NEWS OF THE WEEK.

CITY.

THE New Drill Shed on the Barrack Square, is nearly completed.

A SOCIETY for the prevention of cruelty to animals will, it is believed, be organized shortly in this city.

NARROW ESCAPE.—A Mr. Philips, a former resident of St. John, narrowly escaped drowning at Bangor, Monday night.

ACCIDENTS.—On Tuesday afternoon a man named Campbell fell off a staging at the Savings Bank building and sustained severe injuries.

SMASHING SEATS.—Patrick Williams was placed in the Barrack Square lock up, Saturday night for drunkenness. He revenged himself by smashing all the seats.

LET GO.—Solomn Bachelor, who was given in charge last week for picking the pockets of a woman in the Country Market, was let go on Monday, there being no evidence that he was the guilty party.

WE have received a copy of Barnes' New Brunswick Almanic for 1879. It is neatly got up, its General Intelligence, Statistical Information, etc, being up to the standard of these well known almanacs. They are sold for 10 cents each.

CLEARED OUT.—The Hebert Bros., Contractors, have cleared out to the States, leaving a lot of mechanics to mourn. They were working on Manson's building and since the fire had been engaged on several structures. Their liabilities are heavy.

COMMITTED FOR TRIAL.—Fanny Miller and Alex. Hoyt, charged with stealing $36 from John Ryan in a house on Sheffield street, underwent preliminary examination, Tuesday, and were committed for trial at the next sitting of the Supreme Court.

TO-MORROW the Feast of the Immaculate Conseption is the patronal feast of the diocese. There will be a Pontifical High Mass at the Cathedral, commencing at 11 o'clock. In the afternoon His Lordship will enrol into the Confraternity of Our Lady of Mount Carmel.

A RESCUED CREW.—On Wednesday evening the Stmr. "New Brunswick" brought to the city the crew of the ship "Owego," which went ashore at West Quoddy, last Monday. They were on the wrecked vessel ten hours and were rescued by the life saving service.

REV. MR. GALE's lecture on the Canada Permissive Bill at the Mechanics' Institute, Wednesday night, was attended by two hundred persons. Jas. A. Harding, Esq, presided. The speaker was forcible and fluent and presented the points of his address in an able manner.

FIRES.—The burning out of a chimney on Mrs. Plank's house, Sheffield street caused an alarm of fire, Monday night. The grocery store of W. J. Fitzpatrick, at the foot of Jeffery's hill, was damaged by fire on Wednesday night. The stock was almost totally destroyed by water.

PILOT TRAINOR who was supposed to have been carried to Liverpool by the bark "Jennie Parker," left the vessel off New River. He got caught in a gale with his small boat and narrowly escaped drowning. He was rescued by the keeper of Seal Island light house. He returned to the city on last Saturday.

TEMPERANCE.—The regular public monthly meeting of St. Malachi's T. A. R. Society will be held in St. Malachi's Hall to-morrow, Sunday evening. The lecture, which will commence at eight o'clock, will be delivered by R. F. Quigley, Esq There will be a prelude to the lecture on "Thoughts on the day—Some of the World's Great Women."

PLUMBING AND GAS-FITTING —We direct the attention of our readers to the advertisement in another column of Messrs. Phillips & Murphy, Plumbers and Gas-fitters. Any of our readers having work in their line to do will find it to their advantage to give them a call. They have fitted up a large number of buildings since the fire and in every case have given satisfaction.

LOST HIS DINNER.—On Saturday afternoon, while a city constable was proceeding down Dorchester street with a leg of mutton, a large Newfoundland dog came behind him and snapping the meat, ran away. The constable was so astonished at the dog's action that he did not give chase until the animal was nearly out of sight. He ran fast, but the dog ran faster and escaped with his booty under a barn.

DEATH OF AN ACTOR.—Belvil Ryan, the comedian, died from the effects of a paralytic stroke which seized him while attending the St. Andrews Society Concert last Saturday night. Doctors were on hand immediately but Mr. Ryan expired at ten o'clock, Sunday morning. His remains were interred in the Catholic cemetery in the afternoon. He with his wife had been staying at the Globe Hotel. Much sympathy was felt for Mrs. Ryan in her sudden bereavement.

