NEWS OF THE WEEK.

CITY.

THE Market clock was repaired this week.

THE City Cornet Band will give an entertainment shortly.

THE CIRCUIT COURT opened on Tuesday last, Judge Duff presiding.

THE St. Vincent De Paul Society's annual collection for the poor, last Sunday, at the Cathedral amounted to about $750.

THANKSGIVING DAY in the city passed off quietly with the exception of some slight disturbances which occurred on Brussels street.

A PANE of glass, valued at $60 was broken by a signboard which was being put over Mr. Skinner's store, King street, Tuesday.

DIED FROM INJURIES.—Robt. McClintock, who some time since fell through the roof of Perkin's building, Prince Wm street, died on Saturday last from the effects of his injuries.

PERSONAL.—The Revd. W. F. Chapman left for Johnville, on Thursday morning.

Rev. A. Gaelleto is on a visit to New York.

RUNAWAY.—A horse attached to a carriage containing Coun. Follows and Mr. Parks, ran away on Jeffrey's hill, Tuesday night, smashing the carriage The occupants were only slightly injured.

PETTY THEFTS.—As thefts of the above kind are becoming so numerous in the Country Market, of late, we think the Chief of Police should at least, for the next two months, keep a policeman stationed there.

ACCIDENTS.—Geo. Shay was injured in the hold of the Schr. Carrie, being jammed between a stick of timber and the side of the vessel. On Tuesday, a lad named Lynch had some of his fingers chopped off by another lad in a barn on Sewell street.

TEMPERANCE.—The regular semi-monthly meeting of St. Malachi's T. A. R Society will be held in St. Malachi's hall, after Vespers, to-morrow afternoon, instead of in the evening as usual on account of the public meeting to be held under the auspices of the F. M. Association, which is to be addressed by R. F. Quigley, Esq.

A NEW BUSINESS.—Mr. English is here from Boston buying up old boots which he intends to bring to Boston with him. When he repairs them there he intends to sell them to the working classes. We believe he is located on Salem street. This is certainly a new business.

A MEAN THIEF.—A man who is said to reside on Fort Howe, stole six pairs of mittens belonging to a poor country man in the City Market, Thursday afternoon. The mean act was witnessed by two men who knew the thief, but they made no effort to capture him. The poor man went in search of his p'ace of residence.

AN UNFORTUNATE.—Michael Brophy, an unfortunate, who it appears is always uneasy when he is for any length of time out of the Penitentiary, was again sent there on Monday, for stealing a pair of pants from Mr. J. N. McManus's shop, Market Square. A few years ago, he was a respectable character, but the use of the intoxicating cup has brought him to a state of degradation from which he appears unable to rise.

BURGLARY.—The glass in the windows of Mr. Foster's store, corner of Prince Wm and Queen streets, was broken, Saturday night, and some liquor stolen. Mr. Noble Crandall's clothing store, Coburg street, was entered, Tuesday night, and a lot of goods stolen which were afterwards recovered. Crandall's brother was the thief. A. B. Sheraton's warerooms were broken into on Wednesday night and several rolls of carpet stolen.

THE POLICE HAVING A SOCIAL TIME.—Monday evening, at five o'clock Sergeant B. entered through the alley leading to a restaurant, and was just in the act of quenching his thirst when a policeman entered the main door. After a general smacking of lips and a rattling of tumblers they retreated in the same order. There will be no fear of the law relating to the sale of liquor being enforced when we have such solid Temperance men, as the above, on the force. This may prove to be a *clue* for the Chief to work up.

THE RIFLE.—The annual competition of the 62nd Battalion took place at the Drury Range, Wednesday. The principal prize in the first match, the Maher silver cup was won by Sergt. McLaughlin, with a score of 72 points. The cup is now the property of the winner. The first prize in the second match was the Page, Smalley & Ferguson Silver cup. This was won by Private Simpson who scored 39 points. Sergt. McLaughlin took second prize and first in the next competition winning a medal given by Mr. W. T. Gard. He also won a cup for the monthly competition.

AN investigation was held at the City Police Court, on Monday, of the charge brought against Thomas Woodburn for stealing $900 from a drawer in the house of Mrs. Plank, Sheffield street. Mrs. Plank said she did not wish to press the charge as she had found the drawer in which the money was, had been broken open. She did not think he had stolen the money, he having a key and therefore there would be no necessity for breaking the lock, the reason for suspecting him was that he was drunk and had been seen coming out of a tailor shop with a suit of clothes. Woodburn was then let go.

PORTLAND.

ON Monday, the work of repairing the Suspension Bridge was commenced by Mr. Thos. Hilyard.

REMEMBER the collection for the poor at St. Peter's Church, to-morrow, Sunday, at both Masses. The officers of the St. Vincent De Paul Society, of the Parish, report that they will have a large number of cases to deal with this winter.

THE Indiantown ferry lessees, Messrs. Convell and Murphy, some time since, fitted up a small but comfortable waiting room on the floats at the Indiantown side. A similar room on the opposite side of the river is being prepared for the accomodation of waiting passengers.

A blind Temperance lecturer held forth to a large audience in front of Carl Vaughan's store, Indiantown, last Sunday night. A prominent liquor dealer who was stationed at the opposite corner, raised quite a time by objecting to several of the points made by the speaker.

THEFT.—On Monday afternoon, the grocery store of Mr. Hogan, Main street, was entered by a thief who stole a small sum of money and some cakes and apples. A light fingered youth made away with a bundle of mitts hanging outside Chas. Duncan's dry goods store, on the same street, Monday.

THE St. Aloysius Association are taking steps to establish a gymnasium in connection with their reading room. Several members joined the Association last Tuesday evening as a result of the grand rally recently held by the N. B. Union. St. Aloysius is unsurpassed by any similar organization in New Brunswick for the advantages it offers to Catholic young men. Rev. Father McDevitt, its Spiritual Director, takes an active interest in its workings.

LECTURE.—Mr. R. F. Quigley's lecture in St. Peter's Hall, on Character—sustained by Religion—the sheet anchor of Temperance Reform,—last Sunday night, was a very instructive disquisition and was highly appreciated. The subject was treated in a philosophic manner and betrayed rare powers of study and reasoning. Rev. Father McDevitt, President of St. Peter's T. A. R. Society, under whose auspices the lecture was delivered, thanked Mr. Quigley on behalf of that society and the large audience assembled, for his beautiful lecture. Rev. Father Chapman addressed the meeting on the advantages of the labouring men of Portland taking a farm at the Johnville settlement. His remarks were similiar to those which appear in another part of our paper. When the meeting was over many of his old parishioners, crowded around the platform and there was a general handshaking.

CARLETON ITEMS.

MR. Robt. Cochrane has been appointed keeper of the fort at Red Head.

GREGORY'S MILL has shut down for the season for want of logs. This, we believe, is the last, as all the others have done so sometime ago.

HARD TIMES.—A hotel keeper, living in the vicinity of Carleton went into a meat shop, lately, and after purchasing *one turnip*, ordered it to be sent home.

VENTRILOQUISM.—A stranger astonished those waiting for the ferry boat on Wednesday evening in the Gents' Waiting rooms. There was quite a commotion caused for some time until one of the knowing ones let the cat out of the bag.

TEMPERANCE.—The St. Patrick's T. A. B. Society have secured the able services of Miss Sarah Muldoon, to preside at the organ in future at their meetings, in order if possible, to make them more attractive. Miss Muldoon is at present the leading soprano singer in the choir belonging to the Church.

DIPTHERIA.—This terrible disease still continues to snatch off victims. We regret to hear that three families have each lost one of their members the past week. Mr. M. McCarthy lost a son fourteen years of age. Mr. B. J. Driscoll, lumber dealer, lost a fine little girl aged over six years, and Mr. J. Robson, Jr., a fine little boy.

KIDD'S TREASURE.—Messrs. Capt. Price and Michael Calnane were interviewed on Sunday, on the ferry boat, by a man who believes he has discovered Capt. Kidd's treasure The Capt promised him the assistance of Michael to dig it up. The poor fellow felt grateful and promised to return at an appointed time to show them the spot.

CARELESSNESS.—A most respected resident of Carleton, speaking of the late Railway accident, informs us that he went over that line about two months ago and witnessed carelessness on the part of the officials. He saw a bundle of hay thrown off at one place and a barrel of flour at another, without the train being stopped.

OFF TO FLORIDA.—Mr. Cornelius Harrigan and his sister started last week on a tour of pleasure to Florida. Mr. Harrigan has been engineer of Gregory's mill for sometime past, and well liked by all the employes. His health at present not being all he desired, he has taken the above method of recruiting it. We wish him a pleasant journey.

