NEWS SUMMARY.

Domestic.

—Chief Justice Ritchie died Sunday morning.

—The Dominion government has appointed Thursday, November 10th, as Thanksgiving Day.

—Kings college opens a law school in St. John next month, using the legal talent of the city for lecturers.

—The Maritime W. C. T. Union held its annual session last week in Woodstock, Mrs. W. W. Turnbull, president.

—Hon. Mr. Foster accompanies Sir John Abbott to England. In the event of the Premier's resignation it is expected that Mr. Foster will be offered a cabinet seat.

—Mr. Sibley, of Montreal, while going about the house with a candle, ignited his clothes and before help could be summoned he was enveloped in flames and possibly fatally burned.

—The speaker of the House of Commons has issued his warrant authorizing the issuance of a writ for a new election in St. John county to fill the vacancy caused by Mr. Skinner's resignation.

—A conference between the Dominion and Newfoundland is proposed to consider the question of trade and fisheries. Harmonious adjustments ought to be arrived at without much difficulty.

—Edward Blake has accepted the banquet tendered to him under the auspices of the Toronto Young Men's Liberal Club. It is to be held on the eve of his leaving again for the old country.

—The trial of Buck and Jim for the murder of Policeman Steadman was concluded last week, and Buck was sentenced to be hung December 1st and Jim to serve twenty-five years in the penitentiary.

—A fire supposed to be incendiary, destroyed the business portion of Buck's lot last week. The loss is estimated to be about \$50,000, covered by insurance for about one half that amount. Some fifty-seven buildings were burnt.

—In P. E. Island the harvest is an abundant one, and has been housed in fine condition. The early grain, though excellent, is not quite up to expectations, but the late grain is better, as good, in fact, as anyone could reasonably desire. Some of the produce shippers are of the opinion that quite a brisk trade will be done in potatoes this fall.

—The statue of Sir John A. Macdonald, which is to grace Parliament Hill, Ottawa, a tribute to the departed statesman, will soon be in the skillful hands of sculptor Wade. Sir Charles Tupper has inspected the model and expressed his complete approval of the design, which is claimed by those capable of judging to be most artistic.

—The *Hants* (N. S.) *Journal* says: An item has been going the rounds of exchanges about a veteran hunter who has recently killed his 46th bear. Hants county can beat this however. Mr. David Umlah, of Windsor Forks, recently dispatched his 65th bear. He is a noted bear hunter, having on one occasion killed three in one day. Who can beat this?

—The general passenger agent of the Canada Pacific Railway Company has been asked by cable if the company could transport 900 men from coast to coast, and has sent an immediate reply in the affirmative. It is quite possible that another evidence of the great transcontinental railway's utility to the empire in times of peace as well as in war will be immediately forthcoming. It is not yet known whether the men to be sent across are soldiers or sailors.

—A peculiar case has happened in one of the villages near the city. By request we do not mention the names of the parties. A short time since a young man was removing the dandruff from his hair, using kerosene oil for that purpose. His brother, lighting a pipe beside him, touched his hair with the match, when instantly it was in a blaze. He was burned so badly that he died next day and the brother has become violently insane. It is a very sad case.—*Fredericton Herald*.

—Chief Superintendent Pottinger, of the I. C. R., has issued a circular to the effect that J. E. Price, of Campbellton, will succeed J. J. Wallace, of Tyrone, as district superintendent of St. John and Halifax districts, the duties to commence on Monday, Sept. 26. J. J. Wallace will take Mr. Taylor's place as general freight agent, while J. M. Lyons will succeed A. Busby as general passenger agent. George M. Jarvis, chief train despatcher will probably be promoted to J. E. Price's position at Campbellton, and J. Fleming will be the successor of Mr. Jarvis.

—The Dominion Medical Association commenced its annual session on the 21st inst. In the afternoon there was an important discussion of the cholera plague. Mr. Carling was present and said he had received authority of his colleagues to obtain whatever appliances were needed for the purpose of properly equipping our principal quarantine stations and making them absolutely safe. In accordance with this authorization the department would not only furnish Quinine, but also the stations at Halifax, St. John, and Victoria. B. C. On motion of Dr. J. H. Cameron, Toronto, seconded by Dr. Christie, St. John, a cordial vote of thanks was accorded to Mr. Carling for his address. Dr. Dickson, Pembroke, thought the government should have the remains and effects of any person dying from cholera cremated, and a committee was appointed to consider the matter and report. It was decided to hold the next meeting in London.

—Minard's Linctment cures Dandruff.

—\$2,800 has been imposed in Scott Act fines in Westmorland Co. already this year, and notwithstanding the many cases hung up by appeals, about \$1,800 collected.

—The crops in the territories are turning out better than in Manitoba. The yield in the territories is nearly thirty bushels to the acre; in Manitoba twenty-two.

—The home rulers of Toronto gave Mr. Blake a public reception on Monday night. Over 4,000 people were present. Two members of the Dominion government, Hon. F. Smith and Hon. John Costigan, attended. The former was chairman. In his speech Mr. Blake dwelt with the economic evils of Ireland, showing that the present condition of the people was due to the existence of a perpetual class of landlords and a perpetual class of tenants, a condition under which the producing class was deprived of all but the barest subsistence. Sometimes, he said, they were not even allowed to retain a bare living, and contributions of relatives who had emigrated were absorbed by the landlords. He was convinced of the absolute necessity of a system of resident freeholders. Addresses were also delivered by Archbishop Walsh and several members of the Dominion and provincial parliaments.