BURGLARIES.—At an early hour on Sunday morning burglars effected an entrance into two stores in Mr. Macdonald's building on the corner of Richmond and Brussels streets, by climbing over the shutters and breaking large panes of glass. The breaking of the glass attracted the attention of Policeman Boyle. He listened in front of one of the stores and heard the burglars at work inside the grocery store of Mr. Rankine. He kept a watch outside until some persons arrived who aroused the proprietor and on the shop being opened a young man named Rogers was discovered lying on the floor feigning drunkeness. Those who were present had no idea that any more than the one store had been broken into; and they all followed the policeman into Mr. Rankine's shop. While they were occupied in searching the store in the expectation of finding more than one, Rogers' accomplice succeeded in escaping from the adjoining store of Mr. Golding with a booty of about 40 or 50 cents. A few evenings after this robbery the store of Messrs. Lawson Brothers, on the same street, was forcibly entered and some articles stolen.

PORTLAND

THE Chimney of Mr. Geo. Young's house, High street, was blown down during Monday night's gale.

THE Bark "Hebe" which was recently wrecked on a harbor bar, has been put on Hilyard's blocks for repairs.

DISORDERLY.—Two young men named McGuire and Cowan were arrested by the police last night for creating a disturbance in the vicinity of the Adelaide Road.

POCKET PICKING.—While the crowd was passing out of the Methodist Bazaar, Thursday night, a lad picked a pocket book containing $5 from the pocket of a Mrs. Courtney.

TEMPERANCE.—A public meeting will be held in St. Peter's Hall, to-morrow night, under the auspices of St. Peter's T. A. R. Society. Rev. Fathers McDevitt and Colerette will address the meeting.

FELL IN.—On Monday, John Leonard, while skating in a pond opposite Hamilton's mill, Straight Shore, fell in and narrowly escaped drowning. He won't skate there again until he is sure that the ice will hold him.

AN old couple go through the following programme every night. The woman takes her nightcap, looks into the glass, and jumps in bed. The old man looks in the glass, takes his "nightcap" and—generally stays up all night. A distinction with a decided difference.

THE Scowmen's Association held a meeting at Thompson's Hall, on Monday night, at which the following were elected office bearers for the ensuing six months: John Thompson, President; Jeremiah Sullivan, Vice-President; Roland A. Elliot, Treasurer; Thos. W. Ramsay, Secretary. A committee consisting of Thos. McAnulty, William Hayes, John Cunningham, Wm. Garnett, Richard Larkins, James Tubman, William Elliott, Charles McConnell, Chas. Damery and John Quinn, were also appointed to look after the affairs of the society.

On Tuesday night over thirty members joined the St. Aloysius Association. Officers for the ensuing six months were elected as follows: Rev. Fr. McDevitt, Sptl. Director; M. McDade, President; D. J. Doherty, 1st Vice President; Neil Mahoney, 2nd Vice President; Charles A. Power, Recording Secretary; Patrick McMonagle, Cor. Secretary; James H. McHugh, Fin. Secretary; W. J. Crowe, Ass't Fin. Secretary; John Donnelly, Treasurer; P. F. Tyghe, Librarian; John Cahill Ass't Librarian; John O'Brien, Sergeant-at-Arms; M. Slavin, Janitor; Investigating Committee—Ward 1—Jas H. McHugh and John P. McGrory; Ward 2—Denis Mahoney and Charles Doherty; Ward 3—Patrick McMonagle and Hugh J. Doherty; Ward 4—John O'Brien and Florence McCarthy.

"THREE PLATE FOR TWO CENT," is the inscription on a piece of cardboard in the window of a Main street Oyster Saloon. The plates are small and are ranged in the window. One contains two or three oysters, a second holds two small crackers, and the other one of the set, three small pieces of pickled cucumbers. The proper name of the affair is entitled, "a boy's oyster stew," and can be had for the small sum of two cents. Of course the proprietor fixes them up more to please the youngsters than from any profit arising therefrom. Three young men of the Town went in there the other evening and whether for a joke or inability to purchase a twenty-five cent stew, all around loudly called for "three plate for two cent." They were served. One cleared the oyster plate, another the cracker plate, and the third the pickle plate. After devouring their slight lunch in silence they departed after paying *two cents*. It is expected that the next time they visit the saloon they won't act so childish.

