MRS. FRANK I. MORRISON,
sep 8—3 Charlotte Street, Fredericton.

The Allen Steamship Line are now selling round trip tickets to England and back, second cabin, at $55 and steerage at $30. Such cheap rates makes it very tempting to persons contemplating a trip to the Old Country.

Prof. Downing, of the University, was married to Miss Righter at the bride's home near Philadelphia, on the 5th inst., and they are expected to arrive here next week. They will occupy the Whittaker cottage, Waterloo Row.

The A. O. H. excursion to Calais Monday was a great success, nearly 600 people taking advantage of a cheap and pleasant trip to the border towns. The members of this society did all in their power to make the day agreeable.

During August, Rev. T. O. Dewitt held revival services at Stanley and Cross Creek, meeting with much success. In that time he baptized 25 candidates and received 30 into the church, and the work is still going on under the leadership of Rev. S. J. Parsons. In recognition of Mr. De Witt's labors among them, the people of Stanley presented him with $90 in cash.

An excellent proof of the progress of Fredericton is the very large increase of qualified electors which the city lists just published shows. The increase over last year is a little over 400. Last year's lists contained between 1,200 and 1,300 names, while this year's list contains over 1,600, the largest number of electors ever registered in one year by the city revisors.

The marriage of Miss Annie Thorburn and Charles Whittaker which was solemnized at the bride's home Saturday evening, is the result of an attachment extending over several years. The bridegroom, who has been suffering great physical disabilties, is improved in health recently, and the couple are enjoying their honeymoon at the Thorburn homestead, King street.

On the 14th inst., a large gathering of friends assembled at Richard Pond's, Ludlow, to witness the marriage of Miss Ida Pond to John E. Hovey. The ceremony was performed by the Rev. E. Bell, of Boiestown, in the open air, after which all partook of tea, and a merry, happy time was spent. The united couple were recipients of a large number of very handsome presents.

At the Barker House last night a Boiestown couple were made happy through the instrumentality of Rev. E. Bell of that place. Miss Inez Conroy and H. Fairley arrived in the afternoon and on the same train came the Reverend gentleman who a few hours later said the marriage ceremony over the visitors. Afterwards the party, with a few friends enjoyed luncheon and a pleasant evening.

Rev. Willard Macdonald was at Woodstock Wednesday evening assisting in the ordination and induction of Rev. Mr. Whiteside, the new Presbyterian clergyman there. Mr. Macdonald preached the ordination sermon and gave the charge to Mr. Whiteside. A writer in the Telegraph says that on each occasion he fully sustained his reputation as a forciful and accomplished speaker.

The people of Bloomfield Ridge are preparing for a big harvest supper which will take place in the hall at that place on Wednesday, the 19th inst. The object is to raise money to pay off the debt on their new church. Tea per couple, sixty cents; children half price. Beside the supper, there will be refreshments and a fancy sale. The affair is in the hands of an efficient committee and no doubt a large number will attend, to whom the committee guarantees a good time and pleasant evening.

St. John Got Even.

Considering how little practice the Fredericton cricketers have put in this season, they did as well as could have been expected in their match with St. John in that city last Saturday. They went away without two of their best men, E. H. Allen, and C. E. Neill, two players who generally make a good showing at the bat and that is where Fredericton is the weakest. The St. John boys went to the bat first and ran up a score of ninety, and Fredericton followed with thirty-eight, Mr. Campbell making a creditable record of twenty-one runs. The great feature of the match was the wonderful bowling of Mr. Fowler for Fredericton. He had nine of the ten St. John wickets to his credit, six of which he clean bowled. Mr. Rutter was not in bowling trim evidently, for he did not have his usual good luck with the ball. The crease was very lively and with his high and swift delivery many of his bail ticklers went high above the wickets. The same may also be said of Mr. Atherton who bowled a few overs. The second score of importance for Fredericton was made by Mr. Hawthorn who slugged the enemy for seven runs.

The season's play between the two clubs ends even. We defeated St. John here a few weeks ago with five wickets to spare. It is possible the Fredericton club may have a couple of matches with Woodstock this montt. Mr. Neill, the secretary has written for a game here to start with, and then the club will journey up to Woodstock later. The cricketing editor of the Dispatch, Mr. Ketchum, is working up a great interest in the game at Woodstock, and if he can induce his club to come down next week or the week after, we can promise them a cordial welcome.

Sunday School Conventions.

At a meeting in the Methodist vestry last night to arrange for the coming Provincial Sunday school convention which meets here next month in the Baptist church, J. W. Spurden was elected chairman of the local committee and Geo. C. Hatt, secretary. The committee is to be composed of two representatives from each Sunday school in the city. There is to be a general meeting of all the officers and teachers of the various city Sunday schools at 3.45 o'clock to-morrow afternoon in the Old Kirk, to talk over arrangements for the convention.

