As a tonic for a rundown reputation try a dose of charity.

When a woman says her husband is out she may mean that he is "all in."

A man's wife usually has more faith in him than he has in him self.

Ever notice how hard it is to pay for a thing on the "easy payment" plan?

An interesting football game took place last Thursday evening between Millerton and Bryentonville. The Bryentonville team was assisted by members of the Paper Mill team. It was a hard fought game throughout. Mr. Ranshaw of the Paper Mill secured one goal for Bryentonville. This was the only goal made during the evening. Mr. A. C. Mitchell acted as referee to the satisfaction of both teams. In speaking to a gentleman who has played the game for some time he says: "Millerton did not play at all up to the form it was expected they would. They have yet to learn how to kick a ball on the run in any direction and not place it for the opposing side to rush it down. Also they have to learn combination and discipline. One man is quite sufficient to go after the ball at one time, otherwise it is a case of too many cooks spoiling the broth. Every man is given a place and should stay in it."

Signal Sargeant James Shaesgreen, South Esk has gone to Kingston, where the members of the coronation contingent will report. Later they will mobilize at Quebec, sailing from there June 3.