"BICKER" McAnulty, formerly of this town, but now of Boston, is determined to become an oarsman of repute sooner or later. The *Herald* of that city has the following item in reference to him:

McAnulty, the oarsmen, had two narrow escapes from drowning recently. On Saturday week, he was out rowing in Dorchester Bay, and when nearly across to Thompson's Island the wind freshened, the water became very rough, and before a landing could be made his boat swamped, and McAnulty was obliged to swim ashore. He reached the island about 11 o'clock in the morning, and being in his rowing costume, did not feel like applying to the superintendent for a boat in which he could row back to the city. He remained on the island until late in the afternoon, the wind being very cold, and at last one of the men connected with the Farm School loaned him a dory, and he reached the city soon after dark. Nothing daunted with the above experience, "Mac" ventured out on Tuesday last, and sank about midway across the bay. He remained in the water nearly half an hour before aid reached him, and when rescued he was very weak, and suffered much from the cold.

CARLETON.

WORK.—Mr. Jas. O'Stackhouse has been given the repairing of the Brig "Kate Upham."

THE new fence around the battery at Fort Dufferin was blown down during the late gale. It has since been replaced.

Mr. John McCarthy, Baggage master of the Stmr. "Scud," is also having erected a new two storey and a half house on Queen street.

ACCIDENTS.—A son of Mr. John Dineen was badly injured while at work in the mill, this week. He is at present improving rapidly.

Mr. David Hamm, while driving down Princes street with a load of hay, fell off and was severely injured. The accident was caused by the horse taking fright.

BUILDING NOTES.—Mr Samuel Estey is having erected a neat dwelling on Albert street, in the vicinity of Ald. Glasgow's, which promises to be very nice when finished.

The members of the St. Patrick's Society meet next Wednesday evening, when it is expected that a large number of new members will join, as a result of the rally lately held.

PRAYER MEETING.—A prayer meeting was held at the residence of Mrs. Mathius Ferguson, St. James street, on Thursday evening last. Mrs. Richard Hurst presided at the organ. It is intended to have one each week.

THE latest style of Christmas card is "Pay your taxes." Many persons who had not received a letter for a long time were pleased, no doubt, to find one of the abov left at their residences for them this week.

DIPTHERIA.—We regret very much to have to record this week, that Mr. B. J. Driscoll has lost another of his family by this disease. This time he has lost his oldest son, aged ten years. A few days before he died he was considered out of danger.

DISAPPOINTED.—The many lads and lassies who went to the City Hall on Monday evening, intending "to trip the light fantastic," were disagreeably disappointed, as none of the Committee put in an appearance. After waiting for some time they went home.

ROWDYISM.—Three young fellows annoyed the people in the neighborhood of Mr. Samuel Park's shoemaker shop, on the corner of Guildford and Ludlow streets, Tuesday night, about eleven o'clock, by singing at the top of their voices. Those crowds who congregate at corners are getting too numerous altogether and some effort should be made to put a stop to the nuisance.

SPORT.—"Bob" Smith has arrived and the boys were made merry by his antic performances on St. John street, on Thursday evening. He heralded his entrance into the streets by cursing and abusing Capt. Morris Flewelling. The Capt. has evidently been practising the virtue of patience, judging from the way he put up with him. Smith has figured several times in the Portland and City Police offices.

SHANTIES.—Those institutions are already being put into operation for the coming winter, where little fellows congregate at night and take their first lessons in card playing, cursing, and swearing. If the parents of those boys do not take any interest in them, policeman Ross should make a raid on them some of those nights and have a stop put to them immediately. There is one in the neighborhood of Queen street, that we believe deserves especial mention. A penalty can be enforced against all those who congregate in such places.

TOO BAD.—Johnny M——y, was just after seeing his true love home on Thursday evening last, and was in a hurry to get to his own home, running as swiftly as he could. In crossing a vacant lot his chin came in contact with a clothes line that some one forgot to take in. He fell, he knew not how, or by what means. He arose, of course, and the first thing he did was to —— pray. A knife cut the line in twain. Moral, "take in your line," and "young man don't be in a hurry."

SOCIAL.—The Methodists held a very sociable entertainment, on Tuesday evening, in the basement of their church, on Guildford street, which was a decided success. The programme consisted of duets, readings, vocal and instrumental music, all of which were finely rendered, and met with deserved applause. The following ladies and gentlemen took part. The Messrs. Salters and Clark, and Miss Bessie Taylor, Miss Bertie Harding, Mrs. C. E. Heustis, Miss Celia Gardner and Miss Sarah Barret.

