Buried Treasures Found.

While excavating was being done on the Russell farm, formerly the Davidson grant, a box of old coin was found. Some of these are dated as far back as 1728 and some as late as 1804. The box is supposed to have been buried at the time of the Miramichi Fire.

Happy Gathering at the Residence of Mr. and Mrs. Wm. Carnihan.

A very pleasant evening was spent at the home of Mr. and Mrs. William Carnihan, Nov. 3rd, when the young folk of Millerton, Chelmsford and Derby gathered to honor the twenty-fifth anniversary of their marriage.

It was indeed a jolly party that sailed up river on the "Irene" in the moonlight, piloted by Mr. Weldon Robinson. The guests who were received at the house by the host and hostess expressed their best wishes accompanied by tangible expressions of their good will. The beautiful gifts well expressed the high regard in which Mr. and Mrs. Carnihan are held by their many friends. During the evening games and music were enjoyed. The thanks of all are due to Misses Payne and Bryenton, Messrs. Betts and Vanderbeck for furnishing music, also Messrs. Sutherland and Ite for arranging games and seeing that all enjoyed themselves. A bountiful lunch was served, the tables being laden with all good things and served by special waiters who furnished much amusement for the guests. After a brief speech by Rev. Mr. Rettie and the singing of Auld Lang Syne, the guests departed for the return sail on the river, voting one and all a good time.