The St. Marys parish S. S. convention is to be held in the Baptist church at Nashwaak on Thursday next, the 20th inst. The following programme has been prepared:

Afternoon session, 2.30. Half hour in prayer and praise; President's words of greeting; minutes of last session; reports of parish officers on work done by them since last session; roll call of Sabbath schools; five minute reports from schools; music and collection. Subject, "How can we interest parents and others in Sabbath school work?"

Evening session, 7.30. Devotional exercises; minutes of previous session; time and place of next meeting; subject (continued) "How can we interest parents and others in Sabbath school work?"; music and collection; normal lesson; closing words; benediction.

Married at Sackville.

James E. Fraser, a well known Fredericton young man, eldest son of George Fraser, surprised his friends by getting married this week. The interesting ceremony took place at the Episcopal church, Sackville, Wednesday evening, and the bride is Miss Clara E. Norris, a popular young lady of that place. The bride, who was unattended, wore a travelling suit of blue cloth and carried an exquisite bouquet. The church was crowded to the doors, and the ceremony was performed by the Rev. Cecil Wiggins. Among the guests were Mr. and Mrs. Wm. Dunbar and Miss Fraser, of Fredericton, the two latter, sisters of the groom, and his cousin Miss Niles of Gibson. The church was very pettily decorated by the bride's friends, who gave the young couple a lively send-off at the depot. Mr. and Mrs. Fraser took the train for Sussex and thence they drove to this city. For the present they will board with Mrs. Phillips, Regent street, and on the completion of the new Fraser mansion on church street, they will occupy the residence now in possession of Mr. Fraser's parents.

Robin Hood.

Mr. Fenety scored a great hit in bringing the Robin Hood opera company to Fredericton. Their performance Thursday evening was very pleasing to the large audience present, and while there are no very bright particular stars in the company, it is well balanced throughout, the costumes are fresh and pretty, and the orchestra excellent. It is safe to say that everybody with an ear and taste for good music went home Thursday evening well satisfied with the manner in which this charming opera was put on.

We hope the venture in bringing such a large and expensive company to Fredericton, was sufficiently remunerative to Mr. Fenety to encourage him in further efforts to please the Fredericton people.

Helena B. not in it.

C. H. Boyle's Helena B. took part in the St. Stephen races this week but did not win any money. In the 2.40 class she was third in the first, and fifth in the second and was then drawn. The best time of the winner, Salando, was 2.26½, and he captured the race in three straight heats. The Fredericton mare had bad luck in the second heat. She collided with J. O. C. when finishing the first turn, Stockford being thrown out and dragged quite a distance. He pluckily hung to the reins and prevented a runaway, though the heat was finished without him.

Helena B. also started in the 2.30 class, but in the five heats never got better than fourth place in a field of eight horses. Rampant, jr., won this race, his time being 2.29.

An Emigrant's Sudden Death.

Frank Foxall, an English emigrant boy, who had been some years in this country, and during the past summer was connected with the military school, dropped dead on King street, Wednesday night, while taking part in a chivari. He had been subject to fits, and while chopping wood to put on a bon-fire, he was seen to suddenly drop, with the exclamation "My God I am going to take another fit." Death was almost instantaneous. Dr. Coulthard was notified, the body was removed to the morgue at Victoria Hospital, and an inquest was subsequently held, the jury rendering a verdict of death from natural causes.

Preached in the Kirk.

From an interesting sketch of Little Metis, Quebec, published in the Quebec Chronicle, we learn that there are three Protestant churches at that pleasant summer resort, one Methodist and two Presbyterian churches. The spirit of unity is manifest among the visitors by members of all denominations attending both the Methodist and Presbyterian churches. Episcopal services have several times been held in the East End Presbyterian churches. The Right Revd. H. T. Kingdon, D. D., Bishop of Fredericton, conducted one of the Sabbath services in this church the beginning of August last.

A Young Lady's Death.

The sad news was received from Boston Thursday, of the death of Miss Madge Sterling, daughter of John Sterling, formerly of this city, and connected with several prominent Fredericton families. The deceased young lady was well known here and had a large circle of Friends outside the more immediate circle. She was only twenty years of age, a bright, pretty girl, loved and admired for her many womanly qualities. The remains were brought here for interment, and the funeral took place this afternoon, services by Rev. W. Tippett and Rev. G. B. Payson.

Note From Mr. Lugrin.

TO THE EDITOR OF THE HERALD:

I thank you very much for your sympathetic reference to me in connection with that libel case. You may be interested to know that under the law of this state an appeal from the Municipal Court means a re-trial and not simply a review of the case on the evidence in the lower court.

The Municipal Judge had, I claimed, no jurisdiction to try the case and was prejudied against me personally because I had exposed his wrong doing and was personally in sympathy with the prosecution. There were other objections into which I need not enter; but they were such that we made no defence, preferring to reserve that for the higher court.

