Accident on Thursday.

Mr. Daniel Desmond, of Nelson, who is working at the Snowball mill here, met with a serious accident yesterday morning. Mr. Desmond, who was in the fire house, sat down against the door which burst open, causing him to fall to the ground, a distance of twelve feet, and hurting his back.

Smallpox.

There have been no new cases of smallpox in Douglstown for two weeks. The young man who seemed to fear that the whole community must soon be afflicted with the disease because of the vacancy in the chairmanship of the Board of Health, evidently did not know what he was talking about. Messrs. Doyle and Vanderbeck took all the measures that were necessary to guard the public.—World.
