels, Secretary of the Fredericton Gas Light Company, agreeing to continue the lighting of the streets under the present system. The street light committee was authorized to communicate with the Fredericton Gas and Electric Light Company, with a view to obtaining figures illustrating the actual difference between the cost of lighting the city streets by electricity and by gas, and to report at the next meeting of the Council. Until that time the matter of the street lighting is left very much in the former state, and it is more than probable that the citizens will have to put up with the gas for some time.

A petition was presented, signed by more than one hundred citizens, asking the city to vote a grant of $1100 to John Palmer in settlement of the damages named by him in removing his tannery elsewhere. The public assert that it is in the interests of public health to have the tannery removed. Two gentlemen on the vicinity have offered to purchase the property at a price of $1100 below the value which Mr. Palmer sets upon it, and it is for the payment of this $1100 by the city that the petitioners are praying. As the Board of Health is to take into consideration in a few days the matter of the rebuilding of this tannery, the council accepted the petition pending the action of the Board.

The assessment appeal committee presented its report, recommending that the prayer of the petition of the Scottish Union and National Fire Insurance Company be complied with so far as to reduce the income to be assessed to the sum of $3000; that the petition of James Driscoll, butcher, for relief from taxes be not complied with; that the petition of F. Marvin Hartt, for relief from taxes on $400 personal property be complied with; that the petition of Miss Mary McCafferty be not complied with; that Wm. Rowe and Robt Morcraft be relieved from poll tax; that the prayer of the Fredericton Park association be complied with and their real estate be reduced to the value of $3000. In the matter of the N. B. Telephone petition the committee asked for further time to obtain more information.

The North Shore Accident.

The Chatham Advance gives the following information in regard to the late fatality on the Miramichi: The steamer Rustler had been run into the lower corner of the Kerr mill wharf, about a mile above Douglastown and two miles below Newcastle. A large projecting timber of the wharf had penetrated the starboard paddle box and cabin, breaking the steam pipe leading to the safety valve crushing the life out of Mary Ann, the 17 year old daughter of Charles Morrison, a stone cutter, at the fish quarry, French Fort Cove, and who resides about a mile below Newcastle town, breaking the arm and scalding a girl named Driscoll, who is in the service of the family of John Morrissy, Newcastle, and slightly scalding and cutting Wm. Cooper, fireman of the boat. A 19 year old girl named Jane Landry, daughter of Jerome Landry of Newcastle, was also missing, and a piece of her dress being found attached to the window of the cabin into which much of the steam escaped, led to the belief that she had, in the panic, endeavored to get out by that way, fallen overboard and been drowned.

A great panic at once ensued, and it was with difficulty that J. R. Dawlor and other self possessed men who were on board succeeded in preventing further loss of life, for many, in their terror tried to get away from the boat, only a few reaching the wharf, while others would have jumped overboard in their frenzied desire to get anywhere, not knowing that the helpless craft had almost drifted clear of the wharf.

Capt. Steel of the St. Nicholas, on learning what had happened, at once put his boat in the service of the unfortunates on the Rustler, taking them on, together with the body of the poor girl who had been killed.

The father and mother of Miss Morrison were on the Rustler when their daughter was killed, and great sympathy was manifested with their grief over the loss that had so cruelly come upon them.

Passed Away.

Thomas B. Roberts, an elderly Englishman, well known about the town, died at Avery's hotel on Regent street Sunday afternoon, and was buried Monday. The deceased has been in the county for a long time, and for some years conducted a business in Kingsclear. A few years ago he inherited quite a large estate in Abbington, England, and has since that time resided in the city. He was much given to the use of intoxicants, which no doubt led to his death.

THE HERALD regrets to record the death of one of York county's oldest and most respected inhabitants, Samuel K. Nason, of New Maryland, who died about midnight on Tuesday last. Deceased was a frequent visitor to Fredericton, and was very well known around the town. He was a prominent man nearly all his life in New Maryland parish politics, and for some years represented that parish in the county council, fulfilling the duties of his position ably and well. He was one of the leading members of the F. C. Baptist church at his home. His decease was very sudden. He had been in his usual good health all day, and up to within a few minutes of his death, gave no sign of any trouble. Heart disease is supposed to have been the cause. His funeral took place Wednesday at 2 o'clock, service being held in the Baptist meeting house; and a very large number of people was present. Mr. Nason's death was a severe shock to his son, William K. Nason, who has been very ill for three or four months past.

A little adopted child of Mr. and Mrs. Thos. Morrison's at Marysville, died yesterday, and will be buried to-morrow. The little one was only three months old.

POLITICAL PICNIC.—A small number, not over fifty Orangemen, left here Thursday morning on the Florenceville to attend the Orange political picnic at Gagetown. They were accompanied by the 71st Batt. band, and marched from their hall to the boat. A much larger number came from St. John in company with the Orange speakers, hon. N. Clarke Wallace and Major Sam Hughes. The day was cold and in the afternoon rain set in, which must have considerably dampened the proceedings. As far as this end of the picnic was concerned, it did not enthuse; the St. John end not much better.

O. O. H. Excursion.

Everyone who can get away from business next Monday should make it a point to attend the O. O. H. excursion to Calais, Milltown and St. Stephen. A special train of eight cars will leave the C. P. R. dept here at 7 o'clock a. m., and will leave St. Stephen station to return at 7 o'clock in the evening. The executive committee has made all possible arrangements for the convenience and comfort of their patrons. They have appointed a sub-committee of four members for each car, whose duty it will be to preserve order going and returning. The R. R. C. I. band will be in attendance. Plenty of opportunity will be afforded the excursionists to see the country around Caalis, The horse races at the Calais Park have been arranged to be held on Monday instead of Tuesday, as at first proposed; in order to give Fredericton people an opportunity to see what speed the Border City horses can show. Following are the entries:
