NEWS OF THE WEEK.

LOCAL NEWS.

ALL SOULS DAY.

FIFTY MILLION FEET of deals will be "wintered" on the Miramichi River, this winter.

YESTERDAY the Feast of All Saints was celebrated in the Catholic Church with the usual ceremonies.

SUICIDE.—Gorham Marks, of Calais, aged 24 years, suicided by shooting himself last Sunday afternoon.

THE CONTRACT for the new Custom House has been awarded to Williams & Co. The figures are $208,000.

A GRAND BAZAAR is to be held by the Catholic Congregation of Fredericton about the middle of December.

McKen and Elliot, of Toronto, are to row the Gaudier Brothers, of Barrie, Ont., on Nov. 8th, for $200 a side.

ANOTHER PETITION FILED.—A petition against the return of Mr. Charles Burpee for Sunbury County, has been filed.

THE Laborers Benevolent Association have opened a reading room in their hall, McGourty's building, Germain street.

A POULTRY SHOW will be held under the auspices of the St. John Poultry and Pet Stock Association, Dec. 11th and 12th.

SENT OVER.—Mrs. Annie Whitnect has been sent to the Penitentiary for 12 months for stealing a number of articles from Mrs. Finn's, Mill street.

A DECEASED EX-M. P. P.—John Phillips, Esq, of Dalhousie, who represented the County of Restigouche two terms in the Local Legislation, died last Monday morning.

DOG DAYS at the City Police Court soon. A list of about a hundred persons who harbor unlicensed canines, has been handed to the Poilce Magistrate. Of course there be some fun.

BURGLARY.—Between Saturday night and Sunday morning the residence of Mr. Timothy McCarthy, corner of Dorchester and Sewell streets, was entered and some silver ware and other goods taken. Some of the articals have been recovered.

TENDERS.—In another column, tenders are wanted, and will be received until Nov. 20th, for reporting and publishing the debates of the House of Assembly while the present House continues; also tenders for printing and binding the Departmental Reports.

ATTEMPTED BURGLARIES.—On Thursday night, burglars tried to force an entrance into Mr. John Doherty's house, corner of Pitt and Princess streets, but were unsuccessful. Several attempts to burglarize Carleton houses this week, also proved ineffectual.

THE Sackville *Borderer* says that spirits, hobgoblins or visitors from the other world have been frequenting the house of Mr. Tweed, at Amherst, N. S., recently. The eldest of two sisters who have received attention, has been repeatedly slapped in the face and marks left.

FIRES.—There was a slight fire in Mr. Washington's house, corner of Queen and Mecklenburg streets, last Saturday morning. A woodshed on Brook street, Portland, caught fire on Monday morning, but a few pails of water soon extinguished the flames. A house at Shediac, owned by Hon. D. L. Hannington, was consumed on Monday night.

THE INQUEST on the body of Mrs. Brown, who was killed at Hamilton's Mill, last Friday evening, was finished at the Portland Police Court on Monday evening. The Jury returned the following verdict, "We find that the deceased came to her death from injuries received from falling into the ash pit of Hamilton's mill, Straight Shore, Portland.

THIEVING.—Clothes line thieves are operating in Moncton. The *Times* says: "If people *will* leave their clothes out over night we would advise them just to wrap themselves up comfortably, meander out into the back yard, get astride of the sawhorse, and watch their "duds" until the streaks of light in the eastern horizon warns them of the coming morn."

SCHOOL CHANGES.—Changes in the staff of teachers have been made in several of the Portland schools. Mr. John McCluskey, of Fredericton, has been appointed to the St Peter's Hall school, lately taught by Mr. D. Bourgeois, who goes to Cocagne Kent Co.

On Monday next Mr. D. O C McGinni takes charge of the Union Point school, Fairville, recently taught by Miss M. Sullivan.

THEFT.—Mr. John P. McRory went to his dinner in a room off his shop, Indiantown, on Wednesday. When he went away he left no one to watch the shop, having implicit confidence in mankind generally. When he returned he discovered that $16 in money had been taken from the till, during his absence. Sneak thieves are becoming so common of late that where they get the least opportunity they readily take advantage of it.

ATTENTION.—To stand at church doors and gaze at those who go in or out, is not by any means a gentlemanly accomplishment. Another objection is that young men get out of church as fast as they can, even sometimes before the services are concluded, and knots gather at street corners and gape and make remarks on the others as they pass. Such conduct should be stamped out. Young men should clip this and paste it in their Sunday hats.

WHEN money is tight, people who have goods to buy generally look about them for the place where they can get the best value for their money. W. G. Lawton, 68 King street, who keeps a full line of dry goods, etc., is selling at a considerable reductions from former prices. He offers bargains in blankets, and would like parties in want of such goods to inspect them before purchasing elsewhere.

IRISH FRIENDLY SOCIETY.—There will be a special meeting of the members of the above society in their hall, Hamilton's building, on Tuesday evening next, when it is expected that there will be a large gathering of the members. Among other matters, we understand, of an important nature to be brought before the meeting, is a statement from Mr. Nannary of the result of the Grand Gift Enterprise which he managed for the society.

