Benefit Derived From Using Milburn's Pills For Nervousness.

LOCUST HILL, Ont.,
Sept. 28th, 1900.

The T. Milburn Co., Limited,
Toronto, Ont.

Dear Sirs,—I wish to let you know of the benefit I have derived by using your Pills.

I am a widow with a family to support, and have to work hard, which is very trying on my nerves.

At night I was unable to sleep for hours after going to bed, and it seemed as if every nerve in my body was on the go.

I had a smothering, choking sensation, and had to spring out of bed to catch my breath.

Milburn's Heart and Nerve Pills have done me so much good that I can recommend them highly to any person afflicted with heart and nerve troubles like I was.

Yours, with gratitude,
MRS. WM. HARPER.

Gates' Acadian Liniment,

the WORLD'S greatest

Pain Exterminator.

Hall's Harbor, May 31, 1900.

C. GATES, SON & CO.,
Middleton, N. S.

Gentlemen: About two years ago I was taken sick with La Grippe. My head pained excruciatingly. So terrible was the pain that when my wife wrung cloths from hot water and held them on my head I could not feel the heat. I obtained a bottle of your *ACADIAN LINIMENT*, used it on my head, and took some in hot water internally, according to directions. As soon as I drank it I felt better and it made a cure in a few days.

I afterwards advised a neighbor to use it and it cured him also. Mr. Joshua McDonald, of Casy Corner, spent $25.00 before I saw him and persuaded him to try your Liniment. He, too, was cured and says that he will never be without GATES' ACADIAN LINIMENT in the house.

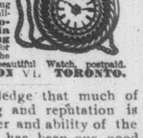

For man and beast, external or internal, I regard it as the best. Yours truly,
ALEXANDER THOMPSON.

Removing Stains

To Remove Fresh Tea and Coffee Stains—Place the stained linen over a large bowl, and pour through it boiling water from the teakettle, held at a height to insure force.

To Remove Old Tea and Coffee Stains—Soak in cold water first, then boiling water as above.

To Remove Cocoa and Chocolate Stains—Use cold water first, then boiling water, as above.

To Remove Fruit Stains—Pour boiling water over the stained surface. Arrange the cloth in such a manner that the water passes through a single thickness, and from a height above it.

To Remove Obstinate Fruit Stains—Use three ounces of oxalic acid to one pint of water. Wet the stain with the solution, place over a kettle of hot water in the steam or in the sunshine. Rinse well the instant the stain disappears; wet the stain with ammonia to counteract the acid remaining. Then rinse it thoroughly again.

To Remove Ink Spots from Gingham—Wet the spots with milk and cover them with common salt. Let stand some hours—then rinse in several waters.

To Remove Ink Spots—Put one or two drops of oxalic acid on the spots, rinse in several waters, and finally in ammonia.

To Remove Grass Stains—Allow the spots to remain saturated for a little time with alcohol, then wash in clear water.

To Remove Mildew—Use lemon juice and sunshine, or, if deep seated, soak in a solution of one tablespoonful of chloride of lime in four quarts of cold water until the mildew disappears. Rinse several times in clear water.—Ex

Arsenic in Wall Paper.

Take a fragment of the suspected paper and put it into a solution of ammonia. If arsenic be present, the liquid will assume a bluish color. If further test be required, pour a little of the ammoniacal solution on crystals of nitrate of silver, and arsenic, if present, will show itself by leaving a yellow deposit on the crystals.—Ex.

Sponge Cake.

Stir the yolks of six eggs with half cupful of powdered sugar ten minutes; beat the whites to a stiff froth, adding slowly a half cupful of powdered sugar while beating constantly; add the grated rind and juice of one lemon, add the yolk mixture to the whites, stir a few minutes, add one cupful of sifted flour into the mixture and mix all lightly together, pour into a buttered and paper lined form and bake in a very slow oven.—Ex.

Chocolate Macaroons.

Place three ounces of plain chocolate in a pan and melt slowly; work to a thick paste with one pound of powdered sugar and the whites of three eggs; roll out to about one-fourth inch in thickness, and cut into shapes with a cutter as desired. Butter a pan lightly and sprinkle with equal portions of flour and sugar, now place the paste mixture in the pan and bake in a moderately hot oven.—Ex

Ginger Cream

Beat two eggs until they are quite frothy, then add by degrees rather less than half a pint of boiling milk. Pour the custard into a saucepan and stir it over the fire until it thickens; watch it carefully, and directly this takes place remove the pan at once from the stove and stir in half an ounce of gelatine. As soon as the gelatine has dissolved, put the custard into a bowl and whisk it until it is cold; add two large tablespoonfuls of the syrup in which some ginger has been preserved and two ounces of the ginger, chopped up into small pieces, then half a pint of whipped cream, ascertain if the mixture is sufficient sweet, and add a little more ginger syrup if necessary. Whisk the ginger cream until it shows signs of setting and as soon as this occurs pour it into a mould which has been rinsed with cold water. Turn the cream carefully from the mould and garnish the dish with small pieces of scarlet geranium and fern.—Ex.

