HAS REACHED A CRISIS.

The Demand of the Hospital Medical Staff for Representation on the Board of Management

HAS BEEN REFUSED BY THE LATTER BODY,

And the Doctors Resign Their Connexion with the Hospital.

A Regrettable Condition of Affairs.

The following is the correspondence concerning the difficulty which has arisen between the board of trustees of the Victoria hospital, and the medical staff, and which has brought matters to a crisis at that institution. It is itself explanatory.

FREDERICTON, Jan. 30, '95.

L. W. JOHNSTON, ESQ.,
Sec. Victoria Hospital:

Dear Sir,—At a meeting of the medical staff of the Victoria hospital held last evening, it was resolved "That in view of the recent appointments to the vacancies on the Board of Trustees of the hospital, the members of the staff express their sense of the injustice done them, and the discourtesy exhibited in the action of the Board in absolutely ignoring the staff's formally expressed claim to be represented upon the directorate; and that the secretary be requested to inform the staff whether or not the Board is determined not to recede from the position it has taken, so that the members of the staff may be in a position to take immediate and definite action in the matter."

Yours respectfully,
W. C. CROCKET, Secy.

G. E. COULTHARD, Chairman.

FREDERICTON, N. B., Jan. 31st, 1895.

Dear Sirs,—I am in receipt of your favor of the 30th inst., and beg to reply as follows:

At a meeting of the board of trustees of Victoria Hospital, held on Feb'y 13th, 1892, a communication signed by the medical staff was read, in which it was stated, "That, in the opinion of this staff, they should have the right to elect a member of the trustee board, to be selected from their own number."

In reply to the above the secretary was directed to write, "That, according to the constitution of the board by law, it is impossible for their request to be granted."

On Feb'y 15th, 1892, the board was called together at the request of the medical staff, when the latter pressed their demand for representation through a deputation of seven members. On Saturday, March 5th, 1892, the board met again, when, after discussing the merits of the request of the medical staff, it was unanimously agreed to have the secretary write to the staff, "That the trustees are unable to see the necessity or advantage of making any change in the constitution of the board."

The matter was then supposed by the trustees to be closed and in terms of sufficient clearness to leave no doubt of their judgment on the merits of the application of the medical staff for representation on the board.

The secretary is now asked "to inform the staff whether or not the board is determined not to recede from the position it has taken," etc. To that question the secretary is not able to make reply, and most respectfully adds that as the staff have never reopened the matter since the trustees decided it as per the herein quoted extracts from the records, it would seem to him that the condemnatory resolution of the staff does injustice both to the trustees and to themselves.

With respect, I beg to remain, dear sirs,
Yours very truly,
LEONARD W. JOHNSTON.

FREDERICTON, Feb., 1st '95.

L. W. JOHNSTON, ESQ.,
Sec. Board Trustees, Victoria Hospital:

DEAR SIR: I beg to acknowledge the receipt of your communication of the 31st ult., and to state that it was duly considered at a meeting of the medical staff held last evening. I am directed to say in reply thereto, that the members of the staff regret that the board has given no intimation of its intention to accede to their wishes with respect to the representation upon the board to which they are entitled, and that however much they regret to have to take extreme measures to assert their position and maintain their self respect, they see no other course open to them. I am therefore directed to inform you that unless some steps are taken by the 15th inst., to grant their request upon the board, they will upon that day tender their resignations. The members of the staff have several times felt much aggrieved and humiliated at the want of courtesy shown them by the board, and have come to the present determination after much consideration and not without great regret at the prospect of severing their connexion with a public institution, of which the trustees are but the guardians, and to which the staff has cheerfully given for several years its best energies.

Yours respectfully;
W. C. CROCKET, Sec'y.

FREDERICTON, Feb. 8th, 1895.

Dear Sirs,—After receiving your letter of February, 2nd inst., I sent notices to all the trustees for a meeting to be held on yesterday p. m. to consider your demands. The Board met as requested, and the following is copied from the minutes of the proceedings, after the letters of January 30th and February, 2nd inst., from you, and my letter of February, 1st inst., to you, had been read, as follows:

After giving serious consideration to the above correspondence, it was moved, seconded and unanimously agreed to:

That in view of the well-considered determination arrived at by the Board in 1892, that according to the constitution of the Board by law it was impossible that the request of the Medical staff for representation on the Board of Trustees should be granted, the Board are surprised at this time to receive communications from the Medical staff demanding such representation as a right, and notifying the Board of intention to resign in a body on the 15th inst. if assurance is not given that such request will be granted.