ON Monday night an infant well wrapped up, was left in a basket at the door of Mr. James White's residence, foot of Garden street. It was cared for by the family until morning and afterwards sent to the Alms House. On Wednesday night another wait was found bundled up on the door step of Mr Kearney's house, at the Valley. The child was taken into Mr. Kearney's for the night and afterwards sent to the same institution as the other.

STRUGGLE FOR A SEAT.—Two coalheavers armed with the implements of their trade, a basket and shovel each, sat quietly on a small empty box in front of Mr. Robertson's store, Market Square, the other day, waiting for a job. After a time, a dispute arose between them as to who had the best right to occupy the box alone. In the struggle which ensued for its possession, one of the men had his shirt torn. They were parted by others of the fraternity who gathered at the scene.

MURDER TRIALS.—On the 12th, inst the second trial of the Osbornes for the murder of Timothy McCarthy will take place at Dorchester. Several new witnesses will be brought forward. W. H. Tuck will again be counsel for the Crown and A. L. Palmer for the defence. On the same date, Thos. Dowd will be tried in St. Andrews, for the Ward murder. The report that Dowd is insane is incorrect. In the latter trial the case of the crown will be conducted by Attorney-General Fraser.

A LUNATIC TEAMSTER.—A few days ago a deranged person lodged in the Lunatic Asylum got out and walked out the Manawagonish Road as far as the Yorkshire Tavern, where he met a countryman with a team. He then jumped into the countryman's wagon and turning him forcibly out, took charge of the reins and drove furiously back with his head enveloped in a blanket. On arriving at the asylum gate he stopped the horse and left it standing on the road while he returned quietly indoors.—*Sun*.

MR JOSHUA CORKERY, of Portland, has had over thirty acres of low marsh land to the westward of St. Peter's Church, thoroughly overhauled and drained, the past season. Next spring he intends to put in a crop of hay and oats, and, although at considerable expense to put the land in its present state, hopes that the result will be most satisfactory. So swampy was the ground heretofore that it was risky to cross it except in winter time. In a few years, by Mr. Corkery's enterprise, it will be valuable for building lots.

PERSONAL.—Rev. Mr. Colerette, of the Holy Cross Order, recently of Grand Digue, Kent Co., will be stationed in this city for a short time. Yesterday he said Mass in St. Peter's Church, Portland.

On Thursday Rev. Mr. Gaynor went to St. Joseph's College, Memramcook, for a fortnight's vacation.

Rev. Fathers Varrilly and Bannon, who had been collecting in the city and Portland for the benefit of the Chatham Cathedral left for home, Thursday. The amount collected in both places amounted to over $1,000

LAMP NEEDED.—The Councillors of Ward 1, Town of Portland, should see to it that a lamp be placed on the Bridge street end of the bridge near Rankine's mill, Indiantown. On dark nights people who are unaccustomed to walk along it are obliged to grope their way, and residents on the other side of the bridge, often find it necessary to bring lanterns with them when business calls them to Indiantown. If a lamp was placed where suggested, it would prove very beneficial. As matters now stand, a person could be beaten and robbed there and no one be the wiser.

TEMPERANCE.—R. J. Ritchie, Esq., delivered a very interesting lecture under the auspices of St. Patrick's T. A. R. Society, Carleton, last Sunday night. Rev. Father Connolly presided.

Next Wednesday night week is the date on which the St. Aloysius Association, of Portland, have decided to hold a grand rally.

R. J. Ritchie, Esq, President of the N. B. U., with the Rec Secretary, Mr. P. J. O' Keefe and the Fin. Secretary, Mr. T. P. Foley, made an official visit to the F. M. Association on Thursday evening. The two former addressed the meeting.

HIBERNIAN MINSTRELS.—The performances given this week by the company at the Institute have been well attended, and in every case gave evident satisfaction to their patrons. The beautiful scenery of Ireland, though shown here before under the same management proved almost as interesting as ever. The singing, dancing, and funny sketches, pleased everyone present. One good features in connection with the show is its entire freedom from vulgarity. Last night the company performed in Carleton. They will make a short tour of the Maine towns and then return to St. John.

SPORTING SQUIBS.—Brayley, the oarsman has removed his wife and family to Boston, and intends to make that city his future home. He will take up the "spoons" again next season.

E. H. Allen, of Fredericton, wants to row Peter Clinch, of St. John, over the usual course at Fredericton, on Thursday, Nov. 7th, 1878. Clinch declines to row at Fredericton.

Peter Anderson's challenge for a foot race has been accepted by Ward, of Fredericton.

Hanlan is to go to England about New Year's.

The Toronto Lacrosse Club accompanied by the Caughnawagas are it is said to make a visit to England next spring to exhibit the national game.