TEMPERANCE.—At the regular weekly meeting of the St. John the Baptist Society, held in St. Patrick's Hall, on Tuesday evening, the following were elected officers for next three months; Very Rev. Thos. Connolly, Chaplain; Patrick Walsh, President; William Gill, Vice President; Michael Driscoll, Rec. Sec.; Timothy O'Brien, Fin. Sec.; Patrick Collins, Treasurer; John Donohoe, Sergt.-at-arms. These were the officers the last quarter except the Rec. Sec. who is a new one. The membership is on the increase, and the society is in a healthy condition generally.

IMPROVEMENT.—The St. Patrick's Hall, Carleton, has been greatly improved lately by having one of the finest stages now in St. John, or vicinity, erected there. The Band Gallery is also being enlarged six feet in width and will be supported by four or five cast iron pillars. It is also the intention, we believe, to have new seats with backs on them, something similar to those in St. Malachi's Hall, procured for the use of the Hall, at an early day. Mr. Joseph B. Fitzgerald is the builder of the stage, etc., and the work is done in his usual good workmanlike manner, under the supervision of the Rev. Father Connolly.

THE Carleton Serenade Band, has this week had a very valuable addition made to their members by Mr. Van Strickland, who has lately came from Philadelphia, and who intends to make his home here among them. He plays the small drum and as to the perfection he has attained in the mastery of it, any one who was in St. Malachi's Hall, must have been convinced. His solo on it in the National Anthem was very fine and drew forth well-merited applause. The selections played during the evening were an overture arranged by Hayes from "The Bohemian Girl, and the quicksteps "Little dark eyes do you love me," "She sleeps in the Valley," and the march of "Gathering up the shells," ending by the "National Anthem." The music was pronounced by all present good and they were applauded after the rendition of each piece.

A GENTLEMAN afflicted with the chronic rheumatism says: "No description of my case can convey the vast amount of benefit I have received from the use of *Johnson's Anodyne Liniment*. I believe it is the best article in the world for rheumatism.

THE season has arrived when everybody who own horses, cattle, sheep, hogs and fowl, should begin to feed out *Sheridan's Condition Powders*. They all need to be braced up for winter. Get Sheridan's. The *large* packs are worthless.

PROVINCIAL.

THE Miramichi River froze over last Sunday night.

THE spino-meningitis and diptheria are prevalent in Lakeville, Moncton parish.

A TRAMP recently entered a Kingsclear church and disturbed the congregation by his capers.

THE repairs put on the lower part of the Red Head Road, have been washed away by the recent high tides.

LAMP EXPLOSION.—By the explosion of a lamp in a Moncton Hotel, Tuesday night, the table cloth was burned to a crisp and a sofa damaged.

SUDDEN DEATH.—A Mrs. Bushway died very suddenly in Moncton on Thursday of last week. The cause is said to have been that she was frightened into fits from the firing of cannons at the Governor General's reception. She was *enciente* at the time.

ACCIDENTS.—Mr. Wm. Irvine, of Golden Grove, while returning from the city the other day, was thrown out of his waggon in consequence of his horse running away, and severely injured. On Wednesday afternoon Mr. Jas. Sayer, foreman of the I. C. R. turning shop, Moncton, had one of his fingers badly jammed by a casting falling on it An employe of the *Courier* office, Katie Sullivan, had her hand badly crushed by a press last Saturday.

THE Miramichi St. Patrick's Society—the only Irish society in the northern part of the province—at a meeting held on Monday evening, 2nd inst., elected the following officers for the ensuing year: Thos F. Gillespie, Esq., M. P. P., President; Daniel Finn, Vice President; Wm. T. Connors, Treasurer; Thos. Crimmen, Secretary; Committee.—Messrs. John Bannon, Simon Nowlan, James Keenan, Edward Healey, Thomas Hickery, Cornelius Ghegan, John Gallagher.

ATTEMPTED ASSASSINATION.—On Saturday evening, the 16th ult., as Mr. James Clark of Union Mills, was passing the farm of Mr. Tole, Old Ridge Road, on his way from St. Stephen, some rascal, concealed in the bushes near the road, discharged a shooting iron of some kind at him, with the intention, no doubt of committing murder, but fortunately he heard the ball whistle past his head without injuring him. After the shot was fired, he heard a noise of retreating footsteps, and was allowed to continue the remaindor of his journey unmolested. Who the party was, he has not the slightest idea.—*Courier*.

