WHEN BABY IS SICK.

Don't dose him with nauseous castor oil or other harsh gripping purgatives. Above all things don't give him poisonous "soothing" stuff. These things only make him worse. Baby's Own Tablets are what your little one needs. They are a gentle laxative, and make baby sleep because they make him well. They cool his hot little mouth, ease his sour stomach, and help his obstinate little teeth through painlessly. They are what every mother needs for her baby—and the older children too. Mrs. Routhier, Greenwood, B. C., says: "I consider Baby's Own Tablets worth their weight in gold in every home where there are children. My only regret is that I did not learn their great worth sooner." These Tablets will help every child from the moment of birth onward, and are guaranteed to contain no harmful drug. Sold by all medicine dealers or sent by mail at 25 cents a box by writing The Dr. Williams Medicine Co., Brockville, Ont.

THE LITTLE PEANUT MAN

Who ever heard of making a man out of peanuts? asks a writer in an exchange. It can be done, however, by any boy or girl, and a queer figure it will make to hang up somewhere for your friend to admire.

One peanut makes the head, on which you must mark with a pen the eyes, nose, mouth, ears and hair, and you may give him a beard if you choose.

Now, by means of a long needle and a strand of thread, string together three peanuts, end to end, for the little man's body, two for each arm, and two for each leg. Select two very small ones to make the feet, marking them with a pen to represent shoes.

But he will be a queer man, indeed, if you leave him in this condition, for he is a civilized fellow, and must have some clothes. If you are a girl, make him a suit yourself, if you are a boy, get your sister to make it for you.

To give him a gay look, suppose you make his coat of red cloth, his trousers of yellow, and his leggings of green. Then finish him off by putting the cup of an acorn on his head for a hat, and to this attach a thread by which you can hang him up.—Morning Star.

DID NOT SURVIVE HIS DEATH.

The will of Peter Johnson, of Muskegon, filed for probate last week, sets a new place in thought and phraseology. Mr. Johnson, after signifying the disposition he wishes made of his property, offers the following explanation and further statement: 'Why I give all these things is because I want to have care taken of me. If I get well from being sick, I will pay the money which I owe and will also pay for my burial.'

The filing of the will for probate indicates that the testator did not survive his death, and should not be harshly blamed if he failed to personally settle with the sexton and the undertaker.—Sel.

"Maypole!" At last. Here's a cake of soap that dyes—not a powder that makes mess and trouble all over the house. Maypole yields brilliant colors that cannot fade. It dyes to any shade. At last home dyeing is made pleasant, sure, safe.

HOMESTEAD REGULATIONS

ANY OPEN numbered section of Dominion Lands in Manitoba or the Northwest Territories, excepting 5 and 24, which has not been homesteaded or reserved to provide road lots for settlers, or for other purposes, may be homesteaded upon by any person who is the sole head of a family or any male over 18 years of age, to the extent of one quarter section of 160 acres, more or less.

ENTRY.

Entry may be made personally at the local land office for the district in which the land to be taken is situated, or if the homesteader desires he may, on application to the Minister of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, or the local agent for the district in which the land is situated, receive authority for some one to make entry for him. A fee of \$10.00 is charged for a homestead entry.

HOMESTEAD DUTIES.

A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto to perform the conditions connected therewith, under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.
(2) If the father (or mother, if the father is deceased) of any person who is eligible to make a homestead entry under the provisions of this Act, resides upon a farm in the vicinity of the land entered for by such person as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person residing with the father or mother.

(3) If a settler has obtained a patent for his homestead, or a certificate for the issue of such patent, counter-signed in the manner prescribed by this Act, and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon the said land. The term "vicinity" used above is meant to indicate the same township, or an adjoining or adjoining township.

A settler who avails himself of the provisions of clauses (3) or (4) must cultivate thirty acres of his homestead, or subdivide twenty head of stock, with bullocks for their accommodation, and have besides 50 acres substantially fenced.

Every homesteader who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.

APPLICATION FOR PATENT

should be made at the end of the three years before the Local Agent, Sub-Agent, or the Homestead Inspector. Before making application for patent, the settler must give six months' notice in writing to the Commissioner of Dominion Lands at Ottawa of his intention to do so.

INFORMATION.

Newly arrived immigrants will receive at the Immigration Office in Winnipeg or at any Dominion Lands Office in Manitoba or the Northwest Territories, information as to the lands that are open for entry, and from the officers in charge, free of expense, advice and assistance in securing land to suit them. Full information respecting the land, timber, coal and mineral laws, as well as respecting Dominion lands in the Railway Belt in British Columbia, may be obtained upon application to the secretary of the Department of the Interior, Ottawa, the Commissioner of Immigration, Winnipeg, Manitoba, or to any of the Dominion Lands Agents in Manitoba or the Northwest Territories.

JAMES A. SMART,

Deputy Minister of the Interior.

N. B.—In addition to Free Grant Lands to which the regulations above stated relate, thousands of acres of most desirable lands are available for lease or purchase from railroad and other corporations and private lands in Western Canada.
