A Successful Teacher. Henry H. Stuart, who is in charge of the department of the school at Benton, Carleton county, is spending his holidays at his home in this city, after a successful term's work. The Woodstock Sentinel, in noting the recent closing examination of Mr. Stuart's school, says: "A number of visitors were present, who expressed themselves as perfectly satisfied with the high degree of efficiency of the school. The pupils were examined in reading, spelling and composition, physiology and hygiene, grammar, geography, algebra, geometry and latin, with recitations interspersed. The pupils conducted themselves very creditably, showing that they had not been neglected in the branches taught them during the term. In algebra and geometry especially, the more advanced scholars showed that their progress had been sure as well as rapid. Latin which had not been taught in Benton school for some years, has been taken up this term, and those in the latin class have made considerable progress. The percentage of excellent pupils who attended school this term is considerably greater than for the first term of 1894. Mr. Stuart is a young teacher having graduated from Normal school in 1884. At the entrance examination in July, 1883, he won second place among 390 competitors, and in Normal school he made a high mark on all examinations on the science and art of teaching. He will remain in his present position for another term."

Placed under Arrest. When the steamer Olivette reached here Monday evening from St. John, Deputy Sheriff Hawthorn, of this city, and Constable Ladd, of Sunbury, boarded her and arrested engineer Cunningham, George Whitehead, the steward, and Fred Day, a deck hand, under a warrant issued by Magistrate Raymond, of Marguerville, on the information of William Foster of the same place, the charge being that of assault. It appears that Foster, a complainant, is a constable of Sunbury county, and that the other day he came on board the Olivette and attempted to arrest a deck hand named Ward for a debt owed Ward to Mrs. Cain of Oromocto. The Olivette people allege that Foster had no paper to take Ward when he attempted his arrest, and that their interference was justifiable. From their source it is learned that the constable was acting under good authority.

Credit to Mr. Anderson. A Prince William correspondent writes to the Herald in terms of praise for Mr. Anderson, ex-M.P.P., for the excellent work recently done by him in the machine under his management on the highway leading from Lake George to Harvey Station. The writer says it was a very bad piece of road, and the labor put upon it years past had been largely thrown away. He also writes that it would be better to leave such work in the hands of an experienced gentleman like Mr. Anderson who knows how to lay out money properly and economically. He had four miles to do and an examination of the work will satisfy anyone that the road machine has left it in an excellent condition. Our correspondent adds that credit is also due to David Gilman and his men for the efficient manner in which they handled the road machine.

SUCCESSFUL CELEBRATION.

The Orange Parade in Fredericton and Elsewhere.

Some of the Brethren are Outspoken on The Manitoba School Question.

CLARK WALLACE'S ATTITUDE.

The celebration of the 12th of July, Friday, by the Orangemen of Fredericton and Carleton county, was made with considerable eclat, and the utterances of the brethren in many instances were against the Dominion government interfering in the Manitoba school question.

About five hundred men were in line in Fredericton representing principally the counties of York, Sunbury and St. John. The excursion train from St. John brought up 700 people, and crowds were present from the adjoining county, making it one of the liveliest days seen in this city for a long time.

The grand parade was formed at 2 o'clock up on the driving park grounds as follows: Acting Director of Ceremonies, J. E. Fraser, of Fredericton, mounted.

The band of the 62 Fusiliers, St. John. Grand Master Kelly, mounted.

Barouches containing Major A. J. Armstrong, P.G.M., Robt. Maxwell, G. L., and Jos. Walker, Fredericton, J.D.G.M.

Barouches containing Geo. R. Vincent, D.G. L. of British America, and G. R. Magee, G. Treasurer.

Barouches containing Ald. Rossborough, P. W. P., and Aldermen Macpherson, Anderson and Adams.

Trinity Procession, No. 57, Royal Black Knights of Ireland.

St. John County Royal Scalet Chapter, St. John District Lodge.

Vernor Lodge, No. 1, St. John. Edmond Lodge, No. 2, St. John.

York Lodge, No. 3, St. John. Carleton Cornet Band.

Dominion Lodge, St. John. Johnston Lodge, St. John.

Gildon Lodge, St. John. Union Lodge, St. John.

Havelock Lodge, St. John. True Blue Lodge, Carleton.

The Band of the R.R.C.I. York Scalet Chapter, and the Graham Lodge, Fredericton.

Walker Lodge, Fredericton. Marguville Brass Band.

Richard Lodge, Marguville. Pitts Lodge, Mouth of the Tay.

Rising Star Lodge, Tay Settlement. Boyne Water Lodge, Williamsburg.

71st Battalion Band. Romanes Lodge, St. Marys.

The city Sunbury County Association. Prentice Boys' Association of York.

The grand master was the rider of a handsome white horse owned by John A. Edwards, of the Queen.

The procession passed through the following streets: Smyth, George, Westmorland, Brunswick, Sunbury Queen, and then back to the park by Queen, Northumberland, Brunswick and Sunbury.

The streets were lined with spectators and the procession made a good appearance. When it reached the Trotting park, an address of welcome was read to the visiting brethren by County Master Pitts, and there were several addresses by prominent members of the order.

Grand Master Kelly, of St. John, congratulated the Orangemen on the success of their demonstration. The visitors came up looking for a warm welcome and it was given them. The parade was one of great magnificence and could not have been better.

It would be unwise for any government of Fredericton was, indeed, a beautiful one. No prettier place could be found. The 300,000 Orangemen of Canada were for free schools. The government should not do anything to prevent the establishment of separate schools. It was the duty of the government to support the people of that province, who had tried and got tired of them, who only left till the election got a chance at them. He would vote against any man who favored remedial legislation no matter who he was.

Orangemen should do everything to prevent the election of men who favored remedial legislation. It was their duty to oppose them. It would seem that in January the Dominion government intended to force upon the people of Manitoba separate schools. It was a dangerous thing for the Dominion government to interfere. The Orangemen should stand up and say to the government "You must not interfere."

Dr. W. A. DeWolfe, who has just taken his seat in parliament, Dr. Weldon took the government that they need not look to him to support them when they brought in this bill for the establishment of separate schools in Manitoba. It was to be regretted that other members did not speak out the same way. The speaker was satisfied that Hon. Clark Wallace, the grand master of British America, would do his duty when the time came. York county was a Protestant county, and he was sure that any man who favored remedial legislation would stand a poor chance of election to parliament.