I have a full defence to the action and have no uneasiness as to the result. In the meantime perhaps my Fredericton friends will not be averse to being told that my family and myself are well, but that although more than three years have passed since we bade our old home good bye, the ties of old associations are as strong as ever, and we look forward with pleasure to the time, which may not be far away, when we can revisit the old scenes and renew the old friendships. Yours faithfully,

CHAS. H. LUGRIN

Inter-Provincial Cricket.

A few weeks ago when the Canadian eleven was chosen to play the International match at Philadelphia next week, and it was seen that the team to represent this country was made up from Upper Province players only, Maritime Province cricketers loudly protested, and organized an eleven to go to Toronto to show the people up there that we know something about the game down this way. The eleven which was composed of six of the Halifax Wanderers, one from the Garrison, and George W. Jones, Simeon Jones, Hansard and Clake, of the St. John club, played three matches in Toronto this week, meeting with fair success. With the Toronto team they played a draw, they defeated Rosedale 138 to 78, and were only defeated by the Canadian International eleven by thirty runs. As a result of their good play, Geo. W. Jones and Simeon Jones of St. John, and W. A. Henry of Halifax, have been taken on the team to play at Philapelphia, and hence the Maritime province protest has not been in vain.

The Formal Opening.

The Normal school formal opening exercises took place Wednesday afternoon in presence of quite a large attendance of visitors. Addresses were given by Governor Fraser, Dr. Harrison, Chancellor of the University, and Principal Mullin, who gave statistics of the school. At the preliminary examination in July the applicants for first class were 179; for second class, 340; and for third, 58. Of those 75 obtained first class; 186 second; 168 third class, and 146 failed to get any classification at all. The total number enrolled by counties is: Albert, 12; Carleton, 25; Charlotte, 26; Gloucester, 4; Kent, 18; Kings, 28; Madawaska, 3; Northumberland, 29; Queens, 12; Restigouche, 5; St. John city and county, 19; Sunbury, 8; Victoria, 4; Moncton and Westmorland, 25; Fredericton and York, 39; outside the province, 1. Total, 258. The common schools send 131; secondary schools, 124; normal, 1; university, 2.

Assaulted at Levis.

Sheldon, Doyle, and Byers, of the R. R. C. I., sustained quite serious injuries in the riot at Levis, a few nights ago. The Quebec Chronicle says that the bad feeling of some of the roughs of that town against the redcoats now in camp evidently still continues, for on Saturday night a bottle and a stone were hurled at one of the soldiers, who had a narrow escape, one of the missiles just grazing him as it passed. Some of the victims of the recent assault have not yet recovered, but from all reports the assailants appear to have fared almost worse than the assailed. Four pickets, numbering in all fifty men, nightly parade Levis, escorting men to and from the camp ever since the first assault.

Fell From the Bridge.

Abraham Ramier, a Jew peddler, fell from the railway bridge Monday afternoon and was seriously injured. He was walking past a train which was standing on the bridge near the Gibson shore, when his pack struck a car, causing him to lose his balance and fall to the river. He was picked up unconscious and Dr. Coburn summoned. One leg is broken below the knee and the other injured. Ramier has a wife and family in St. John.

Who Carried It?

Just as the Fredericton excursion train was leaving on Monday night, our new harbor master was observed to be very busy 'docking' a number of 'schooners' which were enclosed in one case. As a result there was a black eye in the Celestial City next day.—St. Stephen Courier.

In the case of the Queen on the information of Alfred Christie vs. James Edmunston, tried before James Jewett at Keswick Ridge, in which the justice convicted Edmunston for encroaching upon what was claimed to be a public highway, Judge Steadman after hearing upon review, set aside the conviction with costs. John Black appeared for the complainant and Wm. Wilson for the defendant.

A little over a year ago Lt. Moren, of Halifax, was one of the short course officers at the military school here, and the many friends he made during his stay in Fredericton, will sincerely regret to hear of his death which occurred at Kentville, N. S., on the 5th inst. Deceased was nineteen years old.

Rev. Mr. Little, of Richmond, Virginia, occupied the pulpit of St. Paul's church Sunday evening, and took part in the prayer meeting Wednesday evening.

A Farmer's Plight.

The St. John Record is responsible for the following good story, at the expense of a provincial farmer: He went down to purchase a good suit of clothes, placed them on the seat beside him, and started for home. When he reached the bridge over the creek the idea struck him that to discard his old patched clothes and go home in a new suit, would be quite a surprise, pulled off his duds and fired them into the creek, piece at a time. When he had nothing on but a shirt, he reached for the package but it was no longer in the wagon. The night was chilly and he went home at a two-forty gait. He surprised his family completely and next morning when he went out and found the package hanging on the brake of his wagon he was somewhat surprised himself.

Two men, who it is suspected, are Anarchists, were on Saturday night observed by the Pontifical patrol to be lurking in the Vatican garden, where the Pope often spends the day. The patrol captured the men as they were scaling the wall surrounding the gardens.