—The twenty-fifth annual circular of the St. John Business College and Short-hand Institute shows this institution to be a flourishing and efficient school. The testimonials of graduates and business men of this city and other towns are admirable, numerous and reliable. This college is well located and equipped. A full course in book-keeping, shorthand and ornamental penmanship, shorthand and type writing is provided for. Mr. Kerr, the principal, is a gentleman of proven character, and his professional experience of twenty years in this institution, together with his connection with several joint stock companies, make him to be an authority on all commercial subjects. Mr. Fringle, co-proprietor and teacher, comes to this position with a large experience in teaching and the highest testimonials. All necessary information can be had by applying to the proprietors—Kerr & Fringle.

British and Foreign.

—Great Britain has ordered a war ship to visit Russian waters at Behring Sea to inquire into the seizures of Canadian vessels.

—Commenting on the recent seizure of British sealers by a Russian cruiser in Behring Sea, the *Fredericton* says: An apology is due Russia for the insult to her flag and indemnity for loss imposed on ships' crews.

—A despatch from Hamburg says the epidemic there is decreasing, but slowly. Last Wednesday there were 513 new cases, 161 deaths and 779 patients in hospitals. Koch believes there will be a recurrence of cholera in the spring, and that the disease will linger for years unless Hamburg secures a copious supply of pure water.

—The rights of trial by jury and free speech have been voted to Ireland by the revocation of Balfour's proclamation of five years ago. The law under which those rights might be again suspended still stands unrevoked, but it is made a dead letter by Morley's proclamation of Wednesday. This is the first promise of the new government to the Irish people fulfilled. Irishmen for the first time in five years are equal before the law with Englishmen, Scotchmen and Welshmen. Morley's action is regarded as merely the fulfilment of an obvious duty, and even the opposition press fails to criticize it.

United States.

—Alexander Bergmann, the would-be assassin of H. C. Frick, of the Carnegie steel company, has been sentenced to 22 years' imprisonment in the penitentiary.

—Mrs. President Harrison, who was dangerously ill, has so far improved as to be removed to Washington. Latest reports are that all symptoms are now favorable.

—During service in a Jewish synagogue in a tenement house on Ludlow street, New York, someone raised the cry of fire. Immediately there was a panic and a mad rush was made for the door. Four persons were killed in the crush, at least a dozen injured.

—The grand jury has returned true bills in all the cases against the Home-Steal men growing out of the riot there on July 6. Six indictments were handed down, three for murder, two for aggravated riot and one for conspiracy. In all, the cases aggregate 167 defendants.

A Chance to Make Money.

I have berries, grapes and peaches a year old, fresh as when picked. I use "Godey's Improved Process." Do not heat or seal the fruit, just put it up cold. Keeps perfectly fresh and costs almost nothing; can put up a bushel in ten minutes. Last week I sold directions to one hundred families. Anyone will pay a dollar for directions when they see the beautiful fruit samples. Fall and winter are the best time to sell directions, so people can experiment and be ready for next fruit season. As there are many poor people like myself I consider it my duty to give my experience to such, and feel confident anyone can make one or two hundred dollars around home in a few days. I will mail sample of fruit and complete directions to any of your readers for nineteen-cent stamps, which is only the actual cost of the sample, postage, etc., to me, Mrs. Henry Griffith, New C. novel, Ohio.

Interest in Bible Study Increasing.

It is a most significant and promising fact in the religious world that individual interest in Bible study is increasing with every year. It is difficult to prove this by statistics, but some statements made by the American Institute of Sacred Literature bear strongly upon the question.

Since the organization of that institution, whose sole aim is to advance Bible study, thousands of students have been enrolled for individual instruction in the English Bible and the original tongue. This work has not been confined to the United States or even to America. Missionaries in foreign fields and others who by circumstance are placed beyond the reach of good instruction, have availed themselves of this help. Students in appreciable numbers are enrolled from Great Britain, Italy, Japan, India, Ceylon, China, Hawaii, South Africa, Burma, Assam, Australia, Bermuda, beside Mexico, South America, and the Canadian provinces on this continent.

Since the organization of the Hebrew schools in 1878, and the New Testament Greek department some years later, 3,000 persons have enrolled for thorough study of these languages, and a fair proportion have graduated after attaining ease and facility in reading the Scriptural tongues.

In the department of the English Bible, book and subject study is the basis of the plan. Be the study by individuals or in classes, emphasis is always laid upon individual personal study. It is true that the thorough character of the work requires more time than many busy people can spare, although excellent work can be done in one hour a day. The thoroughness of this organization, however, enables it to meet the needs of the busiest people by offering each year a special course of study which can be pursued by the student alone, with little or no assistance (except such as is furnished by the help recommended), and an optional examination at the end of the course. The subject of this simpler work is always that of the current International Sunday-school lesson. The cost is nominal. These examination courses have been pursued by a large number of people engaged in Sunday-school work, or wishing to keep in line with it.