DANCERS.—The ladies and gentlemen who were attending the social quadrille assembly at the City Hall on Monday evening last, came very near having no music, the musicians who were engaged failing to put in an appearance. Very luckily, however, it was one of the practice nights of the Carleton Serenade Band and they kindly furnished music for the evening. These assemblies are largely attended and well conducted.

LECTURE.—A Lecture will be delivered in St. Patrick's Hall, Carleton, on Sunday evening next, under the auspices of the St. John the Baptist Society. The Rev. J. McDevitt, pastor of St. Peter's, Portland, will be the lecturer. This society is well deserving of the attention of all the Catholic young men of Carleton, and we hope their members will largely increase. At the last meeting of the society Mr. Patrick Walsh was elected President, Mr. John Rossetter resigning.

INJUNCTION.—It was rumored around the streets on Tuesday that owing to a disagreement between the Directors of the Carleton Branch Railway and J. Murray Kaye Esq., relative to some work needed and which Mr. Kaye refused to do, that the Directors proceeded to the city for the purpose of putting on an injunction. After consultation with the powers that be, it was arranged satisfactorily Would it not be as well for the Directors acting for the people to sell out to the St. John and Maine Co., and thereby aid the people of that odious railway tax they now have to pay without any return.

LET THERE BE LIGHT.—On the arrival of the ferry boat on Tuesday evening on the Western side of the harbor, the night was very dark and a heavy wind prevailed. Among the passengers was a very elderly lady who received a very severe fall across that portion of the platform lately built by the St. John & Maine Railway Co., as it is rather higher than the other. We would suggest again to the West side members the advisability of the calling a public meeting of the citizens at an early day, say at the City Hall, for the purpose of taking the views of the people relative to the matter of lighting all the streets in Carleton with lamps. The cost per capita on each rate-payer would be trifling. All it needs is action.

JOHNVILLE.—As announced in last week's HERALD, the Rev. W. F. Chapman addressed the people belonging to the Catholic congregation in the Church of the Assumption after vespers, last Sunday, on the advantages and disadvantages of people taking farms in the above named settlement. After describing the character of the soil and locality of the place, he detailed the progress made by those settlers who are located there. There are 130 families there already, four schools, one church and a priest, so that they need have no fear of laboring under any disadvantages, from a religious point of view. He considered even if a man had to suffer a little for a few years, if he persevered and remained on his farm, in the end his efforts would be crowned with success. He said Total Prohibition was the motto in Johnville, as there is no liquor sold there, but there is plenty of good spring water, and considered it a good place for any person addicted to strong drink to locate, as they would have a grand chance to abandon the habit. He contrasted the difference between city and country life, and said that there was a vast difference in the appearance of the people of this city and those of Johnville. A large number of strangers were present and his remarks were attentively listened to. Judging by the number of people who have been talking "Johnville" during the week, we would not be surprised to hear of a number of them "starting" for there at an early day.

PROVINCIAL.

DIPHTHERIA has been raging in Moncton.

SUSSEX is to have a new railway dining saloon in the spring.

THE Sackville *Borderer* has entered upon its twenty-third volume.

THE Queen Hotel, Moncton, was robbed of some clothing and a trunk, Saturday night.

LEG BROKEN.—A Moncton Frenchman, named Blair Sonier, broke his leg while jumping out of a waggon last Sunday.

FIRE.—The store of D. Vaughan, St. Martins, was totally destroyed, Tuesday morning. Loss heavy; no insurance on either stock or building.

ACCIDENT.—Jas. Naines, an engine driver on a freight train from Moncton to Turo, had the forefinger of his right hand taken off while oiling his engine, Wednesday evening.

IT is expected that the work on the interior of the Moncton Catholic Church will be so far advanced that Rev. Father Foley will say Mass in the main part of it to-morrow.

THE McCarthy murder trial is still going on at Dorchester. Nothing new has been elicited. Some of the evidences published in the newspapers is inexceeding by bad taste and should be omitted.

BERNARD, the Indian, who some time ago committed the assault on Mrs. Wilson, at Hillsboro, has pleaded guilty at this month's session of the County Court of Albert, and has been sentenced for ten years to the Penitentiary.

MISSING.—A Mrs. Segee, King street, Fredericton, disappeared from her home, Thursday evening. Some think she walked over one of the wharves while others believe she is with friends somewhere about that city.