That in the opinion of the Board it is not expedient that a member of the Medical staff of the hospital should be a member of the Board of Trustees, and in holding this view, the Board believe it to be in the best interests, not only of the institution, but of the Medical staff as well.

The Board felt that they should not be charged with any discourtesy towards the Medical staff, or any member of that staff, and entirely disclaim ever having treated the Medical staff otherwise than with every consideration and courtesy.

The Trustees recognize the great responsibility of the duty devolving upon them to see that the affairs of the hospital are efficiently carried on, and also recognize the desirability of having the hearty co-operation of the Medical staff in the future as in the past.

The Board desires to express their appreciation of the valuable and beneficial services rendered to the hospital by the physicians of Fredericton, without exception, being conscious of the fact that in the rendering of such services they have exceeded the average duty that every citizen owes to this philanthropic institution.

The Board trusts the Medical staff will reconsider their action, but in case they adhere to it, the Board would respectfully request that the visiting physicians will continue their services during the term upon which they have entered, thereby affording the Board time to make necessary provision for the proper medical attendance of the inmates.

Believing that the Medical staff will, as a body, take up this finding of the Board of Trustees, in the matter, with the same friendly spirit in which it is sent.

I have the honor to remain,
Gentlemen,
Yours very truly,
LEONARD W. JOHNSTON,
Sec'y Board of Trustees Victoria Hospital.

To
G. E. COULTHARD, M. D.,
Chairman.
W. C. CROCKET, M. D.,
Sec'y Medical Staff Victoria Hospital.

FREDERICTON, Feb. 8, '95.

L. W. JOHNSTON, Esq.,
Sec. Board Trustees Victoria Hospital:

Dear Sir,—I beg to acknowlege the receipt of your letter of today, which was laid before a meeting of the staff held this afternoon. Inasmuch as the Board is determined not to take any steps to grant the representation the members of the staff are entitled to, they are compelled to tender their resignations, which are hereby enclosed.

With respect to the following extract from your letter "That in the opinion of the Board it is not expedient that a member of the medical staff of the hospital should be a member of the Board of Trustees, and in holding this view the Board believe it to be in the best interests, not only of the institution but of the medical staff as well," I am directed to say that as the staff did not ask the members of the Board to consider what was in its interests, such an observation is altogether gratuitous.

With respect to the trustees' request that the visiting Physicians continue their services during the present term, I quote the following resolution from the minutes of our meeting held on Feb. 1st:

"It was unanimously resolved that on the event of the resignations of the staff becoming necessary, they intimate to the Board of Trustees that any medical services required by patients at that time in the hospital will be given, as long as the physicians deem it necessary in the interests of the patients, or until some provision is made for them.

Yours respectfully.
W. C. CROCKET, Secy.

G. E. COULTHARD, Chairman.

FREDERICTON, Feb. 8, '95.

TO THE BOARD OF TRUSTEES
OF THE VICTORIA HOSPITAL:

GENTLEMEN,—We, the members of the medical staff of the Victoria hospital, hereby tender our resignations, to take effect Feb. 15, 1895. (Signed,)

G. E. COULTHARD,
G. H. COBURN,
R. MCLEARN,
W. C. CROCKET,
F. J. SEERY,
G. C. VANWART,
J. W. BRIDGES.

Yours respectfully,
W. C. CROCKET, Secy.

Two Victories This Week.

The Fredericton curlers scored two victories this week. They beat the St. Stephen club on Tuesday by four points, and yesterday they downed the hitherto almost invincible Thistles of St. John by 21 points. The score by rinks against St. Stephen, was:

F'TON.		ST. STEPHEN.	
Hoeg, skip	20	Grant, skip	10
Loggie, skip	11	Gilmour, skip	15
Neill, skip	17	Todd, skip	10
Hawthorn, skip	9	Chipman, skip	18
	57		53

The game with the Thistles yesterday afternoon and evening was a hot one from start to finish, except between Rutter and Malcolm. The new Sergeant-at-arms was hitting everything that came in his way; his mate, W. K. Allen, M. P. P., was "dead on" and Lemont and Hatt played a good game. Malcolm was not in it any time and only scored 7 points against Rutter's 24. In all the other rinks it was nip and tuck, but Hawthorn by a very pretty shot in the last head against Thompson tied the score. Loggie and Milligan were ties when they started to play the last end and the latter scored two. There was a lively tussle in the evening between Parson Raymond and E. H. Allen ("Little Willie") but the St. John rink was finally beaten by six points. "Ned" was playing in his old time form and made some remarkable shots. But the Parson is not to be sneezed at.