Peppermint Drops.

Mix thoroughly together in a tin cup, one tumblerful of confectioner's sugar, with eight teaspoonfuls of cold water, and flavor with essence of peppermint. Place the tin cup containiug this mixture in a pan of boiling water and let it boil three minutes; then drop with a teaspoon on buttered paper.—Ex.

Chocolate Pudding.

Rub to a cream ¼ pound of butter, 1 cup of sugar, beaten yolks of 3 eggs, ¼ cup of milk, 2 teaspoons baking powder, 3 ounces melted chocolate, 2½ cups pastry flour (sifted three times), mix in order given, then add the stiffly beaten whites of eggs, bake in a round tin with mound in centre, making round loaf with hole in centre; this is to be eaten hot; fill the hole in cake and pile on top whipped cream sweetened a little and flavored with vanilla. Serve in generous slices, cut down through. Have a little extra whipped cream in case more is liked.—Ex.

How to Cook Potatoes Southern Style.

Take a large tablespoonful of lard and butter and let heat in a stewpan or small kettle. When hot stir in a large tablespoon of flour. Stir until smooth, then add a medium sized onion cut small. Cook for one minute or until brown. Then stir in a quart of potato dice previously prepared. Add sufficient boiling water to cook the potatoes, not quite enough to cover them. Put a lid on the kettle and let cook until the potatoes are done through and the water has boiled quite away.—Ex.

The Spring Feeling.

NOT EXACTLY SICK—BUT NEITHER ARE YOU WELL.

Close Confinement During the Winter Months Has Left You Weak, Easily Depressed and "Out of Sorts."

The words "weak and depressed" expresses the condition of thousands of people in the spring time. It is one of nature's signs that humanity cannot undergo months of indoor life in badly ventilated buildings with impunity. Sometimes you have a headache; slight exercise fatigues you; your appetite is variable; you are easily irritated or depressed; perhaps there are pimples or slight eruptions that indicate the blood needs attention. Whatever the symptom may be it should be attended to at once, else you will fall an easy prey to graver disease. Do not use a purgative in the hope that it will put you right. Any doctor will tell you that purgatives weaken, that they impair the action of the liver and create chronic constipation. A tonic is what is needed to help nature fight your battle for health, and there is only one always reliable, never failing tonic, and that is Dr. Williams' Pink Pills. These pills have no purgative action. They make rich, red blood, strengthen the tired and jaded nerves, and make weak, depressed, easily tired people, whether old or young, bright, active and strong. Among those who have proved the health-bringing qualities of Dr. Williams' Pink Pills is Miss Emma Chaput, of Lake Talon, Ont., who says: "I cannot thank you enough for the good I have derived through the use of Dr. Williams' Pink Pills. I honestly believe that but for them I would now be in my grave. My health was completely broken down. My face as white as chalk, and if I made the least effort to do any housework I would almost faint from the exertion, and my heart would beat violently so that I feared I would drop where I stood. I was a great sufferer from headach s and dizziness as well, and my appetite was so poor that I scarcely ate at all. I tried several medicines, but they did not help me, and then I decided to send for some of Dr. Williams' Pink Pills. I got six boxes and before I used them all I was as well as I had ever been, with a good healthy color, a good appetite and an entire freedom from the ailments that had made me so miserable. You may be sure that I will always have a warm regard for your invaluable medicine."

Do not experiment with other so-called tonics—you are apt to find it a waste of money and your health worse than before. You will not be experimenting when you use Dr. Williams' Pink Pills. They have proved their value the world over, and you can rely upon it that what they have done for others they will do for you. If you cannot get the genuine pills from your dealer send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and they will be mailed postpaid at 50 cents a box or six boxes for $2 50.

PIMPLES.

These Troublesome, Disfiguring Blemishes can be Removed by the all Powerful Blood Purifying Burdock Blood Bitters.

The nasty little pimples that come on the face and other parts of the body are simply indications that the blood is out of order and requires purifying.

They are little irritating reminders to you that you need a course of treatment with Burdock Blood Bitters.

When B.B.B. makes your blood pure then the pimples will vanish and your skin become soft and clear.

Here is evidence worth considering:

Mrs. Morrice Ketch, Bristol, Carleton Co., N.B., writes: "I take great pleasure in recommending Burdock Blood Bitters to every one troubled with pimples. I was for years that I would break out with them at times on my face and back. I tried all sorts of remedies, including doctors' medicine, but everything failed to cure me.

"At last I heard of B.B.B. and thought I would try it.

"When I had finished taking two bottles I felt a great deal better, so kept on using it until I had taken in all six bottles. It has completely and permanently removed every pimple from my body and I never felt better in my life than I do at the present time.