AMONG THE TOMBS.—A correspondent of the Newcastle *Advocate* writes:

Rumor has it that a prominent citizen of Richibucto who is on a visit to Boston, having committed some little misdemeanor not quite in accordance with the strict moral code of the Puritan City, the Pilgrim Fathers who are noted for their hospitality to strangers, considered it would be conducive to the happiness of their visitor to provide him with lodgings in that celebrated institution, the Boston Tombs. Our fellow citizen who has received such a marked attention from Uncle Sam will remain entombed for a time indefinite but long enough no doubt for him to put the sublime precepts of Harvey to a practical application, and indulge in serious meditation among the Tombs.

FREDERICTON NOTES.

JACK FROST made a bold attempt to bridge the river on Sunday night.

IT is said the wreck of the New Dominion will be sold for the benefit of the *Bee*.

ST. DUNSTAN'S TOTAL ABSTINENCE SOCIETY are having their reading-room fitted up and re-painted by a celebrated artist, late of Her Majesty's service.

PERSONAL.—Mr. Daniel Linehan and bride have returned to the Celestial City, after a wedding tour across the continent. Dan has great courage—considering the hard times.

Poor Polly-Wog has gone off, too.

GOING WEST.—A number of our young men are thinking seriously of trying their luck in the far West. No doubt they will succeed, if the persevering industry, which characterizes their actions here, stands by them in their new home.

CIVIC.—A petition is being circulated requesting A. F. Randolph, Esq, to offer for the Mayorality in opposition to Mayor Gregory. It is to be hoped that he will comply. Mr. Randolph's character as a bussness man, along with his generous nature, will go far to secure his election.

A Ratepayers' Society has been organized in Ottawa.

The Marquis of Lorne has received a present of Canadian apples, forty-seven of which fill a barrel.

Six milch cows were killed recently by a stable flooring giving way at Boularderie Head, Cape Breton.

Testimonial from Mrs. Jane A. Lee

INTELLIGENCE OFFICE, 102 PRINCESS ST., Saint John, N. B., July 29th, 1878.

Messrs. HANINGTON BROTHERS:

Gentlemen,—Three years ago I was going to write you how much benefit I received from taking two bottle of your Quinine Wine and Iron, being then very weak and low with no appetite for any sort of food, after a severe attack of Erysipelas in my head. Again, after the fire, I was nearly quite gone, and was restored to strength and activity by taking two bottles more, and last May I had to have recourse to the Quinine Wine and Iron again with the same beneficial results.

While I was taking it last, a person came in who had left her situation to get into the hospital, being so weak she could not work. I said, I will send you to a place where you will get seven dollars a month; take two bottles of Hanington's Quinine Wine and Iron with you, and if you are not able to earn the seven dollars I will pay you for the medicine. At the end of the month she was quite smart and is still filling the situation. I send you these few lines for the benefit of society (if you trouble to publish it), as there are so many sick at present. It would greatly benefit persons after *Sickness* or *Diphtheria*, and would most certainly prevent sickness by strengthening and building up the system. Yours very truly,

JANE A. LEE.

CONVALESCENTS from diphtheria, fevers, or any enervating disease, or sufferers from weakness, from whatever cause arising, will find "Hanington's Quinine Wine and Iron," taken according to the directions, highly beneficial.

Valuable Information.

BOSTON, MASS.

MR. H. R. STEVENS:—

Dear Sir,—My only object in giving you this testimonial is to spread valuable information. Having been badly afflicted with Salt Rheum, and the whole surface of my skin being covered with pimples and eruptions, many of which caused me great pain and annoyance, and knowing it to be a blood disease, I took many of the advertised blood preparations, among which was any quantity of Sarsaparilla, without obtaining any benefit until I commenced taking the VEGETINE, and before I had completed the first bottle, I saw that I had got the right medicine. Consequently I followed on with it until I had taken seven bottles, when I was pronounced a well man, and my skin is smooth and entirely free from pimples and eruptions. I have never enjoyed so good health before, and I attribute it all to the use of VEGETINE. To benefit those afflicted with Rheumatism, I will make mention also of the VEGETINE's wonderful power of curing me of this acute complaint, of which I have suffered so intensely.
