MOTOR VEHICLE FEES IN N. B. INCREASED

Extensive upward revision in Schedule Announced By Hon. D. A. Stewart, Minister of Public Works. — Retrospective to January 31, 1932.

Fredericton. — Important and extensive changes in Motor Vehicle Fees in New Brunswick have been passed by order-in-council and announced by Hon. D. A. Stewart, Minister of Public Works.

The main changes, which are retrospective to January 31, 1932, may be summarized as follows: Operator's License, formerly \$1.00 is now \$2.00.

Passenger cars formerly 85c per hundred weight, are now charged 90c.

Registration of motor cycle, formerly \$3.00 for first registration is now \$1.00 for annual registration.

Trailers, formerly 40c per hundred pounds carrying capacity, will be 90c per hundred pounds, with a minimum charge of \$5.00, under 2 1/2 ton regulations.

Motor buses, freight or passenger and commercial trucks are generally scheduled with an increase of 25c to 50c per hundred weight.

A new class of motor vehicle has been made by the Department in the new regulations, to be known as a Service Crane, for which a flat rate of \$25.00 is to be charged.

SAFETY RECORD

IN FRASER MILLS, MADAWASKA, ME. The Employees of Fraser Paper Limited at Madawaska, Me., have made a new record in their Accident Prevention Campaign.

The Bond, Board and Catalogue Mills operated during October, November, December, (1931) January and February (1932) without a single loss of time accident, and to date this record is still unbroken.

The date of the last loss of time accident was September 24th, 1932.

The Catalogue Mill has operated since November 15th, 1930, without any loss of time from accidents, and many departments have operated for over a year without loss time accidents.

These mills are in the National Safety Contest for 1931-1932, and are making a strong effort to win national honors in this contest.

AMBITIOUS

The latest Englishwoman to make a bid for flying fame is lady ISABEL CHAYTOR (above), wife of Sir Edmund Chaytor, who is planning to pilot her own plane from London to Australia. She has made many local flights in preparation for this long trip.

FRASER COMPANIES BOWLING LTD.

A Bowling Match held at the Casino Room as recently as March 9th 1932, the title Iron Men of the Mill Office Staff broke down the record of Main Office Moguls and trimmed them to the tune of 71 pins not counting fowls guttering and insufficient ammunition.

Highlights of the game were strikes by Stevenson and Gillies, lucky ones at that; Successive spares by Blair (two of them), but he could not stand the pace; Henderson's, one two, three strike, right corner, left corner centre, maybe; McDavid's steady bowling, staggering the pins.

Ross's gutter ball and cross alley shots in the dark; Michaud and Sun Boy, that unseparable pair's noble doing for their team; McFadden has not given us the secret of the passes he made at the pins before throwing the ball, but they fell for him anyway; McCabe made a strike with both feet in the air; reports are that he is eating, buffet style, as yet; Thomas and Matheson were dark horses; we knew nothing about them before the match, and less now; so, go ahead and shoot.

SUMMARY Main Office: McDavid 66 69 66-201 S. Henderson 50 81 70-201 A. Matheson 50 68 81-199 A. Tracy 81 96 85-262 G. Gillies 82 88 73-243 J. ANOTHER MENU YOU SHOULD TRY

IN YOUR KITCHEN

The bottle of fresh milk in the refrigerator of most modern homes has been moved a little to one side to make room for an opened can of evaporated milk. This concentrated milk is becoming increasingly popular because it is economical, clean and safe. It is convenient and when blended with an equal amount of water can be used in the same way that bottled milk is used.

Milk is said to be the most nearly perfect food. Milk and a generous amount of vegetables in the diet make up any nutritional lack in other foods which we enjoy. One of the best ways to get the necessary amount of milk into the diet is in cooking.

Here is a menu of healthful, tasty dishes in which a generous quantity of milk is used:

- Tomato Juice Cocktail CORN CHOWDER Meat Loaf — Baked potatoes — Buttered String — Beans Lettuce Salad — Eggless Mayonnaise Your Favorite Pie — Coffee — Tea

The Corn Chowder recipe was originated in the North where one has to battle with a stiff winter wind which sweeps in from the Atlantic and the extra nourishment of this savory stew is needed. Chowders are never strained, but should be full of succulent, appetizing tidbits. Serve poured over a cracker, or a real pilot biscuit in a man-sized soup bowl. It's a cold weather favorite whenever served.

An Eggless Mayonnaise may be made with evaporated milk which elevates common lettuce from "rabbit fodder" to a delightful salad. It may be varied in a number of ways. Blend one fourth cup chili sauce with one cup mayonnaise and use

BADMINTON TOURNAMENT

The United Church Recreation Hall was the scene of a Badminton Tournament between the United and the Anglican Clubs on Friday and Saturday, March 11th and 12th. Particulars of the play are as follows: MEN'S SINGLES: George Blagie (U) defeated Bruce Bird (A) 15-8; 15-9. Morris Rottenburg (A) defeated A. Paterson (U) 15-12; 11-15; 15-7. Twelve matches were won by the Anglican Club; six matches by the United Club; Four matches were not played.

Following the tournament, a delicious supper was served to the players, by the members of the United Club.

Michael Cup Won By Paper Outfit

Edmundston, N.-B., March 14 — The final game in the playoffs for the Michael Cup was played on Friday night and the three contest series was won by the Fraser Paper team with a total of nine goals to eight of the Fraser Pulp side.

The match was full of thrills. Both teams played hard and the result was not assured until the bell ended the third period.

The cup, emblematic of the hockey championship of the town, was donated by Hon. J. E. Michaud and presented to the winning team after the game.

A cup, donated by Joseph Lebel, as representative of Tip Top Tailors was presented to Fred Fournier of the Pulp team who was selected by a committee of judges as being the most valuable player in the league.

THANKS TO ALL Mrs. F. A. Roy of St. Leonard, and the family, extend their gratitude to all relatives and friends who offered them sympathy, in the mourning of her son, the late Edmund Roy. Thanks to all.

Life Underwriters Protest Against Such Proposals

Superintendent of Insurance and Tax Increase

A meeting of the Life Underwriters Association of Edmundston was held on the evening of March 14th for the purpose of protesting to the Provincial Government against the proposed increased tax on Life Insurance premiums and the appointment of a certain individual as Superintendent of Insurance for New Brunswick, who is unqualified for the position. Resolutions of protest against these proposals were adopted and copies forwarded to the Premier of the Province, the Provincial Secretary, the local Member for Madawaska County and the Provincial Vice-President of the Life Underwriters Association of Canada, Montreal, N. B. Similar resolutions of protest have also been adopted by all local Underwriters Association in the Province.

CANADA'S OUTSTANDING AUTOMOTIVE EVENT

With all plans and arrangements under way for the first annual National Motor Show of Canada to be held in Toronto in the Automobile Building March 24 to 28th, inclusive it is interesting to note that included in the attractions of the Show will be the world's most advanced streamlined automobile. This automobile of the future, the product of that inventive and organizing genius Sir Denzil Murray, has been displayed at the Shows throughout the United States, and has gained for itself the title of the "tear drop car", so called because its lines take the form of a tear rolling down a person's cheek with the thickest part near the front and the rear tapering off to a point. This car will be but one of the many features to attract the motoring enthusiasts during National Motor Show week in Toronto and the completed program will have many additional interesting surprises.