The score by rinks was:

FREDERICTON.		THISTLES.	
Loggie	15	Milligan	17
Hawthorn	19	Thampson	19
Rutter	24	Malcolm	7
Allen, E. H.	25	Raymond	19
	83		62

The St. Andrews club of St. John play Fredericton here Tuesday afternoon and evening.

The Hospital Aid.

The young ladies of the Hospital Aid Society are again before the public with an entertainment which deserves a generous patronage. It will be given in the City Hall next Thursday evening, and includes such attractive features as a ladies' orchestra, skirt dancing, and an amusing comedy, "A Box of Monkeys." The cast of characters in the comedy includes Miss Powys, Miss Maunsell, Miss Radclyff, F. Walker and Lieut. Macdonnell. Miss Helen Martin will do the skirt dancing, and the orchestra, led by Prof. Cadwallader, will consist of Miss Gibson and Miss M. Johnston, violins; Miss Bailey and Miss Bessie Babbitt, mandolins; Miss Frankie Tibbitts, Miss Purdie and Miss Hatt, guitars, and Miss Johnston, violincello. Capt. Wadmore has coached the ladies and gentlemen who will present the comedy, and Prof. Cadwallader is director of the musical features. Reserved seats 50 cents, at McMurray's.

A number of gentlemen and ladies met Saturday evening and formed a Natural History Society for Fredericton, electing the following officers: Dr. Bailey, president: Dr. Cox, vice-president; John Brittain, secretary: Principal Foster, curator; G. N. Babbitt, G. A. Inch, W. T. L. Reed, additional members of council. Meetings are to be held monthly, or oftener, on Monday evenings. Credit is due to Dr. L. W. Bailey, of the U. N. B., to whose efforts the present successful inauguration of this movement is to be attributed.

The funeral of the late Mrs. George Thomson Sunday afternoon, was very largely attended by all classes of citizens. Services at the house and grave were conducted by Rev. Dr. Brecken and Rev. Mr. Tippett, and interment was made at the Methodist cemetary. The floral tributes were very beautiful. The mourners included Wm. Slason, of Rothsay, brother of the deceased, A. Slason Thompson, her son, Hon. A. G. Blair, A. G. Blair, jr., R. F. Randolph, Hon. F. P. Thompson and W. Wilson, ex.M.P.P.

W. J. Edgecombe, who recently visited Houlton, says that two former Frederictonians, William and Charles Perks, have recently completed a very handsome brick building which is occupied by them as a drug store, the best fitted up establishment of the kind east of Boston, and by the Oddfellows and suites of offices. It cost $10,000 and has all modern conveniences. THE HERALD is glad to hear of the success of the Perks brothers in their adopted home.

While duck soooting at New Westminster, B. C., Tuesday, on Lulu Island, Charles Tisdale was accidently shot by Geo. Digby. They were trying the crawl upon a flock of ducks, when Digby slipped, his gun was discharged into Tisdale's thigh. Mr. Tisdale ran a gun shop in Fredercton some years ago,

MR. WILMOT'S GENEROSITY.

He Will Donate $10,000 to Sustain Wilmot Park.

E. H. Wilmot, the generous donor of Wilmot Park to the city of Fredericton, has signified his intention of capitalizing the sum of $10,000 to keep that popular resort in condition for all time, as appears from the following communication submitted to the city council Tuesday evening:

To the Mayor and city council of the city of Fredericton:

Gentlemen—It gives me much pleasure to announce to the board that it is my intention to convey, by deed or gift, to the mayor, aldermen and commonalty of the city of Fredericton, the lot of land lately acquired by me from Elizabeth A. O'Dell, comprising twenty acres, situate within the city, to be held by the corporation and their successors forever, in trust, for the free use and enjoyment of the citizens to be called and known as "Wilmot Park." In order to insure the permanency and to provide for the future care, preservation and improvement of the park, I propose to donate to the corporation the sum of $10,000 as an endowment fund, to be invested and the accruing interest or income, to be applied to this purpose by a board of commissioners, to be incorporated by act of the legislature.

