

THE HERALD

PUBLISHED EVERY SATURDAY,

CORNER QUEEN AND ROBERT STREETS,

BY THE HERALD PRINTING AND PUBLISHING CO. LTD.

THE HERALD.

FREDERICTON, SEPTEMBER 22, 1894.

A DESIRABLE CHANGE.

The city vote Tuesday, although not large, was of sufficient importance to show the feeling of the people on the proposed change in the city charter.

The Herald takes considerable credit to itself for the result of the election. It was this paper that first started the agitation for the reform, and stirred the Council up to make a move in the matter.

ELECTRIC LIGHTING.

A local paper, which, from political and personal motives, never loses an opportunity to stab the Fredericton Electric Light Company.

HIS NATIVE HEATH.

His Honor the Lieutenant Governor and Mrs. Fraser leave on Tuesday for a trip to the North Shore.

A NICE JUROR HE.

At the W. C. T. Union meeting in the Kirk last night, Rev. Dr. McLeod prefaced his address with the now stereotyped remark that he is still in bonds, and not free to speak as he would like to on the temperance question.

THE NEW YORK GOVERNORSHIP.

The New York Republicans have nominated ex-vice-president Morton for the governorship, and his opponents say that his selection is because of his immense wealth, the Republicans adopting the same course which usually guides our Conservative friends in making their nominations for parliament.

A GREAT CATHEDRAL.

The Roman Catholics of London, G. B., are building a Cathedral, that exclusive of the site will cost a quarter of a million dollars. It will be near Westminster Abbey, and will be the most important church built since the erection of St. Paul's Cathedral.

THE PATRONS' PROGRAMME.

The Patrons of Husbandry who carried some seventeen seats in the recent Ontario local elections, and form an organization to be reckoned with in the prospective federal elections, met the other day in Toronto and formulated their programme for the Ontario legislative session.

ADDRESS OF WELCOME.

University Examinations.

The University will re-open on Thursday next, the 27th inst., at 9 o'clock a. m.

A freshman class of about 25 members is expected to present itself for admission.

The following is the order of the examinations, which will be commenced on Thursday:

Junior matriculation examinations, 1894-5, in the University library.

Mathematics - 9-12 a. m., Thursday, September 27.

Latin - 2-4 p. m., Thursday, September 27.

English - 9-12 a. m., Friday, September 28.

Greek - 9-11 a. m., Saturday, September 29.

French - 9-11 a. m., Saturday, September 29.

Science - 11 a. m. to 1 p. m., Saturday, September 29.

Senior Matriculation Examinations - 9 a. m., September 29, 30 and 31.

Supplemental Examinations - 9 a. m., September 27, 28 and 29.

County Scholars Examination - 9 a. m., September 27, 28 and 29.

The examinations for the county scholarships mentioned above are, of course, the same as the junior matriculation examinations, the latter deciding who shall hold the scholarships for the several courses.

The women are making most earnest and active politicians in this their first campaign in Colorado.

The latest sensation was sprung this week when Miss Mary C. Bradford, candidate upon the Democratic ticket for the office of Superintendent of Public Instruction, issued a challenge to her opponent, Mrs. A. J. Fray, to meet her in joint debate to discuss the issues of the campaign.

What a wrangle they will have of it.
