DEVINE'S

Compound Pitch Lozenge.

An appeal to matter of fact, and common sense.

IT is that which has so long been sought for, and is in full faith offered to the public as a CERTAIN CURE for

Coughs, Colds, Whooping Cough, Croup, Costiveness, Asthma, and Consumption,

and will, in any case where lungs sufficient are left to sustain life, check the ulceration, and raise the patient to health. This is not an idle boast, nor is this remedy sent into the market without a thorough trial; but has proved beyond a doubt that what has been asserted CAN BE DONE.

We do not ask you, reader, to take our word, but those who, but a few weeks ago had given up in despair and are now in the enjoyment of health, and without asking have given us their certificates in favor of this great remedy.

Let all, then, who are afflicted, TRY IT, and if the assertions on each box are not proved after an impartial trial, the price will be returned: when the article is not *perfectly satisfactory!*

If the Lozenge on being exposed to the air in hot weather should become soft, it is no objection, but rather goes to prove that they are in good condition.

S. D. Fuller & Co., Boston, Proprietors for Devine's Pitch Dozenge, Dr. Corvell's Pain Expeller and Macaronick, a sure cure for the Piles; also, the Yankee Extract, an article warranted to take out all Grease, Oil, Paint, &c., without injury to the finest texture or showing any dust on the part cleansed. All other popular Medicines sold wholesale at the lowest Cash prices.