THE steamer "Star" grounded on a mud flat in the Washdemoak Lake, on Saturday evening. She was got off on Monday morning and started for St. John. She left Indiantown on her last trip for the season, Wednesday morning. The "Soulanges" on her trip to Fredericton the same evening also grounded and was got off, Sunday morning. All the river steamers are now laid up for the winter.

THE Ward murder trial, at St. Andrews, was concluded on Tuesday. The prisoners Thos Dowd and Mrs. Ward were found guilty on circumstantial evidence. Being asked if they had any reason to offer why the sentence of the Court should not be passed on them, Dowd said:—I have nothing to say only what I said before—I stand before the Lord not guilty; Mrs. Ward than said "I declare before God, I do not know anything about my husband as God is my Judge." Then according to the usual form, the prisoners were sentenced to be hanged within the precincts of the jail, on Tuesday, January 14th. On receiving sentence, Mrs. Ward burst into tears and Dowd became pallid and had to grasp the rail of the dock to steady himself.

On Wednesday morning Dowd made the following confession to the jailer:—I killed Ward in the valley where his remains were found. I killed him with McCarthy's new axe. Ward was on his way home with an axe and pitchfork. When we met, we had some words; he made at me with the fork; I clinched the axe and killed him. I then took him by the legs and dragged him to where his remains were found. Mrs. Ward never saw him after he left the house till she saw him dead in the woods, nor anyone else but myself.

He has made a second statement in presence of the Sheriff, Warden O'Dell, and Geo. S. Grimmer, Esq., as follows:—About 4 o'clock on the afternoon of the 9th September last I was returning from berrying, and met a drove of cows, and, fearing that Mulherrin's bull was with them, I made a detour to avoid him, as he was a dangerous animal. I came on the meadow road at the rising ground beyond the gulley. There I met Ward with a pitchfork and an axe with him. I asked Ward how he was gettin along haying. Ward replied, "I havn't been haying, and will never make any more hay." I said "I have been berrying." Ward then said, "You will never go berrying again; I will kill you;" and he made a pass at me with the pitchfork I laid hold of him and got him down. We tussled for some time, finally Ward promised to make up friends. We walked along the road together, and when we reached the gully, Ward struck at me again with the pitchfork. I ran around the bushes and he followed me. I then seized the axe and knocked him down. I ran away a short distance. I turned, came back and finished him. I was crazy at the time. I then dragged the body by the legs into the bushes. I buried the hat in the swamp between the body and the road. Mrs. Ward knew nothing about it then or now.

Dowd cried in prison all the first night after being sentenced. Mrs. Ward sentence will likely be commuted to imprisonment.

Testimonial from Mrs. Jane A. Lee.

INTELLIGENCE OFFICE, 102 PRINCESS ST., Saint John, N. B, July 29th, 1878.

Messrs. HANINGTON BROTHERS:

Gentlemen,—Three years ago I was going to write you how much benefit I received from taking two bottle of your Quinine Wine and Iron, being then very weak and low with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the Quinine Wine and Iron again with the same beneficial results.

While I was taking it last, a person came in who had left her situation to get into the hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of Hanington's Quinine Wine and Iron with you, and if you are not able to earn the seven dollars I will pay you for the medicine. At the end of the month she was quite smart and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly benefit persons after *Sickness* or *Diphtheria*, and would most certainly prevent sickness by strengthening and building up the system. Yours very truly,

JANE A. LEE

CONVALESCENTS from diphtheria, fevers, or any enervating disease, or sufferers from weakness, from whatever cause arising, will find "Hanington's Quinine Wine and Iron," taken according to the directions, highly beneficial.

THE BEST TONIC AND BLOOD PURIFIER.—"Hanington's Quinine Wine and Iron" for the cure of indigestion, weakness, loss of appetite, depression, want of energy, and all troubles arising from the blood and a low state of the system. Price 50 cents per bottle; bottles $2 50

Climo's ever-popular Photographs, at literal prices, are made at 13 Charlotte street (Jack's building). His beautiful prize stereoscopic views (all saved) of New Brunswick scenery, and St. John before the fire, can also be had at the above address and of dealers.

THE importance and value of *Johnson's Anodyne Liniment* to a family cannot be estimated in dollars and cents. It is both for internal and external use and will prevent and cure diphtheria and all dangerous throat and lung troubles.

A one-cent revenue stamp is about all the value there is to the large packs of horse and cattle powders now sold. If you want a strictly pure article get Sheridan's. They are immensely valuable.