The draft bill of incorporation has been prepared and is now in the hands of the city clerk, who will submit it to the council for their approval.

I respectfully ask the city council to signify their willingness to accept the proffered gift, and the trust connected therewith, and to join with me in an application to the legislature, now in session, praying that the bill of incorporation may be passed and enacted. I remain

Respectfully your obedient servant,
E. H. WILMOT.

Fredericton, Feb. 1, 1894.

In accordance with Mr. Wilmot's desire a bill has been prepared to go before the legislature. After setting forth the intention of Mr. Wilmot to donate the park to the city, and also of his intention of granting a sum of money for its maintenance, the bill goes on to enact that Edward H. Wilmot, George E. Fenety, the Mayor of the city of Fredericton, (for the time being), Archibald F. Randolph and James T. Sharkey and their successors, shall be constituted a body corporate, under the name of the "Wilmot Park Board," and by that name shall have all general powers and privileges made incident to a corporation and shall have the usual powers conferred on a corporation of making the bye-laws and regulations necessary for such a board in carrying on the management of the park.

As mentioned above the board is to consist of five members and the mayor of the city shall always be one of those members. As vacancies occur in the board from time to time from death, resignation, or otherwise, the same is to be filled up from among the citizens of Fredericton by Mr. Wilmot during his life time, nominating and appointing fit and proper persons to fill vacancies, and after the death of Mr. Wilmot, or in case of his becoming incapacitated from any cause, then the remainder of the board are given power and required to select fit and proper persons to fill any vacancy or vacancies. If at any time the board shall refuse or neglect for the space of three months from the date of any vacancy to fill it, then and in such case the city council of Fredericton are authorized and required to forthwith appoint a fit and proper person to fill the same. The board is to have a chairman elected annually and also such officers as a secretary-treasurer and caretaker of the grounds.

The City Council.

In the absence of the Mayor, who is ill, Ald. Babbitt presided at the City Council meeting Tuesday evening, and the business transacted was not much outside ordinary routine.

The assessors, W. J. Crewdson, principal, John Richards and D. B. Barker, assistants, were re-elected at the old salaries.

Ald. Gilman, from the committee on John H. Reid's claim, asked an extension of time and it was granted. It will take probably about seven years to hear all Mr. Reid has to say on the subject. The letter from E. H. Wilmot, submitted to the Council, is published elsewhere.

The City Clerk was authorized to prepare a petition to the legislature in accord with Mr. Wilmot's wishes.

Dr. Coburn, chairman of the board of health, wrote the Council referring in strong terms to the absorbing wells on the different corners, and recommending that caps be made for some and that no private individual be allowed to tap the sewers. Meeting then adjourned.

The Boom Company to Move.

The Fredericton Boom Company will ask legislation this session for extension of their charter, with the view of transferring the base of their operations from their present situation to the river between Oromocto Island and the main land at Maugerville. This will involve the abandonment of their works at Douglas, which cost the company $150,000, and their present works at Mitchell boom, Lincoln, which were built at $50,000. The new arrangement will afford them a river space of three miles in length and over three-quarters of a mile in width, and will overcome the diffiulty of shallow water experienced at Douglas, as well as concentrating their entire works. The estimated cost of the new works is $65,000.

The Calais Times says that C. H. Hawthorn of Bangor, formerly of Fredericton, who has been messenger on the "popular run" from Bangor to Vanceboro, has been appointed American Express agent for the Bath office, and will enter upon his duties next week.

W. E. Stavert, manager of the bank of Nova Scotia, at St. John's, Newfoundland, has the Herald's thanks for late Newfoundland papers. The Herald hears from another source that Mr. Stavert's agency is already doing a rushing business.

Andrew Carr, a well known resident of New Maryland, died Tuesday evening, after a protracted illness, in the 83rd year of his age. He leaves a widow and several sons, one of them James Carr, of this city.

The R. R. C. I. Minstrels will give an entertainment in aid of the Victoria Hospital, in the City Hall, on the evening of the 22nd inst.

White Wear.

The Annual Sale at Edgecombe's of Ladies' White Cotton Sewed Underwear, will begin next Thursday morning. The garments include Night Gowns, Chemise, Skirts, Drawers, Corset Covers—plain tucked, lace trimmed, and trimmed with Hamburg—and will be sold for less than one can make them: so the ladies can expect genuine bargains.