ACCIDENTS.—On Saturday Robert Steeves, of the Machine shop, Moncton, had his foot smashed by a car wheel. A caulker named Vincent fell off Rodney Wharf into the mud and was severely hurt. On Saturday a son of Mr. Jas. Manson fell through the hatchway of No. 1 Engine House, on Charlotte street, and was severely bruised. On Monday evening Geo. Bailey, a carpenter broke his leg, and was taken to the Hospital. On Tuesday, Theophilus White was struck on the head by an iron bar by the caving in of the back of Moncton's new water tank. The Dorchester correspondent of the Moncton *Times* writes that a young man by the name of McKean, one of Mr. J. G. McDonald's teamsters, while returning from Bass' Creek, fell off his wagon and was run over, the wheels passing over his shoulders. He was very badly hurt, but hopes are entertained that he will recover. The *Advance* says: "Monday last two lads named McEachern and another named Barnard obtained a large quantity of gun powder by some means, and having made a fire under Wall's Bridge, on the road to the Chatham Station, threw it in. At the explosion one of the young McEacherns' clothing took fire and his back was seriously burned, while Barnard's eyes were so badly injured that it is feared he will not recover sight. A youngster named Cain, of Waterloo street, while playing with an axe, had a finger cut off, Thursday. A workman on the Portland Methodist Church named Carrington, fell from a staging, Thursday, and was severely hurt. A farmer named Redmond was injured by being thrown from his waggon near the Rural Cemetry, Thursday, in consequence of one of the wheels coming off.

EXAMINATION OF THE PORTLAND CATHOLIC SCHOOLS.

The St. Peter's Hall schools, taught by Principal Smith, Mr. Bourgeois, Miss Marry and Miss Smith, underwent examination on Monday afternoon. The pupils in Mr. Smith's school made a creditable exhibit in the branches in which they were examined, showing much zeal on the part of the teacher.

Miss M. Marry, who teaches the young idea how to shoot in the primary department manages her charge very satisfactorily, as was shown by the manner in which the little ones acquitted themselves. Recitations were given by J. Morris, J. Nealis, A. Bourgeois, J. Roddin and W. Larrigan.

Miss S. Smith's school was examined in the different branches and proved themselves well versed in reading, spelling, drawing, arithmetic, geography, etc. Miss Smith takes great interest in those whose education has been confided to her. Recitations were given by F. McDevitt, W. Montague, L. Donovan, J. McCarthy and a dialogue by by J. George and C. O'Brien.

Mr. D. Bourgeois's school were put through their facings in reading, spelling, geography, grammar, arithmetic, composition and writing, some very good specmens of the latter branch, being exhibited. Recitations were given by Louis Carlin and W. Burris.

On Tuesday the schools in the same building, taught by Sister Jerome, Sister Urbain and Sister Christina, were examined, the pupils showing much proficiency. Sister Urbain's school sang in concert, "Never say can't, but I'll try," and Minnie McPeake and Ella Davis, of Sister Christina's school recited, "Little Birdie come to me."

Mother Frances' department of the Convent School, shows that she is as interested as usual in the intellectual development of her pupils. After a welcome song by the pupils, Miss Lavinia Kane gave a nice recitation. Then followed an examination in reading, spelling, grammar, geography and history. A dialogue, "Punctuality at School," by Minnie O'Brien and Lavinia Kane, was well spoken. The school sang, "Star of the Twilight," and the examination, which was very satisfactory in every respect, came to a close.

Sister Beatrice teaches the other department in the Convent. "Many Returns of the Day," was sung by the pupils, after which Miss M. Corkey recited "Kindred Ties." Reading, analysis, parsing, history, geography, arithmetic, book-keeping and chemistry, were the exercises. Class second were well up in the branches in which they were examined. "Maud's Trials," a dialogue in which the Misses Lloyd, Gooly, Hogan and Robinson, took part, was very interesting. The proceedings closed with a chorus by the pupils. The schools were visited by Superintendent Trueman and Secretary Kilpatrick.

Testimonial from Mrs. Jane A. Lee.

INTELLIGENCE OFFICE, 102 PRINCESS ST, Saint John, N. B, July 29th, 1878.

Messrs. HANINGTON BROTHERS:

Gentlemen,—Three years ago I was going to write you how much benefit I received from taking two bottle of your Quinine Wine and Iron, being then very weak and low with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the Quinine Wine and Iron again with the same beneficial results.

While I was taking it last, a person came in who had left her situation to get into the hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of Hanington's Quinine Wine and Iron with you, and if you are not able to earn the seven dollars I will pay you for the medicine. At the end of the month she was quite smart and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly benefit persons after *Sickness* or *Diphtheria*, and would most certainly prevent sickness by strengthening and building up the system. Yours very truly,

JANE A LEE

CATARRH

CONSTITUTIONAL CATARRH REMEDY.

CURES CATARRH

Thousands applaud its wonderful Cures.

Hear what a Reverend Gentleman says of the Constitutional Remedy.

T. J. B. HARDING, Esq., BROCKVILLE, ONT.

DEAR SIR.—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular, I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often prevented me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your Agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle, I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite cured of that ailment, and have not used any since, until of late I have taken some for a cold in my head.

A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate unsolicited, with leave to make what use of it you may see proper.

Yours truly,

W. TINDALL, Methodist Minister,

Port Elgin, Ont., Aug. 24, 1878.
