

For Coughs—Take This

Do you know a remedy for coughs and colds nearly seventy years old? There is one—Ayer's Cherry Pectoral. Once in the family it stays. It is not a doctor, does not take the place of a doctor. It is a doctor's aid. Made for the treatment of all throat and lung troubles. Ask your own doctor his opinion of it. Follow his advice. No alcohol in this cough medicine. J.C. Ayer & Co., Lowell, Mass.

You cannot recover properly if your bowels are constipated. Ayer's Pills are gently laxative, and do not hurt the system. Sold for nearly sixty years. Ask your doctor all about them.
